AT the Court at the *Queen's Palace*, the 16th of August 1809,

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS His Majesty was pleased by His Order in Council, bearing Date the Twelfth of April One thousand eight hundred and nine, to authorize the Governors and Lieutenant-Governors of His Majesty's Islands and Colonies in the West Indies, (in which Description the Bahama Islands and the Bermuda or Somer Islands were included,) and of any Lands or Territories on the Continent of South America to His Majesty belonging, to permit for Twelve Months from the Date of the said Order, subject to be sooner terminated, varied, or altered, in any Ships or Vessels belonging to the Subjects of any State in Amity with His Majesty, the Importation into the said Islands, Colonies, Lands and Territories respectively, of certain Articles enumerated in the said Order, being the Growth or Produce of the Country to which such Ship or Vessel importing the same should belong, and also the Exportation from the said Islands, Colonies, Lands and Territories respectively, into which the Importation of Staves, Lumber and Provisions shall be made, of Rum and Molasses, and of any other Articles, Goods and Commodities whatsoever, except Sugar, Indigo, Cotton Wool, Coffee and Cocoa; provided that such Ships or Vessels should duly enter into, report, and deliver their respective Cargoes, and reload at such Ports only where regular Custom-Houses should have been established.

But His Majesty, with the Advice of His Privy Council, was thereby further pleased to order, that nothing therein contained should be construed to permit, after the First of November One thousand eight hundred and nine, the Importation of Staves, Lumber, Horses, Mules, Asses, Neat Cattle, Sheep, Hogs, Poultry, Live Stock, Live Pro-

visions; or any Kind of Provisions whatsoever, into any of the said Islands, Colonies, Lands, or Territories in which there should not be, at the Time when such Articles should be brought for Importation, a Tonnage Duty of not less than Five Shillings per Ton on every Ship or Vessel bringing the same, according to the Admeasurement of such Ship or Vessel; nor to permit, after the First July One thousand eight hundred and nine the Importation of Fish into any of the said Islands, Colonies, Lands, or Territories in which there should not be, at the Time when such Fish should be brought for Importation, a Duty of not less than One Shilling Sterling per Quintal on Dried or Salted Cod, or Ling Fish, cured or salted; and a proportionate Duty per Barrel on Cured or Pickled Shads, Alewives, Mackerel, or Salmon, so imported; and also a Tonnage Duty to the Amount above mentioned on every Ship or Vessel bringing such Fish, according to the Admeasurement of such Ship or Vessel.

And whereas it has been represented, that the Legislature of the Island of Jamaica have passed an Act, imposing the Duties hereinafter mentioned on the Vessels and Produce of the United States of America imported into that Island, in Addition to another Law in force in the said Island, laying a Duty of Two Shillings Sterling per Quintal on Cod Fish, and a proportionate Duty per Barrel on Pickled Shads, and other Pickled Fish so imported from the United States.

Which New Duties are as follows:

	Current Money of Jamaica.
On the Vessels, per Ton,	£ 6 8
On Wheat Flour per Barrel, not weighing more than One Hundred and Ninety-six Pounds Net Weight,	0 6 8
On Bread or Biscuit of Wheat Flour, or any other Grain, per Barrel, not weighing more than One Hundred Pounds Net Weight,	0 3 4

Current Money
of Jamaica.

