A96 BIN FOREST, NORTH OF HUNTLY, ABERDEENSHIRE
ENVIRONMENTAL IMPACT ASSESSMENT
DETERMINATION UNDER SECTION 55A OF THE ROADS (SCOTLAND) ACT 1984

The Scottish Ministers give notice that they have determined that the project to undertake resurfacing works on the A96 to the north of Huntly, Aberdeenshire is a relevant project within the meaning of section 55A of the Roads (Scotland) Act 1984 ("the 1984 Act") as the works fall within Annex II of Directive 2011/92/EU on the assessment of certain public and private projects on the environment, but that having regard to –

(a) the selection criteria contained in Annex III of that Directive, namely

(i) the use of natural resources, in particular land, soil, water and biodiversity;

(ii) the production of waste;

(iii) pollution and nuisances;

(iv) the risks to human health (for example due to water contamination or air pollution),

(b) the results of the Environmental Screening Assessment under section 55A(2) of the 1984 Act,

(c) the information set out in the Record of Determination dated 14 August 2025, available at https://www.transport.gov.scot/transport-network/roads/road-orders-and-records-of-determination/#63527, the project does not require an Environmental Impact Assessment.

The main reasons for the conclusion that no Environmental Impact Assessment is required are:

(a) The works are not situated in whole or in part in a "sensitive area" as listed under regulation 2 (1) of the Environmental Impact Assessment (Scotland) Regulations 1999 (as amended);

(b) The works will be restricted to the carriageway boundary; and

(c) Any potential impacts of the works are expected to be temporary, short-term, non-significant, and limited to the construction phase.

The features of the project which are envisaged to avoid or prevent significant adverse effects on the environment are:

(a) Mitigation measures and best practice will be implemented to ensure no short-term or long-term significant negative impacts on the environment;

(b) Containment measures of the working area will be in place to prevent debris or pollutants from entering the surrounding environment; and
(c) Measures will be in place to ensure appropriate removal and disposal of waste;

JOHN WOOD GROUP PLC

Company Number: SC036219

NOTICE IS HEREBY GIVEN that, by an order of the Court of Session of Parliament House, Parliament Square, Edinburgh EH1 1RQ, Scotland (the "**Court**") dated 9 September 2025 (the "**Order**"), the Court has directed for a meeting (the "**Court Meeting**") to be convened of the Scheme Shareholders (as defined in the Scheme (defined below)) for the purpose of considering and, if thought fit, approving (with or without modification) a scheme of arrangement proposed to be made pursuant to Part 26 of the Companies Act 2006 (the "**Companies Act**") between John Wood Group PLC (the "**Company**") and its Scheme Shareholders (the "**Scheme**") and that such meeting will be held at Sir Ian Wood House, Hareness Road, Altens Industrial Estate, Aberdeen, AB12 3LE, United Kingdom on 12 November 2025 at 10.30 a.m., at which place and time all Scheme Shareholders are requested to attend.

At the Court Meeting, the following resolution will be proposed:

"THAT the scheme of arrangement dated 11 September 2025 (the "Scheme"), between the Company and the Scheme Shareholders (as each term is defined in the Scheme), a copy of which has been produced to this meeting and, for the purposes of identification, initialled by the Chair of this meeting, in its original form or with or subject to any modification, addition or condition agreed by the Company and Bidco (as defined in the Scheme) and approved or imposed by the Court, be approved and the directors of the Company be authorised to take all such actions as they may consider necessary or appropriate for carrying the Scheme into effect."

A copy of the Scheme and a copy of the explanatory statement required to be published pursuant to section 897 of the Companies Act are incorporated into the circular relating to the Scheme (the "**Circular**"). Unless the context requires otherwise, any capitalised term used but not defined in this notice shall have the meaning given to such term in Circular. The Circular is available, subject to certain restrictions relating to persons resident in Restricted Jurisdictions and Sanctioned Shareholders, from www.woodplc.com/investors/pages/sidara-proposal-2025 and at www.energy-pillar.com.

Subject to certain restrictions relating to persons resident in Restricted Jurisdictions and Sanctioned Shareholders, the Circular will be sent to Scheme Shareholders, in hard copy by post or, depending on Scheme Shareholders' communication preferences, a letter or email will be sent giving details of the website where the Scheme Document may be accessed.

Voting on the resolution shall be by poll which shall be conducted as the Chair of the Court Meeting may determine. By the Order, the Court has appointed Roy Franklin or, failing him, any other director of the Company, to act as Chair of the Court Meeting and has directed the Chair to report the result thereof to the Court. For the Court Meeting (or any adjournment or postponement thereof) to be properly convened, a quorum of two persons entitled to vote on the business to be transacted, each being a Scheme Shareholder, the proxy of a Scheme Shareholder or (where the Scheme Shareholder is a corporation) a duly authorised representative must be present.

