

constituted by virtue of an Order of His Majesty's Privy Council, to apply to the acting chief magistrate of any burgh, or the minister, or any three of the resident heritors, of any parish for which Boards of Health are appointed, to convene a meeting of the burgh magistrates and members of kirk sessions, and resident householders occupying houses rated to the house duty, at twelve pounds or upwards of yearly value, in any burgh, and of the resident heritors, and agents for non-resident heritors, together with the tenants paying fifty pounds of yearly rent, and the members of the kirk sessions for every landward parish, or landward part of a parish, and to apply to such meeting for the authority and powers therein mentioned, and for funds to defray the necessary expences thereof, of which the amount should be declared and fixed by the said meeting, and further directing the proceedings to be taken at such meetings, and the course to be pursued by such Boards of Health consequent upon the determinations of such meetings:

And whereas it hath been represented to the Lords of the Privy Council, that application for authority and powers to carry into effect the purposes of the Acts above recited, and the measures of precaution in the said Order described, and to provide a certain sufficient sum of money for the discharge of all necessary expences incurred for sanitary purposes, amounting in the whole to the sum of twenty-five pounds, hath been made by the Board of Health for the parish of Saint Mungo, to the meeting of heritors, tenants, and kirk sessions, and such meeting of heritors, tenants, and kirk sessions hath declined to provide for the expences of carrying into effect the purposes of the Acts before recited, and the Orders of their Lordships founded thereon:

And whereas it doth appear to the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), proper and expedient to sanction, by an Order of the Lords of the Privy Council, certain of the expences incurred by the Board of Health for Saint Mungo, in taking measures for the prevention of the spread of the said disease, and for other sanitary purposes:

It is, therefore, ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), in pursuance

and exercise of the powers vested in them by both the before-recited Acts, and of all other powers enabling them in that behalf, that so much of the Order of the tenth day of March last past, as requires the amount of the sum to be defrayed in discharge of the necessary expences, to be fixed and declared by such meeting of heritors, tenants, and kirk sessions as aforesaid, be, and it is hereby, revoked and altered, in so far as respects the said parish of Saint Mungo, and the sum of twenty-five pounds; and the said Board of Health for Saint Mungo shall and may, and they are hereby authorised and empowered to apply, by their chairman or secretary, to the heritors, or their special mandatories of such parish, to raise the said sum of twenty-five pounds by a special assessment upon the owners and occupants of the lands, houses, and other heritages within the parish, to be levied in the form and manner by such last-recited Act prescribed; and which assessment such heritors are hereby required and enjoined to make, in pursuance and exercise of the power vested in them by such Acts:

And the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one) do hereby declare, that for all acts, deeds, matters, and things, which may be necessarily and properly done by such Board of Health, and by such heritors, or their special mandatories, tenants, and kirk sessions, and others of His Majesty's subjects, in execution and furtherance of the present Order of the Lords and others in Council, this Order shall be their full and sufficient warrant.
