RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 25th January 1984.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 c. 13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th January 1984 and until the coming into operation of a further determination:

I. The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to

borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 am two banking days before credit day;

II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

III. The rates of such interest shall be:

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. My Lords concur.

The Treasury determine the rates of interest accordingly.

THE HIGHWAYS ACT 1980

The Chester-Bangor Trunk Road (Holywell By-Pass and Slip Roads Side Roads) Orders (Variation) Order 198

The Secretary of State for Wales hereby gives notice that he proposes to make an Order under sections 12, 14, 125 and 326 of the Highways Act 1980 having the following effect:

(1) Providing for the variation of the Chester-Bangor Trunk Road (Holywell By-Pass and Slip Roads Side Roads) Order 1981 by the substitution of a new schedule and site plan for the schedule and site plan numbered 1 ("Crossways Junction and Other Alterations") in that Order. The new schedule and site plan contains altered provisions with regard to the works to be carried out in relation to the unclassified roads to Pant Glas and Caerwys and, in particular, provides for those two roads to be connected by a footpath and private means of access crossing the trunk road by means of an over-bridge. Apart from the altered provisions for the unclassified roads to Pant Glas and Caerwys the substituted schedule and site plan otherwise repeats the provisions contained in the replaced schedule and site plan.

(2) Providing for the variation of the Chester-Bangor Trunk Road (Holywell By-Pass and Slip Roads Side Roads) (No. 2) Order 1982 by the deletion from that Order of Schedule 1 and site plan 1 to that Order.

Copies of the draft Order may be inspected free of charge at all reasoanble hours from 27th January 1984 to 9th March 1984 or within 6 weeks from the date of publication of this notice, whichever period shall expire later, at the Welsh Office, Transport, Highways and Planning Group, Government Buildings, Ty Glas Road, Llanishen, Cardiff, and at the offices of Clwyd County Council, Shire Hall, Mold, Clwyd, and Delyn Borough Council, Civic Offices, Coleshill Street, Holywell, Clwyd.

Any person may not later than 9th March 1984 or within 6 weeks from the date of publication of this notice, if such period shall expire later, object to the making of the Order by notice to the Secretary of State for Wales at the Welsh Office, Transport, Highways and Planning Group, Government Buildings, Ty Glas Road, Llanishen, Cardiff CF4 5PL, quoting ref. WR11/1/72 pt 16, and stating grounds of objection. In the preparation of an objection and the statement of grounds of objection, it should be borne in mind that the substance of an objection or representation may be communicated to other people affected by it.

The council are required to pay special attention to the desirability of preserving or enhancing the character or appearance of conservation areas in the exercise of any powers under the Town and Country Planning Act 1971, Part I of the Historic Buildings and Ancient Monuments Act 1953 or the Local Authorities (Historic Buildings) Act 1962.

Any building within a conservation area not being a building falling within any of the exempt categories shall not be demolished without the consent of the council.

Exempted Buildings are listed buildings as defined by the 1971 Act, excepted buildings within the meaning of section 58 (2) of the 1971 Act, and buildings in relation to which a direction under section 277 (*a*) (4) of the 1971 Act, is for the time being in force. The exemption of certain categories of buildings from control of demolition under section 277 (*a*) of the 1971 Act does not affect the provisions of similar legislation controlling demolition of such buildings.

An application for consent to the demolition of such a building shall be made to the council either as a separate application or as part of an application for planning permission to redevelop the site of the building but consent to demolition shall not be taken to have been given as part of planning permission for redevelopment of the site unless the appropriate authority on granting the planning permission states that it includes consent to demolish the building.

Pursuant to section 61 (*a*) of the Town and Country Planning Act 1971, any person wishing to cut down, top, lop, uproot, wilfully damage or wilfully destroy any tree in a conservation area, which is not already included in a tree preservation order, must give the council 6 weeks notice of their intention. Where such work is begun without due notice or without the Council's specific consent within the 6 weeks period, the person concerned will become liable to the penalties applicable to similar contraventions under the tree preservation order and the owner will become liable to replant with a tree of appropriate size and species.

There are certain exceptions to these provisions which, inter alia, exempt trees which are dying or dead or have become dangerous, fruit trees cultivated for fruit production and trees which do not exceed approximately 3 inches in diameter.

A map showing the extent of the conservation area is available for inspection at the Technical Services Department, Planning Division, Regal House, London Road, Twickenham, where further information on this matter may be obtained and to which applications should be addressed.
