SOCIAL SECURITY ADVISORY COMMITTEE

SOCIAL SECURITY ADVISORY COMMITTEE

Notice of Submission of Regulations Entitled The Supplementary Benefit (Single Payments) Amendment Regulations 1983.

The Social Security Advisory Committee gives notice that it has been asked by the Secretary of State for Social Services under section 10 of the Social Security Act 1980 to consider and report on regulations entitled the Supplementary Benefit (Single Payments) Amendment Regulations 1983.

A short explanatory note provided by the Department of Health and Social Security on these regulations is appended to this notice. The Committee will take into account any comments or objections made by or on behalf of people or organisations who would be affected by the regulations received by them not later than 20th January 1984. Comments or objections should be sent to Miss G. Moore, the Secretary, Social Security Advisory Committee, Room 458, New Court, Carey Street, London WC2A 2LS. Copies of these regulations can be obtained on request to Mr. M. P. O'Leary, the Assistant Secretary of the Committee (01-831 6111, extension 2636, address as for the Secretary).

J. Moore, Secretary

9th December 1983.

EXPLANATORY NOTE

These regulations amend the Supplementary Benefit (Single Payments) Regulations 1981 so as to provide that supplementary benefit single payments shall not be payable in respect of a medical, surgical, optical, aural or dental need. Weekly payments of benefit in respect of such needs are already excluded under section 1 (3) of the Supplementary Benefits Act 1976 (as amended in 1980), and it had until recently been supposed that this exclusion applied also to single payments. This interpretation was supported by Divisional Court decisions in respect of the pre-1980 legislation. A recent decision of a Tribunal of Social Security Commissioners has, however, established that single payments for medical and similar needs are not in fact precluded under the post-1980 supplementary benefit scheme. These regulations amend the law to restore the position to what it had always hitherto been believed to be and to make it clear that single payments are not payable for these needs.
