The 1977 and 1980 Orders however have been amended in the Order in that a new method of enforcement will be introduced. Instead of the existing "offence" and "excess parking provisions", the Order provides for the payment of a standard parking charge of £3 in every car park included in the Order, such charge not to be payable provided all the conditions of use of the car park are met. It will, however, be an offence not to pay the standard parking charge if it is incurred. In addition certain breaches of the Order where it is not possible or appropriate to use the standard parking charge system remain offences.

A further provision has been included to control the use of car parks by proprietors of hackney carriages and hire vehicles. Free car parks will remain free, provided the conditions of use are complied with. The scale of charges in paying car parks is not increased by the Order.

A copy of the Order may be examined at the offices of the Director of Legal Services, Town Hall, West Street, Gateshead, Monday to Thursday between 8.45 a.m. and 5 p.m. and Friday between 8.45 a.m. and 4.35 p.m.

If you wish to question the validity of the Order or of any provisions contained therein on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1967 as amended or on the grounds that any requirement of that Act or any instrument made under it has not been complied with in relation to the Order you may within 6 weeks from 8th April 1982 apply to the High Court for this purpose.

## MID GLAMORGAN COUNTY COUNCIL

*(Bridge Leading to Gelli Crossing, Ystrad) (Weight Restriction) (Revocation) Order* 1982

Notice is hereby given that the Mid Glamorgan County Council propose to make an Order under sections 1 and 84D of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, Schedule 19 to the Local Government Act 1972 and Schedule 6 to the Road Traffic Act 1974, the effect of which will be to revoke "The Rhondda Urban District Council (Traffic Regulation) Order 1952".

Following the re-construction of the bridge leading to Gelli Crossing this five tons weight restriction is unnecessary and the Order merely regularises the circumstances actually obtaining.

Objections to the proposal together with the grounds on which they are made must be sent in writing to the undersigned by 30th April 1982.
