

would bring Destruction and Desolation on the harmless Inhabitants of this Place, we therefore think it prudent, for the Sake of Humanity, and from our Confidence in the Honor and Generosity of the English, to accept of the Terms offered to us, and to deliver into their Hands this Fort and Settlement, with all it's Dependencies, upon the following Conditions, viz.

That Private Property be kept secure to every Individual of this Settlement, whether in or out of the Company's Service; that the Servants of the Company, Civil and Military, be kept in their respective Stations, as far as may be thought necessary for the Administration of Justice; and the Civil Government of the Place, the Governor alone particularly excepted, as the Government must, of course, be vested in the English; that the Military continue to receive their Pay, and are not to be forced into the British Service contrary to their Wishes; and the Civil Servants also to be continued on their present Pay; and such an Allowance made for the Provision of the Governor as His Excellency the Commander of the British Forces may think adequate. The Governor, however, and any other Servants of the Company, shall be permitted to retire from the Service, either to Batavia or elsewhere, whenever a convenient Opportunity shall offer.

Upon these Conditions we, the Undersigned, consent to deliver up Fort Nassau, the Settlement of Banda, and all it's Dependencies, to the Troops of His Britannic Majesty Tomorrow Morning, upon receiving a Copy of this Capitulation, ratified and signed by His Excellency the British Commander. The Keys of all the Publick Property, and all Accounts properly authenticated, shall be immediately delivered over to the British, and the Government entirely vested in them.
