At the Court at *Buckingham Palace*, the 24th day of *September*, 1946.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 2nd day of August, 1946 (C.W.7901/45), in the words following, viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted *inter alia* that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman or Marine therein shall be paid in such manner and subject to such restrictions conditions and provisions as are from time to time directed by Order in Council:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the stoppage of naval pay and allowances to such Officers and Ratings at our discretion.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"And whereas Order in Council dated the 17th May, 1920, authorises the payment under certain conditions of Tropical Allowance at the rate of 1s. 6d. a day.

"And whereas we are of opinion that Tropical Allowance should be paid in all turrets in any ship which is certified by the appropriate Naval authority to be subject to working conditions not superior to those in the turrets of ships for which it is now authorised, within numbers of the respective classes of ratings which need to be employed for a seven hour day on the work, and that ratings employed as Oilers should be included in those eligible.

At the Court at *Buckingham Palace*, the 24th day of *September*, 1946.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have duly prepared and laid before His Majesty in Council a Scheme bearing date the 27th day of June 1946 in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of his late Majesty King William the Fourth, Chapter 77, and of the Act of the 5th and 6th years of Her late Majesty Queen Victoria, Chapter 26, have prepared and now humbly lay before Your Majesty in Council the following Scheme for authorising certain improvements at the Episcopal House of Residence belonging to the See of Blackburn:

"Whereas the Right Reverend Wilfred, now Bishop of Blackburn, is desirous that certain improvements should be made at the said Episcopal House of Residence and has submitted to us the particulars of such improvements and we have specified our general approval of the same:

"And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the aforesaid improvements a

sum not exceeding £350 (being a sum which together with the outstanding balance of the sum already borrowed under the authority of the statutes hereinbefore mentioned for effecting improvements at the said Episcopal House of Residence does not exceed two years' income of the See) should be provided by way of advance from us, the said Ecclesiastical Commissioners, to be repaid out of the emoluments of the Bishopric of Blackburn.

"Now, therefore, with the consent of the said Wilfred, Bishop of Blackburn (testified by his having affixed his signature and Episcopal Seal to this Scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorised to borrow and that we be authorised to advance such sum not exceeding £350 as may be required for the said works and that the whole or any part or parts of the said sum so to be advanced shall be applied by us at such time or times and in such manner as shall appear to us to be expedient towards effecting the said works, and that the sum or sums so to be advanced by us shall be repaid with interest thereon as hereinafter mentioned, in the manner following, that is to say, during the period of seven years from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, the said Bishop or his successors shall at the end of each twelve months pay to us, the said Ecclesiastical Commissioners, one-seventh part of the total sum advanced by us as hereinbefore recommended and shall also at the same date each year pay interest at the rate of £3 per centum per annum on the said sum or sums so advanced or on so much thereof as shall from time to time remain unpaid:

"Provided that it shall be permissible for us, the said Ecclesiastical Commissioners, to deduct any instalment of principal and any sum due by way of interest from the annual sum payable by us to the said Bishop of Blackburn and his successors as income of the See."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately upon the publication of this Order in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Blackburn.

At the Court at *Buckingham Palace,* the 24th day of *September,* 1946.

PRESENT,

The King's Most Excellent Majesty in Council.

Whereas the Ecclesiastical Commissioners for England have in pursuance of the Union of Benefices Measures, 1923 to 1936, duly prepared and laid before His Majesty in Council a Scheme bearing date the 27th day of June, 1946, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the Union of Benefices Measures, 1923 to 1936, now humbly lay before Your Majesty in Council the following Scheme which we have prepared with the consent of the Right Reverend Christopher, Bishop of Rochester (in witness whereof he has signed the Scheme), for effecting the union of the benefice of Cobham with the benefice of Luddesdowne with Dode both situate in the diocese of Rochester.

"*Scheme*

"1. *Union of Benefices.* The benefice of Cobham and the benefice of Luddesdowne with Dode shall be permanently united together, and form one benefice with cure of souls under the style of 'The United Benefice of Cobham with Luddesdowne and Dode' but the parishes of the said benefices shall continue in all respects distinct.

"2. *Taking effect of Union.* Upon the day when any Order of Your Majesty in Council ratifying this Scheme is published in the London Gazette the union shall forthwith take effect and the Reverend Edward Lanphier Brooke Jones, if he is then incumbent of the said benefice of Luddesdowne with Dode, shall with his consent (testified by his signature hereto), be the first incumbent of the united benefice.

"3. *Parsonage House.* (1) Upon the union taking effect and until the provision at Cobham of a house approved by us or the Governors of Queen Anne's Bounty as suitable to be the house of residence for the incumbent of the united benefice, the house of residence for the said incumbent shall be the parsonage house at present belonging to the said benefice of Luddesdowne with Dode.

"(2) Upon the provision at Cobham of a house as aforesaid the parsonage house at present belonging to the said benefice of Luddesdowne with Dode and the site and appurtenance thereof and the grounds heretofore usually occupied and enjoyed therewith shall then be sold and disposed of by us, the said Ecclesiastical Commissioners, at such time or times and in such manner in all respects as to us shall seem expedient.