Right to Appoint a Proxy; Procedure for Appointment

Scheme Shareholders entitled to attend, speak and vote at the Court Meeting may vote in person at the Court Meeting or they may appoint another person as their proxy to attend, speak and vote in their place. A Scheme Shareholder may appoint more than one proxy in relation to the Court Meeting provided that each proxy is entitled to exercise the rights attaching to a different share or shares held by that Scheme Shareholder. A proxy need not be a member of the Company but must attend the Court Meeting in person in order to represent you and for their vote to be counted.

It is important that, for the Court Meeting, as many votes as possible are cast so that the Court can be satisfied that there is a fair representation of Scheme Shareholder opinion. Scheme Shareholders are strongly encouraged to submit proxy appointments and instructions for the Court Meeting as soon as possible, using any of the methods set out below, to ensure your vote is recorded. Doing so will not prevent you from attending, speaking and voting in person at the Court Meeting if you wish and are entitled to do so. In the event of a poll on which you vote in person, your proxy vote will be excluded.

For the avoidance of doubt, and notwithstanding any other provision contained in this notice, no Sanctioned Shareholder will be entitled to vote at the Court Meeting or appoint a proxy to exercise all or any such Sanctioned Shareholder's right to vote on their behalf at the meeting.

(a) Sending Form of Proxy by post

Please complete and sign the blue Form of Proxy in accordance with the instructions printed thereon and return in the pre-paid envelope to Equiniti, Wood's Registrar, by post to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, United Kingdom, so as to be received as soon as possible and in any event no later than 10.30 a.m. on 10 November 2025 (or, if the Court Meeting is adjourned or postponed, the blue Form of Proxy should be received no later than 48 hours (excluding any part of such 48-hour period falling on a non-working day) before the time fixed for the adjourned or postponed Court Meeting).

If the blue Form of Proxy in respect of the Court Meeting is not received by the relevant time, it may be: (i) scanned and emailed to Equiniti at the following email address: proxyvotes@equiniti.com; or (ii) presented in person to the Equiniti representative who will be present at the Court Meeting, any time prior to the commencement of the Court Meeting (or any adjournment or postponement thereof).

Forms of Proxy returned by email in circumstances other than as set out in the foregoing paragraph will not be accepted.

If you wish to appoint more than one proxy, you may photocopy the Form of Proxy or request a copy by contacting Equiniti, Wood's Registrar, through either of the following methods: (i) by calling on +44 333-207-6535 between 8.30 a.m. and 5.30 p.m. Monday to Friday (except public holidays in England and Wales); or (ii) by submitting a request in writing to Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, United Kingdom, in each case, stating your name, and the address to which the hard copy should be sent.

(b) Electronic appointment of proxies via Equiniti's online facility

As an alternative to completing and returning the printed blue Form of Proxy, proxies may be appointed electronically via Equiniti's online facility by logging on to the following website: www.shareview.co.uk and following the instructions therein. You will need to create an online portfolio using your Shareholder Reference Number on your Form of Proxy. It is important that you register for an online portfolio with enough time to complete the registration and authentication process. Alternatively, if you have already registered with Equiniti's online portfolio service, Shareview, you can appoint your proxy electronically at www.shareview.co.uk by logging in with your username/ID and password. Full instructions are given on the website.

For an electronic proxy appointment to be valid, the appointment must be received by Equiniti no later than 10.30 a.m. on 10 November 2025 (or, in the case of an adjournment or postponement of the Court Meeting, 48 hours (excluding any part of such 48-hour period falling on a non-working day) before the time fixed for the Court Meeting or any adjournment or postponement thereof).

If the electronic proxy appointment is not received by this time, the blue Form of Proxy may be: (i) scanned and emailed to Equiniti at the following email address: proxyvotes@equiniti.com; or (ii) presented in person to the Equiniti representative who will be present at the Court Meeting, any time prior to the commencement of the Court Meeting (or any adjournment or postponement thereof).

Forms of Proxy returned by email in circumstances other than as set out in the foregoing paragraph will not be accepted.

Any electronic communication sent to the Company or Equiniti found to contain a computer virus will not be accepted.

The use of online voting facilities in connection with the Court Meeting is governed by Equiniti's conditions of use as set out at www.shareview.co.uk.

