NOTTINGHAMSHIRE COUNTY COUNCIL

ROAD TRAFFIC REGULATION ACT 1967

TRANSPORT ACT 1968

LOCAL GOVERNMENT ACT 1972

ROAD TRAFFIC ACT 1974

The Nottinghamshire County Council (Beeston Rylands) (Parking Places and Controlled Parking Zone) Order 1977

Notice is hereby given that Nottinghamshire County Council, in consultation with Broxtowe Council, has made an Order which creates a scheme of controlled parking in the area known as Beeston Rylands in the immediate vicinity of Plessey's factory, Beeston. The area for this parking scheme is bounded by Trafalgar Road to the north, Meadow Road to the east, Grenville Road to the south, Nelson Road and Trent Road to the west.

The scheme allows for the maximum number of parking spaces to be established on all roads, with the exception of Meadow Road which is the through traffic route, without causing obstruction to local and servicing traffic or to emergency vehicles. The setting up of a Controlled Zone will include the introduction of "No Waiting" restrictions on all parts of roads, other than where parking places are provided. In most roads, parking on the highway will be limited to the equivalent of one side of each road.

The limited time of waiting and resident parking provisions will apply at any time Monday to Friday and from midnight on Friday until 1 p.m. on Saturday (the prescribed hours). The sealed order places no restriction upon parking by residents or other vehicles at times other than those quoted above. Residents' cars, dual purpose vehicles, light goods vehicles or motor cycles, will be distinguished by the display of an annual permit which must be conspicuously displayed on the vehicle when parking on a residents' parking space within the restricted periods quoted above. Any vehicle parking in these residents' spaces not displaying a permit at those times will be committing an offence. Permits will be issued at any time upon request

to a bona fide resident living in any of the streets within the controlled area free of charge and will be valid for one calendar year. Permits will be renewed on application annually. The issue of a residents' parking permit to a resident will permit the resident to park his car during the prescribed hours at any residents' parking space within the whole area, except spaces prescribed for Meadow Road permit holders. As explained above the resident will not require the permit to park outside the prescribed hours.

Residents' permits will indicate the area and year for which they are valid and will also show the registration number of the vehicle for which they are issued, and will not be transferable to other vehicles. Whenever a resident changes his vehicle, a new permit will be issued in exchange for any existing permit.

Residents' parking spaces and all other parking spaces will be clearly marked on the roads with white lines and all vehicles parked in any parking place will have to park entirely within a parking space.

Exceptions will be permitted for a vehicle to wait at any time, whether or not as a parking space, subject to any other separate restrictions, if it is:

(*a*) picking up or setting down passengers ;
(*b*) waiting for the purpose of loading or unloading goods ;
(*c*) a vehicle being used for fire brigade, ambulance or police purposes ;
(*d*) waiting only for an obstruction to traffic to be removed ;
(*e*) in the service of or employed by the Post Office ;
(*f*) waiting in connection with any funeral, building operation, road-works, work undertaken by Statutory Undertakers, or furniture removal.

The 2 hour limited waiting period applying at parking places other than those reserved for residents during the daytime, will not apply to invalid carriages or vehicles displaying disabled drivers or disabled persons' badges.

The Order comes into operation on the 13th March 1977.

A copy of the sealed Order, a statement of reasons and a plan showing the lengths of road affected may be inspected during normal office hours at my office at County Hall, West Bridgford, Nottingham, or at the office of the Director of Administration, Broxtowe District Council, Town Hall, Foster Avenue, Beeston, Nottinghamshire.

Any person wishing to question the validity of the Order or any of the provisions contained in it on the grounds that they are not within the powers conferred by the Road Traffic Regulation Act 1967, as amended, or on the grounds that any requirement of that Act or any instrument made under it has not been complied with in relation to the Order may, not later than the 31st March 1977, apply to the High Court for this purpose.

A. Sandford, Director of Administration and County Solicitor.

County Hall,
West Bridgford, Nottingham. (510)

Anyone wishing to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act, 1967, as amended by Part IX of the Transport Act, 1968 and Schedule 19 to the Local Government Act, 1972 or on the grounds that any requirement of that Act or of any instrument made under it has not been complied with in relation to the Order may, within 6 weeks of the 4th March, 1977 apply to the High Court for this purpose.