On Bread, for every Hundred Pounds made from Wheat or any other Grain whatever, imported in Bags, or other Packages than Barrels, weighing as aforesaid,	£ 3 4
On Flour or Meal made from Rye, Pease, Beans, Indian Corn, or other Grain than Wheat, per Barrel, not weighing more than One Hundred and Ninety-six Pounds,	0 3 4
On Pease, Beans, Rye, Indian Corn, Callivancies, or other Grain, per Bushel,	0 0 10
On Rice, for every One Hundred Pounds Net Weight,	0 3 4
And so in proportion for a less or larger Quantity.	
On Shingles, called Boston Chips, not more than Twelve Inches in Length, per Thousand,	0 3 4
On Shingles, being more than Twelve Inches in Length, per Thousand,	0 6 8
For every Twelve Hundred (commonly called One thousand) of Red Oak Staves,	0 15 0
For every Twelve Hundred (commonly called One Thousand) of White Oak Staves, and for every One Thousand Pieces of Heading,	0 15 0
For every One Thousand Feet of White or Yellow Pine, Lumber of all Descriptions,	0 10 0
For every Thousand Feet of Pitch Pine Lumber,	0 15 0
For all other Kinds of Wood or Timber not before enumerated,	0 15 0
For every One Thousand Wood-Hoops,	0 5 0
And in Proportion for a less or larger Quantity of all and every the Articles enumerated.	
Horses, Neat Cattle, or other Live Stock, or other Goods, Wares, and Merchandize whatsoever, which by Law may be imported into Jamaica from the United States of North America, not before enumerated and taxed, for every One Hundred Pounds of the Value thereof, at the Port or Place of Importation,	10 0 0

And whereas the Tonnage Duty of Six Shillings and Eight Pence current Money of Jamaica, is not equal to Five Shillings British, required by the said Order to be imposed on Vessels importing such Articles as aforesaid, but such Deficiency in the Tonnage Duty appears to be fully compensated by the Duties

as aforesaid, imposed on the Articles imported in such Vessels; His Majesty, by and with the Advice of His Privy Council, is thereupon pleased to authorize the Governor and Lieutenant-Governor of the said Island of Jamaica, and the Governors and Lieutenant-Governors of all His Majesty's Islands and Colonies in the West Indies, (including therein the Bahama Islands and the Bermuda or Somer Islands,) and of any Lands or Territories on the Continent of South America to His Majesty belonging, in which Duties, equal in Amount, when taken together, to those imposed as aforesaid, by the Legislature of the Island of Jamaica have been or shall be granted on the Importation of the several Articles specified in the said Order of the 12th of April, and on the Vessels importing the same, to permit notwithstanding any Thing in the said Order of the 12th of April last, the Importation and Exportation into and from the said Islands, Colonies, Lands, and Territories of the several Articles mentioned and permitted in the said Order of the 12th of April last, for the Period thereby allowed, subject to be sooner determined, varied or altered as therein expressed.

Steph. Cottrell.

Whitehall, August 26, 1809.

The King has been pleased to grant the Dignities of Baron and Viscount of the United Kingdoms of Great Britain and Ireland unto the Right Honourable Sir Arthur Wellesley, Knight of the Most Honourable Order of the Bath, and Lieutenant-General of His Majesty's Forces, and to the Heirs Male of his Body lawfully begotten, by the Names, Styles, and Titles of Baron Douro of Wellesley, in the County of Somerset, and Viscount Wellington of Talavera, and of Wellington, in the said County.

Downing Street, August 26, 1809.

A DISPATCH, of which the following is a Copy, has been received from Major Maxwell, of the Royal African Corps, addressed to Lord Viscount Castlereagh, one of His Majesty's Principle Secretaries of State.

My Lord, Senegal, July 18, 1809.

WHEN I had last the Honour of writing to Your Lordship, I communicated such Information as I had received concerning the Situation of the French Colony of Senegal, and my Opinion of the Practicability of reducing it with a small Force; I also mentioned the Annoyance we had received at Gorée and its Vicinity, from their Privateers, during the Absence of Ships of War from that Station.

On the 24th June, Commodore Columbine arrived at Gorée with the Solebay Frigate, and Brig Tigress, having the Colonial Schooner George, Agincourt Transport, and several Merchant Vessels under Convoy, and having communicated to him what Intelligence I had lately obtained, we thought the Reduction of Senegal practicable with the Force we possessed, provided no Obstacles should prevent our being able to pass the Bars at the Mouth of the River.

