NOTICE is hereby given that FRANCIS CAPPER BROOKE, of Ufford, in the county of Suffolk, Esquire, who died on the 13th January, 1886, by his will, dated the 28th October, 1885, made such dispositions of his mansion house and estate known as Ufford Place and certain other property that, pending an event which may, but probably will not happen, the said properties now stand settled to the use of such person as his Trustees should, in manner by the said will directed, ascertain and determine to have been at the time of the decease of the said Francis Capper Brooke, the heir male of the body of Sir Thomas Brook, Knight, formerly of Holditch Court, who died about the year 1418 and was buried in Thorncombe Church, during his natural life, and from and after his decease, to the use of the first Son of the body of such heir male of the said Sir Thomas Brook to be lawfully begotten and the heirs male of the body of such first Son lawfully issuing, and in default or on failure of such issue to the use of the second, third, fourth, fifth and every other subsequent Son born of the said heir male of the body of the said Sir Thomas Brook lawfully to be begotten according to priority of birth and the several and respective heirs male of their respective bodies lawfully issuing, with divers remainders over; and the said Francis Capper Brooke directed his Trustees, for the purpose of ascertaining the person who should be such heir male of the body of the said Sir Thomas Brook at the time of the decease of the said Francis Capper Brooke, to insert a notice or advertisement in the London Gazette and two of the London daily newspapers, three times in each paper in each year in the course of the three years next after an event which in fact happened on the 25th February, 1930, requiring the person who at the time of the decease of the said Francis Capper Brooke should have been the heir male of the body of the said Sir Thomas Brook or the issue male of such person, forthwith to establish his or their title under the trusts of his will to the said properties; and the said Francis Capper Brooke further directed that the person or persons who should claim to have been the heir male of the body of the said Sir Thomas Brook at the time of the decease of the said Francis Capper Brooke or the issue male of such person or persons should make claim to the said properties by inserting a notice of such his or their claim in the London Gazette and by delivering a copy of such notice signed by him or them or his or their guardian or guardians, committee or committees, to the Trustees for the time being of his will, or by affixing a copy of such notice, signed as aforesaid, to the door of the principal entrance to his said mansion house at Ufford aforesaid.

I, the undersigned, being the Trustee of the said will, hereby give notice accordingly. My address for service of notice of claims is, c/o Corbould Rigby & Co., 1, Henrietta Street, Cavendish Square, London, W. 1, and I shall proceed to deal, in accordance with the provisions of the said will and an Order of the Court made on the 30th July, 1930, with all

claims made in compliance with the aforesaid directions.

It is further provided by the said will that in case the person who, at the time of the decease of the said Francis Capper Brooke, should be the heir male of the body of the said Sir Thomas Brook and the issue male of such person should, for the period of five years next after an event which in fact happened on the 25th February, 1930, neglect or fail to make such claims as aforesaid in manner aforesaid, then and in such case all and every the trusts and provisions thereinbefore declared and contained in favour and for the benefit of such heir male of the body of the said Sir Thomas Brook and the issue male of such person should, from and immediately after the expiration of the said period of five years, be absolutely void and of no effect, and that the trusts and provisions contained in the will to take effect from and after the decease and failure of the issue male of the heir male of the body of the said Sir Thomas Brook should be accelerated and take effect in the same manner as if there was no heir male of the body of the said Sir Thomas Brook nor any issue male of such heir male then living.

Accordingly the last day upon which a claim can be made is the 25th February, 1935, but the will requires claimants to establish their title forthwith, and I, the undersigned, hereby request claimants to make their claims at an early date and to select the alternative of delivering a copy of the notice of claim signed as aforesaid to me at the address above and below mentioned in preference to affixing a copy thereof signed as aforesaid to the door of the principal entrance to the mansion house at Ufford aforesaid. It is imperative for every claimant to insert a notice of his or her claim in the London Gazette and I cannot consider any claim unless it is in the form of a copy of the notice so inserted and signed as aforesaid.