(c) Electronic appointment of proxies through Proxymity

If you are an institutional investor, you may be able to appoint a proxy or proxies electronically for the Court Meeting (and any adjournment or postponement thereof) via the Proxymity platform. This process has been agreed by Wood and approved by Equiniti, Wood's Registrar. For further information regarding Proxymity, please visit https://proxymity.io/.

Before you can appoint a proxy via Proxymity, you must agree to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy on this platform. Proxymity will then contract with your underlying institutional account holder directly, in order to accept their voting instructions through the Proxymity platform.

For an electronic proxy appointment to be valid, your proxy must be received no later than 10.30 a.m. on 10 November 2025 (or, in the case of an adjournment or postponement of the Court Meeting, 48 hours (excluding any part of such 48-hour period falling on a non-working day) before the time fixed for the adjourned or postponed Court Meeting).

If the electronic proxy appointment is not received by this time, the blue Form of Proxy may be: (i) scanned and emailed to Equiniti at the following email address: proxyvotes@equiniti.com; or (ii) presented in person to the Equiniti representative who will be present at the Court Meeting, any time prior to the commencement of the Court Meeting (or any adjournment or postponement thereof).

Forms of Proxy returned by email in circumstances other than as set out in the foregoing paragraph will not be accepted.

(d) Electronic appointment of proxies through CREST

If you hold Wood Shares in uncertificated form through CREST and wish to appoint a proxy or proxies for the Court Meeting (or any adjournment or postponement thereof) by using the CREST electronic proxy appointment service, you may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed any voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the CREST Proxy Instruction must be properly authenticated in accordance with the specifications of Euroclear and must contain the information required for such instructions as described in the CREST Manual (available via www.euroclear.com). The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instructions given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by Equiniti (ID: RA19) no later than 10.30 a.m. on 10 November 2025 (or, in the case of an adjournment or postponement of the Court Meeting, 48 hours (excluding any part of such 48-hour period falling on a non-working day) before the time fixed for the adjourned or postponed Court Meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Equiniti are able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

If the CREST proxy appointment or instruction is not received by this time, the blue Form of Proxy may be: (i) scanned and emailed to Equiniti at the following email address: proxyvotes@equiniti.com; or (ii) presented in person to the Equiniti representative who will be present at the Court Meeting, any time prior to the commencement of the Court Meeting (or any adjournment or postponement thereof).

Forms of Proxy returned by email in circumstances other than as set out in the foregoing paragraph will not be accepted.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed any voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. For further information on the logistics of submitting messages in CREST, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

Wood may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the CREST Regulations.

Voting Record Time

Entitlement to attend and vote at the Court Meeting, or any adjournment or postponement thereof, and the number of votes which may be cast at the Court Meeting will be determined by reference to the register of members of the Company at 6.30 p.m. on 10 November 2025. If the Court Meeting is adjourned or postponed, the Voting Record Time for the relevant adjourned or postponed meeting will be 6.30 p.m. on the day which is two Business Days prior to the date of the adjourned or postponed meeting. Changes to the register of members of the Company after such time will be disregarded in determining the rights of any person to attend and vote at the Court Meeting.

Joint Holders

In the case of joint holders of Scheme Shares, any one such joint holder may tender a vote, whether in person or by proxy, at the Court Meeting. However, where more than one of the joint holders purports to tender a vote in respect of the joint holding, only the purported vote by the most senior holder will be accepted, to the exclusion of the votes of the other joint holder(s). Where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. For these purposes, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding.

Corporate Representatives

As an alternative to appointing a proxy, any Scheme Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all its power as a member, provided that if two or more corporate representatives purport to vote in respect of the same shares, if they purport to exercise the power to vote in the same way as each other, the Chair will treat the power to vote as having been exercised in that way, and in other cases the Chair will treat the power to vote as not having been exercised. The Chair may require a corporate representative to produce to the registrars of the Company at any time before the start of the Court Meeting the corporate representative's written authority to attend and vote at the Court Meeting.

The said Scheme will be subject to the subsequent sanction of the Court.

Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy;

2 The Publisher's policies relating to submission of notice; and

3 Royal Mail general terms and conditions (applicable to Notices Placers utilising the Forwarding Service)

which (as amended from time to time) together govern the submission of Notices.

Notice Placers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Notice Placers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Notice Placers who place Notices and has the authority to refuse to publish Notices from Notice Placers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at www.thegazette.co.uk.

These terms and conditions (**"Terms and Conditions"**) govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website www.thegazette.co.uk (the **"Website"**) or by email, post and/or facsimile, the Notice Placer (as defined below) agrees to be bound by these Terms and Conditions. Where the Notice Placer is acting as an agent or as a representative of a principal, the Notice Placer warrants that the principal agrees to be bound by these Terms and Conditions.