To this Attempt I was induced by Considerations which I trust Your Lordship will conceive to be of Weight. I was of Opinion that the Colony of itself would be an Acquisition of Importance to the Nation, from its Commerce; that by the French Government as it had always been much valued, its Loss would be proportionally felt; and that by driving the Enemy from their sole Possession on the Coast, His Majesty's Settlements, and the British Commerce, would be more secure, and more easily protected.

Having therefore procured some light Vessels and Boats, the best adapted for passing the Bar, a Detachment of the Garrison of Gorée, consisting of 6 Officers, 6 Serjeants, 4 Drummers, and 150 Rank and File, was embarked on board the Agincourt Transport on the 4th of July, when we sailed, and anchored at the Bar on the Evening of the 7th.

Next Morning Commodore Columbine was of Opinion the Troops might be passed over the Bar, which was accordingly effected, through much Difficulty by the Exertions of the Navy. We unfortunately, however, lost a Schooner and Sloop, containing much of our Provisions and Ammunition, and the Schooner George went on Shore inside the Bar. I landed the Detachment, and 60 Royal Marines from the Ships of War, on the Left Bank of the River, where I took up a Position, with a View to wait till Provisions could be passed from the Shipping, and the Schooner George could be got off. We then learnt that the Enemy had made a formidable Line of Defence at the Post of Babagué, twelve Miles up the River, where there is a Battery, in Front of which Three Cannoniers, and Four other Vessels were moored, and the whole protected by a strong Boom drawn across the River. On the 9th we were attacked, but speedily repulsed the Enemy, and drove them within their Line at Babagué; after which we returned to get off the Schooner, which was effected on the following Evening.

The 11th was employed in re-fitting the Schooner, and embarking Provisions and Water. The Solebay Frigate, and Derwent Sloop of War, were ordered to anchor opposite to the Post of Barbagué, and bombard it, which was executed with much Effect. During the Night, in shifting her Birth, the Solebay unfortunately got aground, but in a Position which enabled her still to annoy the Enemy. On the Morning of the 12th the Troops were embarked, and the Flotilla proceeded up the River, till just without Gun-shot of the Enemy's Line of Defence, and when every Thing was in Readiness for a Night Attack, we received Information that it was the Intention of the French Commandant to capitulate.

Willing to spare an unnecessary Effusion of human Blood, the Attack was postponed. On the Morning of the 13th we discovered that the Boom was broken, that the Enemy had abandoned the Battery and Vessels, leaving their Colours flying, and shortly afterwards a Letter was received from Messrs. Degriigny and Durecu in the Name of the Commandant of Senegal, offering to capitulate. Mr. Heddle, Surgeon to the Forces, who had acted as my Aid-de-Camp during the Campaign, was sent forward to treat with these Gentlemen, and soon returned with the Articles of Capitulation, which I enclose, and which we ratified. I immediately took Possession of the Battery of Ile aux

Anglois, and in the Course of the Evening of the Battery of Guelendar facing the Town.

Next Morning the Garrison laid down their Arms, and were embarked. We then found that the Force which had been employed against us amounted to 160 regular Soldiers, and 240 Militia and Volunteers. We had no reason, however, to count on much Opposition from the latter Part of the Enemy's Force.

In accomplishing this Service, the Officers and Soldiers of the Army were anxious to equal their Brothers of the Navy, who on all Occasions distinguish themselves. I feel much Satisfaction in having enjoyed the Confidence of Commodore Columbine, whose Exertions and Ability contributed so effectually to our Success. I beg to bear Testimony to the indefatigable and zealous Exertions of Captain Titley, Lieutenant Bones, and the other Officers of the Royal Navy and Marines.

My warmest Acknowledgements are due to Mr. Heddle for his zealous and spirited Conduct. His Ability in procuring Intelligence of the State and Condition of the Enemy, added to his local Knowledge, have tended, in an infinite Degree, to effect the Acquisition of this Colony, and I am desirous to recommend him to your Lordship's Notice. This Officer, with Mr. Assistant Commissary Hamilton, had the Goodness to assist me during the Campaign in conveying my Orders to the Troops.

