The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF PROBATIONER MAPPING ASSISTANTS IN H.M. LAND REGISTRY.

1. Application for appointment shall be made in the first instance to the Secretary, Civil Service Commission, at such time and in such manner as may be fixed by the Civil Service Commissioners. When a vacancy occurs, the Commissioners will cause notice to be given by an advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications. Applications will not be accepted or recorded until a vacancy is announced to be filled.

2. Candidates must have attained the age of 16½ and must not have attained the age of 18 on the last day fixed for the receipt of applications.

3. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject.

Provided that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions, that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (*a*) the father or the paternal grandfather of the candidate was a natural-born British subject, and (*b*) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

4. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. Candidates must have obtained a School Certificate, preferably with a credit in Mathematics.

6. Those candidates who from their application forms appear to the Civil Service Commissioners to be best fitted for the post will be submitted to an examination in Drawing to test their skill in plan drawing and lettering and will also be admitted to an interview before a Selection Board, who will recommend for appointment such candidates as they consider most suitable, having regard to the number of vacancies to be filled, from among those who qualify in the examination in Drawing. The Selection Board will be nominated by the Civil Service Commissioners in consultation with the authorities of the Department who will be represented on the Selection Board. The decision of the Selection Board will be final.

Candidates admitted to the examination in Drawing will be required to pay a fee of 8s.

7. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

8. The necessary number of candidates will be appointed on probation for a period of not less than three months, subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character. Female candidates must be unmarried, and will be required to resign their appointments on marriage.

9. The Chief Land Registrar will require to be satisfied from periodical reports or by examination by the Head of the Mapping Branch that persons appointed as Probationers possess the necessary qualifications for appointment to the grade of Mapping Assistant. A Probationer who proves to be unsatisfactory or shows no promise of acquiring the necessary qualifications during the three months' probationary period will not be retained in the Service. All appointments are subject to the general conditions of service applicable to Crown servants, but normally one month's notice will be given or required on the termination of service or on resignation.

10. Subject to satisfactory reports and on reaching the age of 19 Probationers will be appointed to the grade of Mapping Assistant (unestablished); and on attaining the age of 20, Mapping Assistants (unestablished) will

be eligible for consideration for appointment to the established staff, subject to the occurrence of vacancies. Appointment to the established staff is conditional on the issue of a certificate of qualification by the Civil Service Commissioners; in the event of the Commissioners declining to issue a certificate of qualification, the candidate will not be retained in the Service.

11. A fee of 8s., being the balance of the prescribed fee of 16s., is payable to the Civil Service Commissioners before the certificate of qualification can be issued.
