Now, therefore, Her Majesty, in exercise of the powers conferred on Her by the Naval and Marine Pay and Pensions Act 1865 (1865 c. 73), and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

2. The rates and conditions of award as set out in the Schedules to this Order shall be effective from 14th November 1979.

N. E. Leigh

SCHEDULE I

Pensions for disablement

Gratuities

2. A member of the naval forces, the degree of whose disablement is less than 20 per cent. may be awarded a gratuity in accordance with the appropriate Table in these Schedules.

Allowances for eligible members of the family

3. Where a member of the naval forces is awarded a pension under Clause 1 of this Schedule, allowances in respect of eligible members of his family may be awarded at such proportion of the rates set out in the following table as corresponds to the degree of the disablement on which the pension is based:

TABLE

Eligible Members of the Family	*Rate for 100 per cent disablement (Weekly Rate)*
	£
(1) Wife	0·30
(2) Each child where no allowance under (1) is in issue	0·30

Education allowances

4. A member of the naval forces who is in receipt of a pension under Clause 1 of this Schedule may be awarded an allowance in respect of a child for the purpose of the education of that child if:

(*a*) the child has attained the age of 5 years and is under the age of 15 years; and
(*b*) the circumstances of the family are such as to require it; and
(*c*) the Ministry of Defence is satisfied that the type of education which the child is receiving, or is to receive, is suitable for the child.

The amount of any allowance under this Clause shall be determined by the Ministry of Defence but the total payments made in respect of any period of twelve months shall not exceed £60·00 in respect of any one child.

Allowances for constant attendance

5. Where a member of the naval forces is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is not less than 80 per cent., and it is shown to the satisfaction of the Ministry of Defence that constant attendance on the member is necessary on account of the disablement, he may be awarded an allowance at a rate not exceeding £7·60 per week.

Provided that in an exceptional case of very severe disablement the allowance may, subject to such conditions, as the Ministry of Defence may determine, be increased to a rate not exceeding £15·20 per week.

Exceptionally severe disablement allowance

6. Where the disablement of a member of the naval forces is, and in the opinion of the Ministry of Defence is likely permanently to remain, such that he is, or if he were not in a hospital or other institution, would be in receipt of an allowance for constant attendance under the proviso to Clause 5 of this Schedule, he may be awarded an allowance other than injury benefit or sickness benefit at the rate of £7·60 per week.

Allowances for wear and tear of clothing

7. (*a*) Where a member of the naval forces who is in receipt of a pension under Clause 1 of this Schedule in respect of an amputation regularly wears an artificial limb, he may be awarded an allowance in respect of wear and tear of clothing at whichever of the following rates is applicable:

Allowances for lowered standard of occupation

8. A member of the naval forces who is in receipt of a pension under Clause 1 of this Schedule in respect of disablement the degree of which is less than 100 per cent. who has been compelled, by reason of his disability, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date may be granted at Ministry of Defence discretion a special allowance at a rate not exceeding £7·60 per week, so that the aggregate rate of his pension under Clause 1 of this Schedule together with the allowance under this Clause shall not exceed the rate of award which would have been appropriate in his case under Clause 1 if the degree of his disablement had been 100 per cent.

Treatment allowances

9. (*a*) A member of the naval forces may be awarded in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and any additional allowance which may be appropriate in his case, in accordance with the following provision of this Clause.

(*b*) The personal allowance in respect of the member shall be awarded at the rate of pension which would be appropriate under this Order if the degree of that member's disablement were 100 per cent.

Allowances for part-time treatment

10. Where a member of the naval forces receives treatment which would be treatment as defined in Clause 9 of this Schedule but for the fact that it involves only occasional interruptions of the member's normal employment, a treatment allowance may be awarded to the member at such rate, not exceeding £6·20 a day from 22nd January 1979 and £7·00 a day from 4th February 1980 as the Ministry of Defence may think appropriate having regard to any loss of remunerative time by the member as a result of those interruptions, and provided that the rate of a treatment allowance awarded to a member under this Clause in respect of any period of a week or less shall not exceed the amount by which the weekly value of the member's existing award under this Schedule falls short of the weekly value of the award which would have been appropriate in the case of that member under Clause 9 of this Schedule if he had been eligible for an award under that Clause.

D/NPP/21/7/12

At the Court at
Buckingham Palace the 13th day of February 1980
Present,
The QUEEN'S Most Excellent Majesty in Council

Whereas by Order in Council (13 NPP) of the 1st day of March 1978 new awards in respect of attributable death were introduced for widows and dependants of Hong Kong naval locally engaged ratings expressed in sterling for conversion into Hong Kong dollars, and increased rates for non-attributable death, expressed in Hong Kong dollars, were notified, and it is now expedient that the rates for attributable death should be increased with effect from the 14th day of November 1979 and continue to be expressed in sterling for conversion as aforesaid, and that the rates expressed in Hong Kong dollars for non-attributable death effective from the 1st day of January 1977 specified in Order in Council (63 NPP) of 30th day of March 1977, should be re-enacted without increase:

Now, therefore, Her Majesty, in exercise of the powers conferred upon Her by the Naval and Marine Pay and Pensions Act 1865(1865 c. 73) and of all other powers enabling Her in that behalf, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

1. This Order may be cited as the Naval and Marine Pay and Pensions (Hong Kong Locally Engaged Ratings' Attributable and Non-attributable Death Awards) Order 1980.