I have to lament the Death of an old Soldier, Lieutenant Simpson, who died on the Field from Fatigue, in the Affair of the 11th; on which Day we had only One Man wounded. The Enemy had One killed and Two wounded.

I enclose Returns of the Ordnance and Stores found in this Colony, and of the Vessels captured at Babagué.

I beg leave to mention that Captain Cdlum, who carries this Dispatch, is a deserving Officer, and to recommend him to your Lordship's Notice.

I have the Honour to be, &c.

C. W. MAXWELL, Major of the Royal African Corps.

Admiralty-Office, August 26, 1809.

A LETTER has been received at this Office,
from Captain Columbine, late Commander of
His Majesty's Ship the Solebay, addressed to the
Honourable William Wellesley Pole, and dated on

board the Derwent Sloop, off Senegal, the 20th July 1809, giving an Account of the Surrender of that Settlement to His Majesty's Arms. Some Depredations having been committed on the Trade in the Neighbourhood of Senegal, by small Privateers fitted out there, Captain Columbine, and Major Maxwell, commanding the Garrison at Goree, determined to make an Attack upon the Place, and proceeded against it on the 4th July, with the Solebay, Derwent Sloop, and Tigress Gun Vessel, and some Merchant and smaller Vessels, having on board a Detachment of One Hundred and Sixty Men from Goree. The Enemy at first appeared disposed to offer some Resistance, but the Detachment being landed, together with One Hundred and Twenty Seamen and Fifty Marines, the Enemy's Force consisting of One Hundred and Sixty Regulars, and Two Hundred and Forty Militia retreated, and on the 13th a Capitulation was signed, by which the Island of St. Louis, and its Dependencies, were surrendered to the British Forces, the Garrison being conveyed to France as Prisoners of War, not to serve against His Majesty or His Allies, until regularly exchanged.

The only Loss sustained by the English on this Service, has been that of Captain Frederick Parker, of the Derwent, Mr. Francis Atterbury Sealy, Midshipman of that Sloop, and Six Seamen, drowned in attempting to cross the Bar of Senegal.

Captain Columbine speaks in high Terms of the Conduct of the Officers and Men employed on the Occasion.

On the 11th July, the Solebay in moving up the River, got on Shore and was wrecked, all her Men and Part of the Stores were saved.

Admiralty-Office, August 26, 1809.

Copy of a Letter from Vice-Admiral Sir James Saumarez, Bart. and K. B. Commander in Chief of His Majesty's Ships and Vessels in the Baltic, to the Honourable W. W. Pole, dated on board the Victory, off Nargen Island, 31st July 1809.

SIR,

HEREWITH enclose, for the Information of my Lords Commissioners of the Admiralty, a Letter I have received from Captain Charles Dudley Pater of His Majesty's Ship Princess Carolina, dated off Aspo, the 26th Instant, acquainting me with his having directed an Attack to be made by the Boats of His Majesty's Ships named in the Margin*, under his Orders, which were placed under the Direction of Captain Forrest (who very handsomely offered to command the Enterprize) on a Flotilla of Four of the Enemy's Gun Boats, and a Brig in the Neighbourhood of Aspo, which was attended with the greatest Success; Three of the Gun Boats carrying Two long Eighteen-Pounders, and an armed Brig under His Imperial Russian Majesty's Colours, having been captured.

The undaunted Bravery displayed by Captain Forrest, the Officers and Men employed under his Orders, is beyond all Praise.

The Gun Boats have been lately built upon a new Construction, and being extremely well adapted for the Service in the Great Belt, I have directed them

* Princess Carolina, Minotaur, Cerberus, Prometheus.

to be surveyed, and I propose to place them under the Orders of Rear-Admiral Dixon, which I hope will meet their Lordships' Approbation.

