COVENTRY CITY COUNCIL

City of Coventry (Off-Street Parking Places) No. 39 (Amendment) Order 1982

Notice is hereby given that Coventry City Council propose to make the above-mentioned Order, under sections 31 and 84D of the Road Traffic Regulation Act 1967, as amended, and with the consent of the West Midlands County Council, the effect of which is to amend further the principal Order relating to off-street parking places in the city to provide for the redesignation of the Bishop Street and Bond Street car parks from Group II (Long Stay) to the category of Pay and Display; the charging structure will, however, remain on a Group II basis as is the case for existing central area pay and display car parks (Cheylesmore Surface, Wheatley Street and Grosvenor Road). So far as these car parks, with the exception of Wheatley Street, are concerned, it is also intended to allow multiple visits and visits to more than one car park on one ticket, and to introduce season tickets at an annual cost of £176. As part of the conversion of the Bond Street car park, it is proposed to exclude heavy goods vehicles from that car park.

It is envisaged that, after a suitable period of operation, the future use of the Bishop Street and Bond Street car parks and possibly other car parks throughout the city will be reviewed in the light of experience to provide an assessment of the suitability of pay and display equipment in the context of an evaluation of the most appropriate form of control.

A copy of the draft Order and of the principal Order as amended may be inspected at the Council House (Room 12) during normal office hours.

Any objection to these proposals must be sent to me in writing (quoting Ref. C/RKB) no later than 23rd August 1982.

STAFFORD BOROUGH COUNCIL

ROAD TRAFFIC REGULATION ACT 1967

Proposed Traffic Regulation Orders affecting Stafford Town Centre Traffic

Notice is hereby given that on 29th July 1982 the Stafford Borough Council made the following Orders in exercise of their powers under section 1 (1), (2), (3), (3B) and (6) of the Road Traffic Regulation Act 1967, as amended:

Mill Street, Stafford (Prohibition and Restriction of Waiting) Order 1982;
Mill Street, Stafford (One-Way Traffic) Order 1982;
South Walls and Greengate Street, Stafford (Prohibition of Right Turn) Order 1982;
Greengate Street Service Road (One-Way Traffic) Order 1982;
Greengate Street, Stafford (Bus Lane and One Way Traffic) Order 1982;
Box Junctions Order 1982.

The proposals were necessary to achieve the next phase in the Borough Council's declared Town Centre Pedestrianisation Scheme.

Briefly, the effect of the Orders, which will come into operation on 1st August 1982, will be to prevent access direct to Greengate Street from Bridge Street for all vehicles except buses and pedal cycles; restrict access to that part of the south-bound carriageway of Greengate Street between Tipping Street and Mill Street to buses and pedal cyclists; reverse the one-way traffic flow in Mill Street and impose a one-way traffic flow north-bound on the Greengate Street Service Road. Because of the proposed change in traffic flow in Mill Street minor amendments to the waiting restrictions in that street will be made, but this will not alter the number of parking spaces available.

Copies of the Orders and maps relating thereto are available for inspection, at the Chief Executive's Office, Civic Offices, Riverside, Stafford, where they may be examined during normal office hours.

If you wish to question the validity of the Orders or any provision contained in them on the grounds that they are not within the powers conferred by the Road Traffic Regulation Act 1967, as amended, or on the grounds that any requirement of that Act or any instrument made under it has not been complied with in relation to the Orders, you may within 6 weeks from 29th July 1982 apply to the High Court for this purpose.