2. The rates and conditions of award shall be set out in the Schedule to this Order.

N. E. Leigh

SCHEDULE

Conditions Governing the Award

A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the rating has not been such as, in the opinion of the Defence Council, to justify the award.

If the death of a rating, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced as the Defence Council may determine.

Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

PART I

Where death is attributable to service or where the Hong Kong Locally Engaged Rating was receiving any rate of constant attendance allowance when he died (or would have been receiving it but for the fact that he was in hospital or other institution).

Provided the conditions regarding relationship and age are satisfied, widows and dependents of Hong Kong naval locally engaged ratings may be awarded weekly pensions and allowances as follows:

1. *Weekly Rate of Pension*

	Widows with children or 40 years of age or over or incapacitated	*Any other widow*
	£	£
Fleet Chief Petty Officer	15·23	3·62
Chief Petty Officer	15·18	3·57
Petty Officer	15·15	3·55
Leading Rating	15·13	3·52
Able Rating	15·10	3·50

2. *Weekly Allowance to Elderly Widows*

A widow who receives a pension under Clause 1 above may be awarded an allowance as follows:

	£
Aged 65 but under 70 years	1·48
Aged 70 years or over	2·95

Re-marriage
If a widow of a Hong Kong naval locally engaged rating who has been granted a pension under the terms of this Order in Council re-marries her pension will cease on the date of her re-marriage.

3. *Children*
Weekly allowances for eligible legitimate children may be granted at the discretion of the Defence Council at the following rates:

	If the mother is still living
	£
In respect of each child	5·00
	Motherless children
	£
In respect of each child up to the age of 16 years	5·30

4. An allowance may be made in respect of a motherless child who having attained the age of 18 years is incapable of self-support by reason of infirmity which arose before the normal age limit for pension purposes.

5. *Educational Allowance*
In addition to an allowance under Clause 3 above an allowance not exceeding £60·00 per annum may be granted for the purpose of the child's education provided:
(*a*) the child has reached the age of 5 years, but where the child begins school before the age of 5 years an allowance may be granted from the beginning of the school term in the course of which child attains the age of 5 years;
(*b*) family circumstances are such to require it.

6. *Parents*
If the death of a Hong Kong naval locally engaged rating is accepted as attributable to service his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine provided that:
(*a*) he did not leave a widow or eligible child;
(*b*) the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years (man) or 60 years (woman).

In determining an award account shall be taken of the extent to which the Hong Kong naval locally engaged rating was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely to continue to support them. The weekly rate shall not exceed:

(*a*) where there are two parents	£0·69
(*b*) in single parent cases	£0·50

The grant shall cease on the re-marriage of the grantee under (*b*).

PART 2

Where Death is not Attributable to Service at rates effective from 1st January 1977

1. A gratuity may be granted at Ministry of Defence discretion to widows of Hong Kong naval locally engaged ratings, who die whilst serving in the Roya Navy, on the following scale:

(*a*) Where the rating had 3 or more years' reckonable service, but less than 12 years, a gratuity as follows:

2. For the purpose of assessing pensions of the widows of members of the Maltese Naval Forces, the rank shall be that held by the deceased member prior to the termination of his full pay service.

Rent Allowance

3. A widow who is in receipt of a pension for herself and has a child in her care may be granted a rent allowance at a weekly rate not exceeding £7·59 as the Defence Council may consider appropriate, having regard to her weekly rent and rates. For the purpose of this Clause:

(*a*) "child" means a child who is eligible for an allowance under Clause 16 of this Schedule and any other child who, in the opinion of the Defence Council, having regard to the child's relationship to or connection with the deceased member and the other circumstances of the case should be treated as covered by this provision;

(*b*) "weekly rent and rates" means such sum as the Defence Council may after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount in respect of rent, or the equivalent thereof, and rates, which the widow is paying or providing either directly or indirectly for accommodation for the benefit of herself and the child;

(*c*) "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may include accommodation reasonably required for the storage of furniture.

Where an allowance under this Clause would cease by reason of the death of a child, the allowance may be continued for the period of 26 weeks from the date of the child's death.

Allowance to Elderly Widows

4. A widow who receives a pension under Clause 1 of this Schedule may be awarded an allowance as follows:

In respect of each eligible child ...	6·66	7·00

6. Allowances for eligible illegitimate children may be granted at the discretion of the Defence Council at rates not exceeding those shown in Clause 5 of this Schedule.