"(3) So much (if any) of the net proceeds of such sale as in our opinion, after consulting the Bishop for the time being of the diocese, is, together with other available funds requisite for the purpose, shall be applied by us towards the cost of providing or acquiring at Cobham a house as aforesaid and any balance of such proceeds shall be applied by us as follows, that is to say:—

(*a*) towards the cost of providing or acquiring at Luddesdowne a house suitable to become a curate's residence: or

(*b*) as a fund to be transferred by us to the diocesan board of finance of the diocese to be held by the said board as trustees towards the remuneration of the curate to be employed by the incumbent of the said united benefice in accordance with Clause 5 of this Scheme; provided that we may, with the approval of the bishop for the time being of the diocese, apportion the said proceeds between either of the said objects.

"4. *Patronage.* After the union has taken effect, the right of presentation to the united benefice shall be exercised by the patrons of the two benefices alternately, the patron of the said benefice of Cobham having the first presentation to be made to the united benefice after the union.

"5. *Curate and Curate's Fund.* Upon the union taking effect (i) provision shall be made by the incumbent of the united benefice for obtaining the services of a curate to assist him in the performance of the duties of the united benefice; the curate so employed shall reside in the parish of Luddesdowne unless, pending the provision of a curate's residence at Luddesdowne, the bishop for the time being of the diocese shall for special reasons permit him to reside elsewhere; (ii) a sum sufficient to produce £200 per annum, being part of a sum of money appropriated by the said Governors to the benefice of Luddesdowne with Dode pursuant to the Tithe Act, 1936, shall be appropriated and held by the said Governors as a fund towards the remuneration of the said curate and the income accruing in respect of such fund shall be paid by the said Governors to the said diocesan board of finance as trustees to apply it to the purpose aforesaid."

And whereas the provisions of the Union of Benefices Measures, 1923 to 1936, and the Union of Benefices Rules, 1926 to 1930, relating to the preparation and submission of this Scheme have been duly complied with:

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty by and with the advice of His said Council is pleased hereby to affirm the said Scheme and to order that it shall be and become effectual in law immediately upon the publication of this Order in the London Gazette.

In exercise of their powers under Section 10 of the Schedule to the Electric Lighting (Clauses) Act, 1899, as incorporated with Orders and Special Acts authorising the supply of electricity or under corresponding provisions contained in such Orders or Special Acts and of all other powers enabling them in that behalf, the Electricity Commissioners hereby approve of the system for the supply of energy at low and medium voltages described hereunder and entitled " the standard system of supply " subject to the Electricity Supply Regulations, 1937 (referred to in this Approval as " the 1937 Regulations "), or to any modifications thereof for the time being in force, and subject as hereinafter provided, that is to say:—

Standard System of Supply at low and medium voltages.

1. The standard system of supply for the supply of energy at low and medium voltages shall be as follows, that is to say:—

A. Type of current—Alternating Current.
B. Frequency—50 cycles per second.
C. Voltages—
(a) 240 volts on 2-wire single phase circuits;
(b) 480/240 volts on 3-wire single phase circuits;

(d) 415 volts on 3-wire three phase circuits;

subject to the permissible variations of frequency and voltage for the time being in force under the 1937 Regulations.

Application to new Electrical Systems.

2. In relation to new electrical systems, that is to say electrical systems brought into use on or after the date hereof, the standard system of supply may be adopted by authorised undertakers without further or other authority, and in relation to new electrical systems brought into use or on after the prescribed date, the standard system of supply shall apply to the exclusion of all other systems of supply, save where in any particular case some other system of supply is specifically approved in writing by the Electricity Commissioners.

Application to Non-Standard Electrical Systems.

3. The standard system of supply shall apply to any non-standard electrical system as from the date when the supplies of energy given from the non-standard electrical system are in pursuance of any necessary authorisation in that behalf brought into conformity with the standard system of supply, and to any subsequent additions to the said electrical system.

Revocation of prior approved systems.

4. Without prejudice to anything done or suffered thereunder all prior approved systems in so far as they relate to type of current, frequency and voltage but not further or otherwise shall in relation to new electrical systems be revoked as from the prescribed date and any prior approved system applicable to a non-standard electrical system shall be revoked to the extent aforesaid as and when the non-standard electrical system is brought into conformity with the standard system of supply.

Interpretation.

5. For the purposes of this Approval the following expressions have the meanings respectively assigned thereto:—

"Voltage," "low voltage," "medium voltage," "circuit," "conductors" and "apparatus" have the same meanings as in the 1937 Regulations;

"Prior approved system" means any system of supply for supply at low or medium voltage approved by the Board of Trade or the Electricity Commissioners prior to the prescribed date;

"Non-standard electrical system" means an electrical system from which supplies of energy at low or medium voltage are being given otherwise than in conformity with the standard system of supply.
