AT the Court at *Buckingham-Palace*, the 4th day of *June* 1841,

PRESENT,

The **QUEEN'S** Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the last session of Parliament, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," duly prepared and laid before Her Majesty in Council a scheme, bearing date the eighteenth day of May one thousand eight hundred and forty-one, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of the reign of Her present Majesty, intituled "An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues" after due inquiry and consideration of an Act, passed in the session of Parliament held in the second and third years of the reign of His late Majesty King William the Fourth, intituled "An Act to enable the Dean

and Chapter of Durham to appropriate part of the property of their church to the establishment of a university in connexion therewith, for the advancement of learning," and of the engagements entered into by William, late Bishop of Durham and the Dean and Chapter of the Cathedral Church of Durham, have prepared and now humbly lay before your Majesty in Council, the following scheme for making certain arrangements with respect to the deanery and canonries in the said cathedral church and their revenues, with a view to maintaining the university of Durham in a state of respectability and efficiency:

"We humbly recommend and propose as an endowment for the office of warden of the said university of Durham that the said office shall, upon the first vacancy thereof, become and be permanently annexed to the deanery of the said cathedral church of Durham, and shall be held by the dean of Durham for the time being; and, in pursuance of the provision of the said first recited Act, which directs that due regard shall be had to the just claims of any existing officer of the said university, which provision (as it has been made to appear to us), now applies only to the Venerable Charles Thorp, Doctor in Divinity, the present warden of the said university; we further recommend and propose,

that the annual sum of five hundred pounds shall be paid to the said Charles Thorp so long as he shall remain such warden :

“ And we further recommend and propose, as an endowment for the professorship of divinity and ecclesiastical history in the said university, that the canonry in the said cathedral church, now held by the Reverend Henry Jenkyns, Master of Arts, the present Professor of Divinity and Ecclesiastical History in the said university shall, upon the first vacancy thereof, become and be permanently annexed to the said professorship, and that the endowments of the said canonry shall thenceforth be subject to such alterations as may be duly made for regulating the income thereof, in conformity with the provisions of the said first recited Act, or any other Act of Parliament :

“ And we further recommend and propose, as an endowment for the professorship of Greek and classical literature in the said university, that the eleventh canonry in the said cathedral church, now vacant, shall become and be permanently annexed to the said last-mentioned professorship, the endowments, of the said canonry being, nevertheless, subject to any such alterations as aforesaid for regulating the income thereof :

“ And we further recommend and propose, that there shall be forthwith founded in the said university, in lieu of the present professorship of mathematics, a professorship of mathematics and astronomy, to be held by the Reverend Temple Chevallier, Bachelor in Divinity, now Professor of Mathematics therein ; and that, as an endowment for such professorship there shall be paid to the said Temple Chevallier, so long as he shall continue Professor of Mathematics and Astronomy, in lieu of the salary now received by him as professor of mathematics, and after him to each person who, for the time being, shall hold the same professorship of mathematics and astronomy, the annual stipend or salary of seven hundred pounds ; provided, that it shall be lawful for the said university, at any time after the present incumbency in the said professorship, or during that incumbency, with the consent of the said Temple Chevallier, to divide the same into two separate professorships of mathematics and astronomy, and thereupon also to divide the stipend or salary hereby proposed to be granted, between the two professors, in such proportions as shall be deemed by the said university just and reasonable ;

and that the observatory now belonging to the said university shall be, so long as the said professorship remains undivided, under the superintendence and management of the professor of mathematics and astronomy for the time being, and upon and after any such division as aforesaid under the superintendence and management of the professor of astronomy for the time being, subject always to all such statutes and regulations respecting the said observatory as may, from time to time, be duly made and established by the said university :

“ And we further recommend and propose, that every professor or other officer of the said university shall perform the duties of his professorship or office in person, unless he shall obtain from the visitor of the said university a special licence of dispensation from the same, on the ground of illness or any other cause of disability, to be stated in such licence ; which licence, we recommend and propose, that such visitor shall be authorised and empowered on any such ground to grant ; and that, in the case of any such licence being granted to a professor or other officer, the warden and senate of the said university shall be authorised and required to appoint a substitute for the performance of the duties of such professor or officer, to whom shall be paid, so long as he shall actually perform such duties, such portion of the salary or stipend otherwise payable to such professor or officer as shall be fixed by the said warden and senate ; provided, that it shall be lawful for such professor or officer to appeal to the visitor against the amount of the sum to be so paid to his substitute, and that the visitor's decision thereupon shall be final :

