Wandsworth Borough Council

TENDERING OF HOUSING MANAGEMENT SERVICES

Wandsworth Borough Council is seeking the views of suitably qualified and experienced providers on the approach to be adopted when housing management services are retendered The current contracts expire on either 31st March 2001 or 31st March 2002

Housing management services in Wandsworth are presently performed by a combination of the in-house managing agent (who holds 41 contracts) and two external managing agents (who between them hold 7 contracts) The contracts were let in two phases and cover in excess of 32,000 properties, of which over 40 per cent are in leasehold ownership The contracts were awarded on a five year term, subject to annual review after the second year The largest contract comprises 3,000 properties, with the smallest consisting of fewer than 300 properties This reflects the Council's aim of grouping property types on a logical basis within contracts and at the same time generating interest from a wide range of potential providers

Managing agents' duties include regular and effective consultation with residents, rent and service charge collection, upholding tenancy and lease conditions, management of repair and maintenance functions (including mechanical and electrical services), management of garages

and store sheds and project controlling major capital and revenue works
Repairs, maintenance and estate services are delivered through a number of different contractors who have successfully tendered for fixed term borough-wide contracts specified by the informed client
The Council is keen to learn the views of suitably qualified and experienced organisations on the existing arrangements and hear their ideas on, for example, the number, size and scope of individual contracts, and the general time-tabling of the retendering exercise
Any interested provider organisations should either write to Roy Evans, Assistant Director of Housing, 17-27 Garratt Lane, London SW18 4AE, or speak to him on 0181-871 6780. (529)
