(ii) Night interception: per installation	22.00	NIL
(e) equipment to provide press button recall facilities on indicator signalling PMBXs:		
provided when the PMBX is installed	NIL	NIL
provided subsequently: per extension	NIL	8.00
5. Special equipment provided on a PABX type 1 and 2 (the following items apply to both types unless otherwise state):		
(a) equipment to provide conference facilities:		
Key switched, non-amplified	21.00	30.00
Key switched, amplified	47.00	30.00
Cord connected, non-amplified (PABX type 2 only)	15.00	30.00
Cord connected, amplified (PABX type 2 only)	37.50	30.00
(b) equipment to provide night service:		
(i) direct exchange night service on a PABX type 1: in respect of each exchange line connected for night service	2.25	7.00
(ii) direct exchange night service on a PABX type 2: per installation	4.50	7.00
(iii) dial 8 night service: where alarm bell circuit is extended externally ...	The appropriate rate of rental and connection charge for an external extension specified in Part 2 of Schedule 5.	
(iv) night busying:		
per installation		7.00
up to 4 exchange lines	9.00	
each additional exchange line	2.25	
(v) night interception: per installation	22.00	
(vi) split-level 7 (PABX type 1 only):		
per connecting circuit	1.00	7.00
per interswitchboard circuit	0.75	7.00
(vii) non-busy extension facility (PABX type 1 only)	12.00	45.00
6. Special equipment provided in connection with a PABX type 5 or a PABX type 6:		
(a) attendant's telephone	8.00	22.00
(b) audible alarm circuit	3.00	6.00
(c) exchange line call bells:		
provided internally	NIL	NIL
provided externally	The appropriate rate of rental and connection charge for an external extension specified in Part 2 of Schedule 5.	
(d) direct exchange night service:		
per exchange line connected	2.25	7.00
(e) standby power equipment	35.00	70.00
7. Special equipment provided in connection with a PABX type 7:		
(a) conference facilities:		
Key switched, non-amplified	21.00	30.00
Key switched, amplified	47.00	30.00
(b) equipment to provide night service:		
designated extension night service	3.60	7.00
direct exchange night service:		
per 5 extensions or part thereof	12.50	10.00
(c) non-busy extension facility	14.00	55.00
(d) discriminatory call barring	18.00	15.00
8. Special equipment for night working from a particular extension connected with a PABX other than types 1 to 7 in the same building	4.50	No further connection of this item will be made.
9. Multiphone switchboard	22.00	No further connection of this item will be made.
plus, in respect of additional equipment (where required) for providing ancillary working on an exchange line or private circuit	5.00	No further connection of this item will be made.
10. Modification of switchboards for blind operators:		
(a) Braille trip metres (privately provided) for use on PMBXs size 5+20, 10+30, or 10X50 in place of Post Office provided cyclometer type trip meter:		
per braille trip meter, necessary exchange equipment, and Post Office provided totals meter	3.50	5.00
per braille trip meter and necessary exchange equipment	1.50	5.00
Post Office provided totals meter (not braille) provided at a later stage	3.50	5.00
11. Key and lamp unit and associated equipment:		
Key and lamp unit 2A with one operator's circuit	10.00	18.00
