BRAINTREE DISTRICT COUNCIL

NOTICE OF PUBLIC PATH ORDER

TOWN AND COUNTRY PLANNING ACT 1971—SECTION 210

Braintree District Council (Part of Footpath No. 52 Braintree) Public Path Diversion Order 1978

Notice is hereby given that the above-named Order (hereinafter referred to as "the Order"), made on the 27th January 1978, is about to be submitted to the Secretary of State for the Environment for confirmation or to be confirmed by the Braintree District Council as an unopposed Order.

The effect of the Order, if confirmed without modification, will be to divert the public right of way situated at Ordnance Survey Field No. 5300 Sheet No. TL7623 (1967 Revision) and running from a point approximately 150 yards in a generally south-western direction from its junction with footpath 56 and continuing in a south-westerly direction towards the highway known as Warwick Close for approximately 130 yards to a line running from the aforementioned point and continuing in a westerly direction through the public open space for a distance of approximately 46 yards thence in a southerly direction for a distance of approximately 27 yards and thence following the line of the footway to be constructed in connection with the development of the site in a generally southerly direction for a distance of approximately 77 yards where it rejoins the existing route of Footpath No. 52.

A copy of the Order and the map contained in it has been deposited at the offices of the Secretary of the Braintree District Council, 18 Fairfield Road, Braintree, Essex, and may be inspected free of charge at that office between the hours of 9 a.m. and 5 p.m. Mondays to Fridays.

An representation or objection with respect to the Order, may be sent in writing to the Secretary of the Braintree District Council at 18 Fairfield Road, Braintree, Essex, not later than 6th March 1978 and should state the grounds on which it is made.

If no representations or objections are duly made, or if any so made are withdrawn the Braintree District Council may, instead of submitting the Order to the Secretary of State for the Environment for confirmation, themselves confirm the Order as an unopposed Order. If the Order is submitted to the Secretary of State for confirmation any representations and objections which have been duly made and not withdrawn will be sent to the Secretary of State with the Order.

CARLISLE CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

TOWN AND COUNTRY AMENITIES ACT 1974

Notice is hereby given that on 28th June 1977 Carlisle City Council extended the Brampton Conservation Area to include an area to the east of the previous boundary.

The northern boundary of the extended conservation area includes the Mote and the properties to the east including Braefoot and Shiloh as far as Ridge House. It continues southwards to include the Sands, and southwest to take in the properties known as The Cottage, Fairhill, Hollygarth and Sandyknowe together with the Wilson Memorial Homes. The southern boundary of the conservation area is now Lovers Lane as far as New Hall. The boundary then runs along Murry Park excluding the premises of West Cumberland Farmers Limited and then south-east to the rear of the terraced houses numbers 1-21 Craw Hall and then returns along Craw Hall joining with the existing conservation area at the telephone exchange. A map showing the amended boundary is availble for inspection at the office of the Director of Planning, 7th Floor, Civic Centre, Carlisle.

In general the effect of designation is to increase the degree of planning control which can be exercised by the Local Planning Authority. When an application for planning permission for development of land in or adjacent to a conservation area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the conservation area the Council is required to advertise the application. With certain exceptions no buildings in a conservation area may be demolished except with the consent of the Local Planning Authority and neither may any tree, which is not already protected by a Tree Preservation Order, be felled or lopped without giving 6 weeks' prior notice to the Council.

Brampton Conservation Area is recognised as outstanding by the Secretary of Starte and projects which result in its enhancement may be eligible for grants under section 10 of the Town and Country Planning (Amendment) Act 1972.

Dated 27th January 1978.

R. Wilson, Clerk and Chief Executive.
