TUESDAY, JANUARY 8, 1833.

**A**T the Council-Chamber, *Whitehall*, the 5th day of *January* 1833.

By the Lords of His Majesty's Most Honourable Privy Council.

**W**HEREAS by an Act, passed in the second year of the reign of His present Majesty, intituled "An Act for the prevention, as far as may be possible, of the disease, called the cholera, or spasmodic, or Indian cholera, in England," it is, amongst other things, enacted, that it shall and may be lawful for the Lords and others of His Majesty's Most Honourable Privy Council, or any two or more of them (of whom the Lord President of the Council, or one of His Majesty's Principal Secretaries of State for the time being, shall always be one), by any Order or Orders to be by them from time to time made, to establish, and again, from time to time, by any such Order or Orders, to revoke, renew, alter, or vary all such rules and regulations, or to substitute any such new rules and regulations, as to them may appear necessary or expedient, for the prevention, as far as may be possible, of the spreading of the said disease, called the cholera, or spasmodic, or Indian cholera, in England or Wales, or any part thereof, or for the relief of any persons suffering under, or likely to be affected by, the said disease:

And whereas it is further enacted by the said Act, that all and every the expences which may be reasonably and properly incurred, in carrying into effect any Order of the Lords of His Majesty's Most Ho-

nourable Privy Council, made as aforesaid, shall, under and by virtue of an order in writing of some justice of the peace, dwelling in or near the parish or division (and which said order any such justice is thereby empowered and directed to make, commanding the churchwardens, overseers, or guardians of the poor for the time being, to pay a certain sufficient sum of money for such purpose), be defrayed out of the rates for the relief of the poor of the parish, township, or extra parochial place maintaining its own poor, in which the same shall be incurred, and, in other extra parochial places, out of the poors' rate of the parish nearest adjoining:

And whereas the said disease hath extended to the township of *Knaresborough*, and other parts of Great Britain have been and may be affected by the same:

And whereas by two several Orders in Council, made on the sixth day of *March* and the nineteenth day of *July* last past, by the Lords and others of His Majesty's Privy Council (of whom the Lord President of the Council was one), it was, amongst other things, ordered and directed, that every Board of Health, constituted by an Order of the Privy Council, should and might apply to the select or parish vestry of the parish, township, ecclesiastical division, district, or place, for which such Boards of Health are appointed, for authority and powers to carry into effect the sanitary purposes of the Act before recited, and the measures of preparation and precaution in the said Orders described, and to provide a certain

sufficient sum of money for the discharge of the necessary expences thereof, of which the amount should be declared and fixed by the said vestries:

And whereas it hath been represented to their Lordships, that estimates, accounts, and vouchers, containing a detailed statement of all the necessary expences, and a request for the funds to meet them, amounting in the whole to the sum of sixty pounds, have been submitted and made by the Board of Health for Knaresborough, and Scriven with Tentergate, to the vestry meetings of the township of Knaresborough and the township of Scriven respectively, such vestries being severally and duly convened; when the vestry of the township of Knaresborough consented to grant to the said Board of Health the sum of forty pounds ten shillings, being its proportionate share of the said sum of sixty pounds; but the vestry of the township of Scriven declined to comply with the requisition of the said Board of Health for the sum of nineteen pounds ten shillings, their proportion of the said sum of sixty pounds; such several sums being applied for by the said Board from the different townships aforesaid, to provide for the just expences incurred in carrying into effect the sanitary purposes of the before-recited Act, and the measures of preparation and precaution prescribed in the before-mentioned Order of their Lordships founded thereon:

It is, therefore, ordered by the Lords and others of His Majesty's Most Honourable Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one), in pursuance of the powers vested in them by the before-recited Act, that so much of the Orders in Council of the sixth day of March and nineteenth day of July last past, as requires the amount of the sum to be defrayed in discharge of the necessary expences of such sanitary measures to be fixed and declared by such vestries as aforesaid, be, and they are hereby, revoked and altered, in so far as respects the said township of Scriven, and the said sum of nineteen pounds ten shillings:

And that the said Board of Health for Knaresborough, and Scriven with Tentergate, shall and may, and they are hereby authorised and empowered to make application, by their chairman or secretary, to some justice of the peace living in or near the parish or division, to make his order, in writing, upon the parish officers, guardians of the poor, or district churchwardens of the said township of

Scriven, commanding them to pay the said sum of nineteen pounds ten shillings, for the purposes aforesaid, out of the rates levied, or next hereafter to be levied, for the relief of the poor of such parish; which said order such justice of the peace is hereby required and enjoined to make, in pursuance and exercise of the powers vested in him by the before-recited Act; and the said parish officers, guardians of the poor, or district churchwardens, are hereby ordered and commanded to pay such sum of money in obedience to the order of such justice, in the manner therein directed, or they will incur the penalties consequent upon disobedience to such before-recited Act, and to the present Order:

And the Lords and others of His Majesty's Privy Council (of whom Viscount Melbourne, one of His Majesty's Principal Secretaries of State, is one) do hereby declare, that for all acts, deeds, matters, and things properly done by such Board of Health, justice of the peace, overseers, churchwardens, guardians of the poor, and others His Majesty's subjects, in execution and furtherance of this present Order of the Lords and others in Council, or of any order so to be made by any such justice as aforesaid, this Order shall be their full and sufficient warrant.
