Examination of Patrick Smith, late Master of the Sloop Tom Paine, before Robert G. Kirkland

and William Robertson, Esqrs. Justices of the Peace in and for the Parish of St. George.

Jamaica Ss.

Patrick Smith, late Master of the sloop Tom Paine, having been duly sworn, made oath and said; that the sloop Tom Paine was owned by John Campbell, of Montego-Bay, and that he sailed in the said sloop from Kingston, on the 31st day of March 1825, bound to Maracaibo, in the island of Cuba, consigned to a Mr. Hall, Merchant, there; and that off that place they were captured by a Colombian privateer, called the Isabella, of Maracaibo, commanded by John Bedwell, sailing with a Colombian commission; the Prizemaster and three seamen were put on board, with orders to take her to Maracaibo, and that himself and a boy only of the former crew were left on board; that the plea for capture was, that the cargo was Spanish property. And this deponent further said, that from the ignorance of the Prizemaster in navigating the said sloop to her destined port, long detention at sea, and being short of water, the said Prizemaster, after passing the several harbours of Montego-Bay, St. Ann's, Port Maria, and Annotto-Bay, finally brought the vessel into Buff's-Bay to get a supply thereof; and the reason for passing the aforesaid harbours, was his fear of detention by our vessels or the authorities ashore. The deponent further said, that he had no command over the vessel after the capture, either before or after her anchorage at Buff-Bay on 23d April; the Quartermaster and one seaman having come on shore for water, deponent jumped overboard and swam on shore; that soon after Robert G. Kirkland and William Robertson, Esqrs. Justices of the Peace, having heard of there being something suspicious in the said sloop's arrival, interrogated the deponent and the said two men; and failing in an attempt to procure the sloop's papers, from the high sea then running, they ordered the said two men into custody for that night. The deponent further said, that information was given to the Collector and Comptroller of His Majesty's Customs at Annotto-Bay, by one of the aforesaid Magistrates, of the circumstances of their arrival, who, without loss of time, repaired to the spot and obtained from the Prizemaster the register of the sloop and other papers for investigation, during which period the vessel drifted and got ashore by the breaking of the cable, which, in consequence of the high sea, soon bilged; that immediate steps were taken by the above Officers, in discharging the cargo and securing the same.