7. An allowance may be made in respect of a motherless child who, having attained the age of 18 years, is incapable of self-support by reason of infirmity which arose before the normal age limit for pension purposes, at the rate of £15·38 per week.

Education Allowance

8. In addition to an allowance under Clause 5, 6 or 7 of this Schedule an allowance not exceeding £80·00 a year may be granted for the purpose of the child's education, provided:

(*a*) the child has reached the age of 5 years, but where the child begins school before the age of 5 years, an allowance may be granted from the beginning of the school term in the course of which the child attains the age of 5 years.

(*b*) the circumstances of the family are such as to require it, and

(*c*) in the opinion of the Defence Council the type of education which the child is receiving or is to receive is suitable for the child.

Parents

9. (*a*) if the death of a member of the Maltese Naval Forces is accepted as attributable to service, his parent or parents may be granted an allowance subject to such conditions as the Defence Council may determine, provided that:

(1) he did not leave a widow or eligible child, and

(2) that the parent or parents are in pecuniary need by reason of having reached the age of not less than 65 years in the case of a man, or 60 years in the case of a woman, or infirmity or other adverse condition which is not merely of a temporary character. In determining whether an award shall be made, account will be taken of the extent to which the member was supporting his parents at the time of his death, and the extent to which, if he had not died, he would have been likely, in the opinion of the Defence Council, to support them.

(*b*) The rate of allowance shall be at the discretion of the Defence Council but shall not exceed £0·91 a week where there are two parents and £0·66 a week in single parent cases. Provided that, in exceptional cases, this rate may be increased by a sum not exceeding £0·41 a week where there are two parents and £0·25 a week in single parent cases.

(*c*) A grant shall not be transferable but, if an award has been made to the two parents, payment of the pension may be continued to the survivor at such rate as the Defence Council may determine.

(*d*) A grant shall cease on the re-marriage of the grantee.

SECTION II

CONDITIONS GOVERNING THE AWARD

Pension cannot be claimed as a right

10. (*a*) A pension cannot be claimed as a right, and will not be granted or continued when the applicant is shown to be living with a man as his wife, nor will it be granted if the service of the member has not been such as in the opinion of the Defence Council to justify the award.

(*b*) if the death of a member of the Maltese Naval Forces, or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his own control, any grant which might otherwise be made to his widow or other dependants may be withheld or reduced in amount at the discretion of the Defence Council.

(*c*) If the applicant is granted any other pension or allowance from public funds on account of the service of the deceased, any pension which might otherwise be granted under this Schedule may be withheld or reduced as the Defence Council may determine.

Third Party Compensation

11. If a member of the Maltese Naval Forces is killed or dies in such circumstances that any grant is payable in respect of him under this Schedule and his widow, child or other dependant relative received compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made under this Schedule; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

Effect of Separation on Widow's Pension

12. Subject to any exception which the Defence Council may approve in a particular case, a pension will not be awarded to a widow who was separated from her husband at the time of his death. Should such an exception be approved the award will be at such a rate, and subject to such conditions, as the Defence Council may determine.

Date of Commencement of Pension

13. The date of commencement of pension will be determined according to the circumstances of the case and will normally, if application is not unduly delayed, be the date following the date of cessation of the husband's disablement pension.

Belated Claims

14. If a widow dies before establishing her claim to pension, arrears of pension will not, save in exceptional circumstances, be allowed to her estate.

Remarriage

15. If a widow of a member of the Maltese Naval Forces who has been granted a pension under this Schedule re-marries, her pension will cease on the date of her re-marriage, but at the discretion of the Defence Council, she may then be granted a gratuity equal to one year's pension in full discharge of all claims.

Children

16. (*a*) A "child" for the purposes of the award of a pension under this Schedule means:

(1) A legitimate child of a member of the Maltese Naval Forces; or

(2) a step-child of the member who was mainly dependent on him at the time of his death; or

(3) a child adopted by the member; or

(4) an illegitimate child of the member born before or within nine months after the date on which he sustained the wound or injury, or the date on which he was removed from duty an account of the disease in respect of which his disablement pension was granted, and who was regularly maintained by the member up to the date of his death, or who was the subject of an affiliation order which was in force at the date of his death.

(*b*) A child's pension will normally cease when the child attains the age of 16 years, but may be granted or continued after that age:

(1) If the child continues to receive full-time education, or is a apprentice not receiving more than nominal wages; or (2), if before attaining the age referred to above, the child was, and continues to be, afflicted by mental or bodily infirmity and is therefore incapable of earning his, or her own living, provided the Defence Council considers that the pecuniary circumstances of the child and family are such as to justify the award.

(*c*) A child's pension will be paid to the widow or mother of the child, or other person responsible for the child's maintenance, or to the child direct, as may be decided by the Defence Council.
