Admiralty-Office, November 29, 1800.

Copy of a Letter from Captain Frederick Watkins, Commander of His Majesty's Ship Nereide, to Evan Nepean, Esq; dated in Curaçao, 15th October 1800.

S I R,

BE pleased to inform my Lords Commissioners of the Admiralty that I have thought it indispensably necessary to send these Dispatches to England by my first Officer, Lieutenant Paul, to acquaint their Lordships of the Surrender of the valuable Island of Curaçao to His Majesty's Frigate under my Command. I beg Leave to transmit Duplicates of all my Letters to the Right Honourable Lord Hugh Seymour, and the Articles of Capitulation agreed between his Excellency Johan Rudolph Lauffer and myself; as also Inventories of Warlike Stores, Shipping, &c. I hope their Lordships will sanction my Conduct in taking Possession of this central and valuable Island in His Majesty's Name.

Lieutenant Paul I cannot recommend in too strong a Language to their Lordships, for his zealous Exertions during the whole of the Siege: and for any further Information he is perfectly able to describe every Thing their Lordships may be desirous of knowing respecting Curaçao.

I have the Honor to be, &c.

FRED. WATKINS.

His Majesty's Ship Nereide, off Amsterdam, Island of Curaçao, 11th September 1800.

MY LORD,

I Wish not to lose a Moment in sending a fast sailing Vessel to inform your Lordship, that the Island of Curaçao has claimed the Protection of His Britannic Majesty. I have in consequence felt it my Duty to take Possession of it in his Name.

I am now running for the Harbour, as it is absolutely necessary to lose no Time to save the Island from the Enemy, who threaten to storm the principal Fort To-night; but I trust the Nereide's Assistance will be the Means of frustrating the Enemy's Views, and saving a most valuable Colony for His Majesty.

I compute the Force of the French to be about Fifteen Hundred now in Possession of the West Part of the Island, but no strong Post of any Consequence to prevent my holding the Forts commanding Amsterdam, until I am honoured with an Answer from your Lordship.

There is great Property afloat belonging to the Spaniards.

Lieutenant Paul will have the Honor of delivering this Dispatch to your Lordship, of whose Exertions and Zeal for the Service I cannot speak in too strong Terms.

I have the Honor to be, &c. &c. &c.

(Signed) F. WATKINS

*The Right Hon. Lord Hugh Seymour,
&c. &c. &c.*

His Majesty's Ship Nereide, off Amsterdam, September 14 1800.

MY LORD,

SINCE sending my last Dispatch of the 11th Instant, Governor Johan Rudolph Lauffer has finally surrendered the Island of Curaçao and its Dependencies to His Majesty's Arms.

Enclosed I have the Honor of transmitting to your Lordship a Copy of the Terms of Capitulation.

I have the Honor to be, &c.

FRED. WATKINS.

*The Right Hon. Lord Hugh Seymour,
&c. &c. &c.*

ARTICLES of CAPITULATION agreed between Frederick Watkins, Esq; Captain of His Britannic Majesty's Ship Nereide, now lying off the Harbour of Curaçao; and Johan Rudolph Lauffer, Governor (interim) of the said Island, and its Dependencies, and Commander in Chief of all the armed Force of the said Island; namely, That the said Island of Curaçao and its Dependencies shall surrender and be placed under the immediate Protection of His Britannic Majesty, in Conformity to the following Articles, viz.

Art. I. The Island of Curaçao and its Dependencies shall be placed under the Protection of His Britannic Majesty, and shall peaceably and quietly submit to the Government of His said Majesty.

Answer.—Agreed to.

Art. II. The Inhabitants of this Island and its Dependencies shall enjoy perfect Security in their Persons and Properties, and the full Exercise of their Religion, except such as shall appear to belong to the Subjects of the Powers now actually at War with Great Britain; such Property only excepted as was on board the Vessels in the Harbour on the 10th Instant.

Answer.—Agreed to.

Art. III. All Ships and Vessels of War that may be in the Harbour, and all Artillery, Warlike Stores, Ammunition, &c. that may be found in the Forts and public Magazines, and all Property of whatsoever Nature it may be, belonging to the Batavian Republic, shall be delivered up to His Britannic Majesty in the State in which they now are, and Officers shall be appointed on each Side by the joint Parties to take Inventories thereof.

Answer.—Agreed to.

Art. IV. All Debts due by the Government of this Island shall be punctually paid out of the Revenue of the said Island.

Answer.—Agreed to.

Art. V. No Alteration shall be made in the established Laws of the said Island; except that in future such might be found necessary for mutual Benefit or Safety, and which must be regulated by the Concurrence of both Parties.

Answer.—Agreed to.

Art. VI. During the Time this Island may remain under the Protection of His Britannic Majesty, or in case this Island and its Dependencies should, at the Conclusion of the War, remain in the Possession of Great Britain, the Inhabitants of the said Island and its Dependencies shall enjoy the same Rights

and Privileges of His Majesty's Subjects in the West Indies.

Answer.—Agreed to.

Art. VII. The Laws heretofore observed respecting Property shall remain in full Force.

Private: As it is impossible for the Inhabitants of the said Island, and its Dependencies, to subsist without a free Intercourse with the Spanish Main, the Ports of Curaçao and its Dependencies shall be open to all Spanish Vessels.

