Putney Hill, between that and Ponnolla Mella: The advanced Party under Captain Whippey immediately attacked, stormed and took the former, without the Lofs of a Man on our Side: The main Body immediately pushed for the Camp of the Enemy, and came upon them just at Break of Day, whom they fell on, and immediately put to the Route; when they followed them to the Southward as far as Currachee, a finall Fort about One Mile to the Northward of Mihie River; This Post they prefently carried, and turned its Guns upon the Enemy, who were making the bell of their Way towards the River. Saudos Cawn, who made this Post his Head Quarters, quitted and got to a fortified House, and enclosed within Walls, cut out of a Hill, where he, with feveral of his People, made an obitinate Defence; but at last the Roof of the House was set on Fire, which obliged them to quit it, when many were killed endeavouring to make their Escape. Saddos Cawn had secreted himself in Part of the Enclosure, which was Bomb Proof, cut into the Hill, where he and his Family were found; himself had been wounded by a Musquet Ball in the Ancle, and was not able to move. They were all Ancle, and was not able to move. immediately seized, and sent in Prisoners to Tellichelly, with about 1500 Prisoners which had been made during the Morning. There was about 400 of the Enemy killed and drowned. On our Side there was not above 50 killed and wounded, and only One of our Officers hurt, which was Lieutenant Woodington. We took Six Brass Field Pieces, about Sixty Iron Cannon, and Four Mortars, Thirteen Elephants, and a large Quantity of Shot, Powder, Stores, &c. in their Redoubts and Batteries.

The same Evening, about Seven o'Clock, Lieutenant Hodges was sent with a strong Detachment against Fort George, which the Enemy getting Intelligence of, they evacuated the Fort, and he took quiet Pollession of it. About Two o'Clock in the Morning a Body was fent over and took Poffession of Mihie; and another Party, under Captain Whippey, went over and took Possession of Durmapatam, which Island they found deserted by the Enemy. In short, there is not a Man of Hyder's left between Cotta Point five Leagues to the Southward, and to the Northward as far as Cannanore.

was a very complete Business.
