This will enable cyclists to join and leave the cycle track being built along the northern verge of the A1123 between Lowndes Drove and the St. Ives Bypass roundabouts at a point where visibility is good.

The County of Cambridgeshire (Needingworth Road, St. Ives) (Cycle Track) Order 1982 will be made to prohibit motor vehicles from using the cycle track.

2. *Huntingdon—Brampton Road* (*A*141)

It is proposed to convert the footways detailed below to cycle tracks with joint pedestrian use. The proposed lengths will connect Hinchingbrooke Lower School with Brampton and Huntingdon town centre and thus provide a safer route for school children who would otherwise use the busy carriageway.

(*a*) The southern footway from the eastern access to Hinchingbrooke Lower School in an easterly direction to the track along the edge of and across Mill Common which cyclists will be able to use to reach the Pelican Crossing on the Ring Road near Huntingdon bus station.

(*b*) The southern footway from the main entrance of Hinchingbrooke Lower School in a south-westerly direction to the pedestrian subway near Hinchingbrooke Upper School, thus connecting with the existing cycle and pedestrian track to Brampton. At the subway cyclists will have to dismount but channels will be provided so that cycles can be wheeled up and down the steps.
This length of footway is sufficiently wide for the provision of a white line to separate pedestrians and cyclists.

(*c*) The northern footway at Brampton village roundabout from the existing cycle and pedestrian track in a westerly direction for a distance of 176 metres. At this point cyclists can cross the road at a safe distance from the roundabout by making use of the central reserve to reach the proposed cycle track on the southern side.

(*d*) The southern footway from a point 81 metres west of the junction with Church Road (A141) in a westerly direction to Grove Lane.

The County of Cambridgeshire (A141 Huntingdon—Brampton) (Cycle Track) Order 1982 will be made to prohibit motor vehicles from using the cycle tracks.

Plans showing the proposals and copies of the draft Orders may be inspected at the Department of Technical Services, Huntingdon District Council, St. Marys Street; Huntingdon and at the Department of Transportation, Cambridgeshire County Council, Block C, Gloucester Court, Cambridge.

Objections to the proposals must be sent to me in writing not later than 13th August 1982 and must specify the grounds of objection.

Shire Hall, Cambridge.
