

Monsieur P. M. Gaspard, struck to His Majesty's Ship Clyde.

Her Consort, the Sageffe, of Thirty Guns, availing herself of the Vicinity of the Garrone, had got so much the Start of us that any Pursuit of her would have been unavailing.

The Clyde's Officers and Men conducted themselves much to my Satisfaction; and I received that Support from Mr. Kerr the First Lieutenant, which I was prepared to expect by his animated Conduct in former critical and more trying Situations. He has lost an Eye in a former Action.

The Vestale is from St. Domingo; I find by her Role d'Equipage, that she brought from thence many Passengers, whom she landed at Passage; from which Place she had sailed Two Days on her Way to Rochefort, in Company with the Sageffe, who had lately arrived from Guadaloupe.

Inclosed is a List of the Killed and Wounded.

I have the Honor to be, &c. &c. &c.

CHARLES CUNNINGHAM.
