BRITISH TELECOMMUNICATIONS

NOTE: The Scheme which follows this Note has been made under section 21 of the British Telecommunications Act 1981 and will come into operation on the 1st April 1983. It amends the Telecommunication Scheme 1981 as amended by the Telecommunication Amendment (No. 1) Scheme 1982, the Telecommunication Amendment (No. 2) Scheme 1982, the Telecommunication Amendment (No. 3) Scheme 1982, the Telecommunication Amendment (No. 4) Scheme 1982, the Telecommunication Amendment (No. 5) Scheme 1982, the Telecommunication Amendment (No. 6) Scheme 1982 and the Telecommunication Amendment (No. 7) Scheme 1983.

The principal amendments are changes to the tariff structure of inland speech band and inland telegraph band private circuits, and changes to certain charges for Radiophones, Radiopaging, Freefone service and external telephone extensions.

(This Note is not part of the Scheme)

TELECOMMUNICATION AMENDMENT (No. 8) SCHEME 1983

Made ... ... 18th March 1983

Coming into operation ... ... 1st April 1983

British Telecommunications, by virtue of the powers conferred upon it by section 21 of the British Telecommunications Act 1981, and of all other powers enabling it in this behalf, hereby makes the following Scheme:

Commencement and Citation

1. This Scheme shall come into operation on the 1st April 1983 and may be cited as the Telecommunication Amendment (No. 8) Scheme 1983.

Interpretation

2.—(1) This Scheme shall be read as one with the Telecommunication Scheme 1981 (hereinafter called "the principal Scheme") as amended by the Telecommunication Amendment (No. 1) Scheme 1982, the Telecommunication Amendment (No. 2) Scheme 1982, the Telecommunication Amendment (No. 3) Scheme 1982, the Telecommunication Amendment (No. 4) Scheme 1982, the Telecommunication Amendment (No. 5) Scheme 1982, the Telecommunication Amendment (No. 6) Scheme 1982 and the Telecommunication Amendment (No. 7) Scheme 1983.

(2) The Interpretation Act 1978 applies for the interpretation of this Scheme as it applies for the interpretation of an Act of Parliament.

Freefone service

3. For paragraphs 73(1) and (2) of the principal Scheme there shall be substituted the following sub-paragraphs:

"73.—(1) The Corporation may, on the application of a subscriber, allocate to a subscriber's installation a Freefone name or number, and any telephone call made from a telephone situated in an area within the limits specified by the subscriber shall be connected to the installation to which the Freefone name or number relates, without charge to the caller.

(2) The subscriber shall pay for the Freefone service the charges specified in item 11 of Schedule 18, in respect of each installation to which the Freefone number relates.".

Rates of rental and maximum connection charges for inland speech band private circuits

4. For Schedule 3 to the principal Scheme there shall be substituted the following Schedule:

"Paragraphs 20, 22 and 23 SCHEDULE 3

RATES OF RENTAL AND MAXIMUM CONNECTION CHARGES FOR INLAND SPEECH BAND PRIVATE CIRCUITS

(exclusive of value added tax)

PART 1

Rates of rental for full time external private circuits

(The rates of rental specified in this Part of the Schedule are annual rates)

No new connections at Tariffs S1, S2, S3, T, O, Y1 and Y2 will be made but these tariffs will continue to apply to their respective circuits already rented or which have been applied for as at 31st March 1983.

The Corporation shall decide in the case of each particular circuit whether an Analogue A or Analogue B rental is appropriate, and such rental shall be charged where the subscriber has applied for service on or after 1st April 1983.

PART 2

Rates of rental for part time external private circuits (Tariff F)

(The rates of rental specified in this Part of the Schedule are annual rates)

1. No new connection at Tariff F will be made but existing subscribers as at the 31st March 1983 may continue to rent circuits at the following rates.

2. Tariff F will apply to a basic point-to-point speech band circuit appropriated for non-continuous use. It will not normally be available between the hours of 9.00 and 13.00 Monday to Friday or at any other times decided by the Corporation. The rental includes the appropriation or supply of necessary equipment and apparatus (including terminal apparatus) except that required for signalling purposes.

3. The rates of rental for a circuit chargeable at Tariff F shall be:

(1) In respect of the parts of the circuit which lie between:

(*a*) the termination of the circuit at one end and the Corporation premises through which the circuit at that end is routed and,

(*b*) the termination of the circuit at the other end and the Corporation premises through which the circuit at the other end is routed:

the appropriate rental prescribed under Tariff S1 in Part 1 of this Schedule as if each of the said parts of the circuit was a separate private circuit appropriated for continuous use.

(2) In respect of the part of the circuit which lies between the respective Corporation premises mentioned in sub-paragraph (1):

the following rental assessed in relation to the period during which the said part of the circuit is appropriated exclusively for the use of the subscriber as a private circuit.
