

Saint Giles, in the said county of Somerset, some or one of them.

And notice is hereby also given, that duplicate plans and sections of the proposed works, with a book of reference thereto, containing the names of the owners or reputed owners, lessees or reputed lessees, and occupiers of the lands, in or through which the same are intended to be made, will be deposited with the Clerk of the Peace for the county of Somerset, at his office, at Taunton, in the said county, on or before the thirtieth day of November instant; and that a copy of the said plans and sections, together with a book of reference thereto, will be deposited with the clerk of each of the said parishes of Chard, Chaffcombe, and Knowle Saint Giles, at his usual place of abode, on or before the thirty-first day of December next.

Dated the fourth day of November, 1840.

*Isaac Cooke and Sons,*

Clerks to the said Canal Company.

#### Whittlesea Meer Drainage.

**N**OTICE is hereby given, that application is intended to be made to Parliament in the next session for leave to bring in a Bill for draining, inclosing, dividing, allotting, embanking, and improving certain lakes, meers, or meer pools, called Whittlesey otherwise Whittlesea Meer, and Trundle Meer, and certain fen lands, or low grounds, respectively situate in the several parishes or places of Holme otherwise Glatton-cum-Holme, Denton, Caldecot, Stilton, Yaxley, and Ramsey, some or one of them in the county of Huntingdon, and also in that part of the parish of Farcet, or Standground-cum-Farcet, which is situate within the said county of Huntingdon, and by the said Bill it is intended to take power to levy rates or taxes, upon or in respect of the lands so sought to be drained, inclosed, divided, allotted, embanked, and improved as aforesaid.

And notice is hereby also given, that in the said Bill powers will be contained for making all such drains, sluices, embankments, and other works, as may be necessary with reference to the purposes of the said drainage and improvement, and particularly for making a catchwater drain, commencing at or near the village of Holme, and terminating by a junction with Yaxley Lode, at or near the village of Yaxley, and a cut or drain extending from the Conquest Lode to Bevill's Leam, wholly in that part of the parish of Farcet, or Standground-cum-Farcet aforesaid, which is situate within the said county of Huntingdon, and also for widening, deepening, diverting, and improving a portion of the old river Nene, and Bevell's Leam, at or near the point of their junction with Whittlesea Meer, and provision will also be made for stopping up Holme Lode, Caldecot Dyke, Yaxley Lode, the Conquest Lode, and Stilton brook, or portions thereof respectively, and for diverting the waters thereof into the catchwater drain so proposed to be made as aforesaid, and which works are intended to be made within, or to pass from, through, or into, the parishes or places hereinbefore mentioned, some, or one of them, and that duplicate plans and sections of the works hereinbe-

fore particularly described, together with books of reference thereto will be deposited with the Clerk of the Peace for the county of Huntingdon, at his office, at Saint Ives, in that county, on or before the thirtieth day of November instant, and on or before the thirty-first day of December next, a copy of so much of the said plans and sections as relates to each of the parishes hereinbefore mentioned, together with a book of reference thereto, will be deposited with the Parish Clerk of each such parish, at his respective place of abode.

And notice is hereby also given, that by the said Bill the powers and provisions of the several Acts hereinafter mentioned, will be altered, amended, or repealed, so far and in such respects as may be proper or expedient, with reference to the before-mentioned objects, or any of them, that is to say, an Act passed in the twenty-seventh year of the reign of King George the Second, intituled, "An Act for improving and preserving the navigation from Salter's Load Sluice, in the county of Norfolk, to Standground Sluice, in the county of Huntingdon, and from Flood's Ferry, in the Isle of Ely, in the county of Cambridge, to Ramsey High Load, in the said county of Huntingdon, and also the navigation from Old Bedford sluice, in the said county of Norfolk, to the river Nene, in the parish of Ramsey, in the said county of Huntingdon." Another Act passed in the thirteenth year of the reign of King George the Third, intituled "An Act for the more effectual draining and preserving certain fen lands and low grounds, in the parish of Yaxley, in the county of Huntingdon." Another Act passed in the first year of the reign of King William the Fourth, intituled, "An Act for embanking, draining, improving, and preserving certain fen lands and low grounds, lying in the parish of Yaxley, in the county of Huntingdon, called the Undrained Fen." Another Act passed in the sixteenth year of the reign of King George the Third, intituled "An Act for draining, embanking, and preserving certain fen lands and low grounds, called the Parts and Alderlots, in the parishes of Glatton and Holme, in the county of Huntingdon." Another Act passed in the thirteenth year of the reign of King George the Third, intituled, "An Act for draining and preserving certain fen lands, and low grounds, called King's Delph, and Eight Roods, and also other fen lands and low grounds, in a certain called place, Farcett Fen, adjoining thereto, lying near to the hamlet and village of Farcett and Standground in the county of Huntingdon." Another Act passed in the forty-ninth year of the reign of King George the Third, intituled, "An Act for inclosing lands, in the parish of Glatton-with-Holme, in the county of Huntingdon." Another Act, passed in the fiftieth year of the reign of King George the Third, intituled, "An Act for draining and improving certain fen lands, and low grounds, in the parish of Stilton, in the county of Huntingdon." And another Act, passed in the said fiftieth year of the reign of King George the Third, intituled, "An Act for improving the drainage of certain lands, within the north and south-west parts of the Middle Level part of the great level of the fens, commonly called Bedford Level.—Dated this tenth day of November, 1840.
