M4 Motorway—A48 Trunk Road Culverhouse Cross to Capel Llanilltern Link

The Secretary of State for Wales hereby gives notice that a scheme is being prepared to link the A48 Trunk Road and the M4 Motorway by a new road running from the Culverhouse Cross Roundabout to a Motorway Interchange at Capel Llanilltern. The purpose of the road is to provide access between the M4 Motorway and the western parts of Cardiff, the Vale of Glamorgan, Barry and Rhoose Airport.

The route proposed generally follows the line of the disused Cadoxton—Trehafod railway running to the east of The Drope and St. Brides Super Ely.

The Secretary of State is of the opinion that a motorway link on the western side of Cardiff is required as quickly as possible and that the route proposed is the only practicable route for this link. Unless public response reveals otherwise he proposes to dispense with the application of the non-statutory procedures for public participation in road planning and to request the Local Planning Authority to protect the route for planning control purposes. He will, in due course, publish his firm proposals as draft Orders under the Highways Acts 1959-1971 to which objections will be invited.

Further information about the proposal including the reasons for the selection of the route, together with plans showing the line thereof, may be seen at all reasonable hours at the Ely Branch Library, Grand Avenue, Ely; the Fairwater Branch Library, Doyle Avenue, Fairwater; the South Glamorgan County Council Offices, Newport Road, Cardiff and the Mid Glamorgan County Council Offices, County Hall, Cardiff or obtained on request from the Welsh Office, Transport and Highways Group, Government Buildings, Ty Glas Road, Llanishen, Cardiff CF4 5PL.

A caravan exhibition at which officials will be available to answer questions will be held from 10 a.m. to 8 p.m. at the following locations in the week beginning 28th November next:

Monday, 28th November—Cavalier Public House Car Park, Michaelston-super-Ely.

Tuesday, 29th November—Plymouth Arms car park, St. Fagans.

Wednesday, 30th November—Sportsmans Rest car park, Peterston-super-Ely.

Thursday, 1st December—Rhydlafar Hospital visitors car park, Rhydlafar.

Friday, 2nd December—Pendoylan School playground, Pendoylan.

Any person who wishes to make any comments or representations about the Secretary of State's proposal to dispense with the public participation procedures should do so by writing to the Director of Transport and Highways, Welsh Office, Transport and Highways Group, Government Buildings, Ty Glas Road, Llanishen, Cardiff CF4 5PL (quoting reference WR11/7/12) not later than 6th January 1978.

M. G. Evans, A Senior Principal Welsh Office.

NOTICE OF PROPOSAL TO VARY LICENCES TO ABSTRACT WATER

Notice is hereby given that the Southern Water Authority propose to vary licences 10/41/431001 and 10/41/431002 which permit abstraction from the River Rother and from underground strata at Hardham, near Pulborough, Sussex. The present licences permit 9 million gallons a day to be abstracted from the river and 8 million gallons a day to be abstracted from 6 boreholes into underground strata, providing the total abstraction from the river and from underground strata do not exceed 14 mgd. Licence 10/41/431001 contains a clause which prohibits abstraction from the River Rother at Hardham when flows are less than 14 mgd and this clause will be retained without alteration.

The proposal is to vary licence 10/41/431001 to permit the increase in the abstraction from the River Rother to 75 megalitres per day (16·6 mgd), and to incorporate three more boreholes into licence 10/41/431002 while retaining the existing authorised abstraction from underground strata. This latter licence will be varied so that the maximum aggregate authorised quantity for the two licences will be increased to 75 Ml/d (16·6 mgd). The additional boreholes are located at TQ 034 168, TQ 032 176 aud TQ 035 177.

The application to vary the river abstraction licence arises from the need to meet increased demands for water in the

Horsham and Crawley areas, and for which an extension to the treatment works is planned, while the application to vary the second licence is to provide for additional short-term capacity as security in the event of unavoidable closure of the river intake treatment plant.

A copy of the proposals and a plan prepared in connection therewith may be inspected free of charge at the offices of the Authority at Guildbourne House, Worthing, West Sussex and the West Sussex Water and Drainage Division, Hurst Road, Horsham, Sussex, at all reasonable hours during the period beginning on 1st December and ending on 31st December 1977.

Any person who wishes to make representations about the proposals should do so in writing to the Chief Solicitor, Southern Water Authority, Guildbourne House, Worthing, West Sussex, BN11 1LD before the end of the said period.

After the expiry of the said period the Authority will be entitled to pass a resolution by virtue of which the proposed variations shall be deemed to be granted, unless the the Secretary of State for the Environment, either in consequence of any representations made with respect to the proposals or otherwise, requires an application for variation to be made to him.