The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Notice Placer, including any principal, agrees to be bound by the revised Terms and Conditions.

For the avoidance of doubt the Royal Mail's terms and conditions above will be read subject to the terms and conditions of this Agreement and the Publisher's own terms referenced above will take precedence. The Publisher is not liable to the Notice Placer for the availability, access and/or any accuracy of any information placed on any third-party website.

1 Definitions

1.1 In these Terms and Conditions:

"Authorised Scale of Charges" means the scale of charges set out at in the printed copy of the Gazette or at www.thegazette.co.uk/place-notice/pricing, as modified from time to time;

"Charges" means the payment due for the acceptance of a Notice by the Publisher payable by the Notice Placer as set out in the Authorised Scale of Charges;

"Forwarding Service" means the postal service provided indirectly via The Royal Mail, in order to use The Gazette's postal box for correspondence in order to prevent a personal address from being publicly and permanently available on the official public record;

"Local Newspaper Notice" means any notice placed in a local newspaper other than The Gazette;

"Notice" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Notice Placer, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions;

"Notice Placer" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal;

"Publisher" means The Stationery Office Limited and or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

"Royal Mail" means the Royal Mail Group Limited.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Notice Placer agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Notice Placer or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Notice Placer.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Notice Placer will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Notice Placer; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Notice Placer.

For the avoidance of doubt, the Notice Placer agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Notice Placer that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Notice Placer accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final and without liability on the part of the Publisher. The Notice Placer must satisfy itself as to the legal, statutory, procedural, and/or data protection requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall use all reasonable endeavours to notify the Notice Placer of any action required to remedy any deficiency and publication shall not take place until the Publisher is reasonably satisfied that such action has been taken by the Notice Placer. Where publication has taken place the Notice placer will be sent communication with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice. The Notice Placer agrees and accepts that the mutual obligations and undertakings under this Agreement are sufficient consideration for the enforceability of these

terms and conditions which the Notice Placer agrees are fair and reasonable.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Notice Placer and/or any third party or in respect of any Notice submitted by any Notice Placer for potential publication in The Gazette, which the Notice Placer warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Notice Placer, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, a Notice Placer is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Notice Placers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Notice Placer and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Notice Placer warrants and undertakes to the Publisher:

11.1 that it has the (legal) right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

The Notice Placer agrees and accepts that the Publisher is reliant upon the services of the Royal Mail in order to deliver the Forwarding Service and accordingly any failure and/or inability of the Royal Mail to deliver the Forwarding Service shall in so far as reasonably possible not put the Publisher to be in breach of this Agreement unless the Publisher was the sole contributory to the breach and/or negligent on its part to properly supervise the Royal Mail in relation to the Services.

13 The Notice Placer agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Notice Placer (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Notice Placer as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Notice Placer shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Notice Placer shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Notice Placer and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at www.thegazette.co.uk and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Notice Placer to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Notice Placer, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from www.thegazette.co.uk, but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Notice Placer acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Notice Placer or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Notice Placer accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Notice Placer accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Notice Placer agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Notice Placer acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the

Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Notice Placer's account related to such authorities and the Notice Placer hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Notice Placer hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Notice Placer expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Notice Placer;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Notice Placer. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Notice Placer (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Notice Placer and/or any third party (including, without limitation, any principal of the Notice Placer) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, which is subject to Clause 12 (above), The Gazette will replace the Notice Placer or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent via Royal Mail from The Gazette to the Notice Placer or executor (if different).

Please be aware that correspondence received by The Gazette's postal box (subject to the final condition of the mail and delivery of the same), will using reasonable endeavours be opened, scanned, and securely stored. The scans will be retained for as long as the service remains (paid for and) in place and for a period of 6 months beyond that time, so that any copies of claims can be requested and communicated to the executor (for example in circumstances where Royal Mail has failed to deliver a claim) and in using this service you are consenting to the provisions of this clause; The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependants) Act 1975. After the 10 months period has lapsed any correspondence received will be posted to the sender where possible and or securely destroyed, and the Notice Placer or executor's name and address details will be removed from the Forwarding Service.

20 The Notice Placer accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Notice Placer in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Notice Placer.

21 Please note that TSO uses Stripe on its eCommerce sites to process credit or debit card transactions. Goods that are out of stock are charged for immediately and despatched when the goods are in stock. By placing an order you agree to this process.

22 If the Notice Placer wishes to make a complaint, all such complaints shall be submitted in writing to customer.services@thegazette.co.uk

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and Wales and the parties hereby submit to the exclusive jurisdiction of the English courts.
