PETERBOROUGH CITY COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971
TOWN AND COUNTRY AMENITIES ACT 1974

Conservation Areas—Peterborough City Council

Notice is hereby given that the Peterborough City Council in pursuance of their powers under section 277 of the Town and Country Planning Act 1971 (as amended by section 1 of the Town and Country Amenities Act 1974) have designated as Conservation Areas the areas described in the Schedule below.

The purpose of these designations is to conserve and enhance the architectural and historic character of the areas and to ensure that special regard is paid to these qualities when proposals for developments are considered.

The main provisions of the Town and Country Amenities Act 1974 are that with certain exceptions no buildings within Conservation Areas, listed or unlisted, may be demolished without the consent of the City Council and that owners wishing to fell or lop a tree must give notice to the City Council who then have six weeks to decide whether a Tree Preservation Order should be served.

Copies of the maps of the Conservation Areas can be inspected during normal office hours in the City Planning Department at 24 Church Street, Peterborough.