Herewith I enclose Captain Forrest's Letter, the Returns of Killed and Wounded in the Boats of His Majesty's Ships, and the Loss sustained by the Enemy, together with a List of the Armed Vessels captured in the above Attack, which you will also be pleased to lay before their Lordships.

I have the Honour to be, &c.

(Signed) JAS. SAUMAREZ.

SIR, *Princess Carolina, Aspo, July 26, 1809.*

HAVING been informed that the Enemy had at this Place several Gun Boats to protect their Coasting Trade, which is of the greatest Consequence in supplying their Army, &c. in all Parts of Finland, and it having been represented to me by Captain Forrest the Probability of their being destroyed, himself having offered in the most handsome Manner to command the Expedition, which I immediately accepted, and having directed all the Boats of His Majesty's Ships Princess Carolina, Minotaur, Cerberus, and Prometheus, (in all Seventeen) armed in the best possible Way to put themselves under the Command of Captain Forrest, and to assemble on Board the Prometheus at Six o'Clock Yesterday Evening, I have now the Happiness to inform you of a successful Attack he made last Night about Half-past Ten o'Clock, on Four Gun Boats, Three of which he has captured, and a new Brig laden with Provisions: the Gun Boats had on Board in all One Hundred and Thirty-seven Men, besides Twenty-three in the Brig. They are very complete, and well found, which I intend sending to you by the Minotaur.

Inclosed I have the Honour to transmit Captain Forrest's Letter on this Subject, wherein he speaks in the highest Terms of the spirited Conduct of all the Officers and Men employed on this Occasion. Were it possible for me to say any Thing which could add to the meritorious Conduct of so gallant and good an Officer as Captain Forrest, I should most willingly do it; but I trust the Success of this brilliant Action will do more Justice to the Intrepidity of every Officer and Man employed on this Service than any Language I can possibly use.

I also beg to inclose for your Information a List of Killed and Wounded.

I have the Honour to be, &c.

CHA. DUDLEY PATER.

Sir James Saumarez, Bart. Vice-Admiral of the Blue, &c. &c. &c.

His Majesty's Sloop Prometheus, Aspo Roads, July 26, 1809.

SIR,

I AM happy to acquaint you, that the Endeavours of the Boats of the Squadron, which you did me the Honour to place under my Command, for the Purpose of capturing or destroying the Enemy's Gun-Boat Force or Convoys in the Neighbourhood, have been crowned with the most complete Success. Three Gun Vessels of large Dimensions, of a new Construction, being captured, after a sanguinary Contest, together with a new Armed Brig, with Soldiers on board, laden with Provisions, destined for Abo.

Our Loss is severe indeed, as might be expected from the Nature of the Force, and the extreme Obstinacy with which the Enemy defended their Charge; the Crew of One Gun Boat, No. 62. being to a Man killed or dangerously wounded, as you will see by the Returns. I cannot find Words to express to you the Zeal and Intrepidity exhibited upon this Occasion by all, and the manifest Superiority of our Seamen when it came to the Cutlafs. I must leave the Circumstance itself to speak the Eulogy of the following Officers employed under my Command, viz.

James Bashford, First Lieutenant of the Princess Carolina; — Pettet, First Lieutenant, and — Simpson, Third Lieutenant, of the Cerberus; Gawen Forster, First Lieutenant, and Thomas Finmore, acting Lieutenant, of the Prometheus; as more adequate to their Merits than any Thing I can say in their Favour. I cannot too much admire the Conduct of Mr. Charles Chambers, Surgeon of the Prometheus, who very handsomely accompanied the Expedition with a View, should he escape, to be professionally useful. I sincerely lament, with the Country, the undermentioned gallant and most valuable Officers:

Minotaur—Lieutenant John James Callanan, killed; Lieutenant William Wilkins, of the Royal Marines, ditto; George Elvey, Midshipman, wounded. Prometheus—Matthew Vezey, Boatswain, mortally wounded; Thomas Humble, Clerk, killed. Princess Carolina—James Carrington, Master's Mate, killed.

I have the Honour to be, &c.
