BARKING LONDON BOROUGH COUNCIL

The London Borough of Barking and Dagenham (Off-Street Parking Places) Order 1982

Notice is hereby given that the London Borough of Barking and Dagenham propose to make the above-mentioned Order under sections 31 (1) and 84D (1) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968 for the provision of charges for car parks in Barking Town Centre and a revision of the charges for the Heathway Multi-storey car park. The introduction of a pay for parking policy is to regulate and control short and long stay car parking within the Town Centre by persuading commuters and other long term parkers to make greater use of less central parks and to dissuade other parkers from remaining in the central parks for long periods. This will be achieved by a varied tariff structure, which will in turn generate income to off-set revenue expenditure. The Schedule to this notice shows the location of the car parks, the class of vehicle which may use them, the days and times of operation periods for which charges are to be made, the maximum period of waiting and the proposed scale of charges.

The Order will specify the conditions under which the car parks may be used. Full details are contained in the draft Order which, together with a map showing the location of the car parks may be inspected at the Civic Centre, Dagenham or the Town Hall, Barking between the hours of 9 a.m. and 4.30 p.m. on Monday to Friday inclusive.

If anyone wishes to object to the proposed Order, the objection, with the grounds for making it, should be made in writing to the undersigned by not later than 21st July 1982.
