The Trunk Road (Various Roads Malvern) Prohibition and Restriction of Waiting Order

Proposals to impose waiting, loading and unloading restrictions on the A.449 in Malvern were published by the Department in April 1976. Following the receipt of objections and representations from members of the public and local organisations, careful and detailed consideration has been given to the original proposals and a number of modifications have been agreed with Hereford and Worcester County Council and Malvern Hills District Council. The extent of these modifications is such that it would be necessary to re-publish the proposals and, depending upon public response, for a Public Inquiry to be held.

However it has for some time been the Department's intention to de-trunk this section of road with effect from 1st April 1978. There is now insufficient time remaining for the Department, as Highway Authority, to bring these revised proposals to a conclusion, so that the necessary Orders could be made before de-trunking is due to take effect.

The Secretary of State has therefore decided not to proceed further with the proposed traffic management measures.

Proposals for de-trunking this section of road are being separately advertised.

WEST BERKSHIRE STRUCTURE PLAN

Notice of proposed amendment to the West Berkshire Structure Plan

Notice is hereby given that Berkshire County Council submitted an amendment to the above-named Structure Plan to the Secretary of State for the Environment on 19th December 1977, for his approval. An amendment to this aspect of the Structure Plan has accordingly been made.

Certified copies of the proposed amendments to the Structure Plan have been deposited at the offices of the:

Berkshire County Council,
Alpha House,
120 Kings Road,
Reading;

where they may be inspected free of charge during normal office hours.