Answer.—Agreed to be allowed the same free Trade as the Island of Jamaica.

Signed, sealed, and ratified in the Presence of Cornelius Spencer and E. A. Van Eck, on the Part of Johan Rudolph Lauffer; and in the Presence of John Lewis March, on the Part of Frederick Watkins; at the Port of Amsterdam, in the Island of Curaçao, this 13th of September 1800.

(Signed) JOH. RUD. LAUFFER.
FRED. WATKINS.
WM. RIDLEY, Secretary.

His Majesty's Ship Nereide, Curaçao Harbour, 23d September 1800.

MY LORD;

I Have now the Satisfaction to inform your Lordship that the English Colours are flying in this Island, and that I have entered this Harbour in consequence of the total Evacuation of the French Forces last Night. I am now arranging Affairs in such a Manner as to tranquilize the Minds of the Inhabitants, restore perfect Peace, in the Name of His Majesty, in this valuable Island. I have been received with great Faith, and will do my utmost in establishing the Security of the principal Forts till I receive your Lordship's Answer for my further Conduct. Enclosed I have the Honor of transmitting to you an Inventory of Warlike Stores, Ammunition, &c. in the Garrison, except those lately in Possession of the Enemy, which I have not yet received the regular Returns of, but have given the necessary Orders. It was my Intention to have sent any farther Dispatch to your Lordship by the remaining Lieutenant, Mr. James Hodgson; but, as I do not exactly conceive myself in a perfect State of Safety, without having perfect Possession of the principal Forts which commands the Town, I have appointed him, with a Party of my own Men, to that Command: his Zeal, Bravery, and universal steady Conduct in any Service he is ordered on, makes my Mind perfectly easy in doing so: he has been of the utmost Service in a new erected Battery in annoying the Enemy, and indeed may be considered the principal Cause of their Retreat. Lieutenant Fitton, commanding the Active Tender, I have much Pleasure in recommending to your Lordship's Notice, from his Activity and spirited Conduct since he has joined me. From him, my Lord, you will receive material Information as to all Situations of the Island and its valuable Harbour.

I have the Honor to be, &c. &c. &c.

(Signed) F. WATKINS.

As several Artificers and Manufacturers, Subjects of Great Britain, have, from Time to Time, gone into Foreign Countries to exercise their several Callings, contrary to the Laws of these Kingdoms, the following Abstracts of Acts of Parliament of Their late Majesties King George the First and Second, and of His present Majesty, for preventing such Practices, are published, for the Information of all Persons who may be ignorant of the Penalties they may incur by Disobedience to them: And it will be observed, that such Penalties likewise extend to those who are any ways concerned or instrumental in the Sending or Enticing Artificers or Manufacturers out of these Kingdoms, or in the Exportation of the Tools and Instruments used by them, as well as to the Artificers or Manufacturers themselves.

Statute 5 George I. Chap. 27.

IF any Person shall contract with, entice, or solicit, any Artificer in Wool, Iron, Steel, Brass; or other Metal, Clock-maker, Watch-maker, or any other Artificer of Great Britain, to go into Foreign Countries out of the King's Dominions, and shall be convicted thereof, upon Indictment or Information in any of the Courts at Westminster, or at the Assizes or Quarter Sessions, he shall be fined any Sum not exceeding ONE HUNDRED POUNDS for the first Offence, and shall be imprisoned Three Months, and till the Fine be paid. And if any Person having been once convicted shall offend again, he shall be fined at the Discretion of the Court, and imprisoned Twelve Months, and till the Fine be paid.

If any of the King's Subjects, being such Artificers, shall go into any Country out of His Majesty's Dominions, to exercise or teach the said Trades to Foreigners; and if any of the King's Subjects in any such Foreign Country, exercising any of the said Trades, shall not return into this Realm within Six Months after Warning given by the Ambassador, Minister, or Consul of Great Britain, in the Country where such Artificers shall be; or by any Person authorized by such Ambassador, &c. or by one of the Secretaries of State, and from henceforth inhabit within this Realm; such Persons shall be incapable of taking any Legacy, or of being an Executor or Administrator, or of taking any Lands, &c. within this Kingdom, by Descent, Devise, or Purchase, and shall forfeit all Lands, Goods, &c. within this Kingdom, to His Majesty's Use, and shall be deemed Alien, and out of His Majesty's Protection.

Upon Complaint made, upon Oath, before any Justice of Peace, that any Person is endeavouring to seduce any such Artificer, or that any such Artificer hath contracted or is preparing to go out of His Majesty's Dominions, for the Purposes aforesaid, such Justice may send his Warrant to bring the Person complained of before him, or before some other Justice; and if it shall appear by the Oath of One Witness, or by Confession, that he was guilty of any of the said Offences, such Justice may bind him to appear at the next Assizes or Quarter Sessions: And if such Person shall refuse to give Security, the Justice may commit him to Gaol till the next Assizes or Quarter Sessions, and until he shall be delivered by due Course of Law. And if any

such Artificer shall be convicted, upon Indictment, of any such Promise, Contract, or Preparation to go beyond the Seas, for the Purpose aforesaid, he shall give such Security to the King not to depart out of His Majesty's Dominions, as such Court shall think reasonable, and shall be imprisoned till Security given.

If any of the above Offences shall be committed in Scotland, the same shall be prosecuted in the Court of Justiciary or the Circuits there.