“ And we further recommend and propose, that every reader and lecturer in the said university, who shall be in the receipt of any salary or emolument as such reader or lecturer shall keep residence in the said university, unless he shall obtain a licence from the visitor relieving him therefrom, for some special reason, to be stated in such licence ; and which licence we recommend and propose that such visitor shall be empowered to grant, for any reason which may appear to him to be sufficient :

“ And we further recommend and propose, that immediately upon the annexation as aforesaid of the office of warden of the said university to the said deanery, there shall be founded in the said university a professorship of Hebrew and the other Oriental languages ; and that, as an endowment for the said last-

mentioned professorship, there shall be paid to the professor the annual stipend or salary of five hundred pounds :

“ And we further recommend and propose, that there shall be founded in the said university eighteen fellowships, in addition to the six fellowships already founded therein by acts of the said dean and chapter, dated, respectively, the twentieth day of November one thousand eight hundred and thirty-nine, and the sixteenth day of May one thousand eight hundred and forty, making twenty-four such fellowships in the whole ; and that, of the said eighteen fellowships, two shall be founded on the twenty-ninth day of September in the present year, and the same number of fellowships on the like day in every succeeding year, until the year one thousand eight hundred and forty-nine inclusive :

“ And we further recommend and propose, that no person shall be deemed qualified to be elected to any of the said twenty-four fellowships in the said university until he shall have been admitted to the degree of bachelor of arts therein ; and that every such fellow shall be elected according to the regulations now in force, or according to such other regulations as may hereafter be duly made by the said university for securing the election of the most meritorious candidate, regard being always had to moral character as well as to learning ; and that it shall not be compulsory upon the warden and senate to fill up any vacant fellowship unless or until it shall appear to them that there is some person duly qualified in all respects to be elected thereto :

“ And we further recommend and propose, that no person shall be admitted a candidate for election to any of the said twenty-four fellowships oftener than three times, nor at any other than consecutive elections of fellows :

“ And we further recommend and propose, that, when the said number of twenty-four fellowships shall be complete, not more than eight of those fellows, who shall have attained the age of twenty-five years, shall be laymen ; and that the said university shall establish regulations for carrying this provision into effect :

“ And we further recommend and propose, as an endowment for the said twenty-four fellowships, respectively, that there shall be paid to each of such fellows the annual sum of one hundred and twenty pounds.

“ And we further recommend and propose, that (subject to the vacancy of fellowships by marriage or otherwise, as hereinafter provided) every such fellowship may be retained and held by the same person for the term of eight years from the time of his election thereto, and for the further term of two years by any person who shall be in holy orders at or within three years after the time of his election thereto, or who, if he shall have been elected to such fellowship before the age of twenty-one years, shall be in holy orders on or before the day of his attaining the age of twenty-four years ; and that a further annual sum of thirty pounds shall be paid to each of the senior clerical fellows to the number of ten, who shall have entered into holy orders so as to entitle him to hold his fellowship for the term of ten years.

“ And we further recommend and propose, that every such fellowship shall in future become absolutely vacant upon the marriage of the holder thereof, or at the expiration of one year from the time of the holder thereof being instituted, licenced, or in any way admitted to any cathedral preferment or to any benefice :

“ And we further recommend and propose, that it shall be the duty of every such fellow to take a part in the public examinations, whenever required to do so by the warden of the said university, and that such warden shall have power and authority to call any of such fellows into residence whenever he shall deem it expedient so to do :

“ And we further recommend and propose, that the warden, masters, and scholars of the said university shall by their treasurer, or other officer duly appointed for such purpose, from time to time, pay the several stipends, salaries, and other sums hereinbefore mentioned to the several persons for the time being entitled to receive the same by quarterly payments, and that a due proportion shall be paid for every fractional part of any quarter, during which any such person shall hold his office, professorship, or fellowship, or shall officiate as such substitute as aforesaid :

“ And towards providing the fund for making such payments, we further recommend and propose, that all the estate and interest now vested in us, under the provisions of the said first recited Act, in the lands, tenements, and hereditaments formerly assigned to the Dean of the said cathedral church of Durham, and to the canon of the eleventh canonry

founded in the same cathedral church (the tithes of the several rectories or parishes of Merrington, Billingham, and Bedlington, and of the township of Murton, only excepted), shall be transferred to, and shall become and be vested in, the warden, masters, and scholars of the said university of Durham; and that when it shall be made to appear to us by the said warden, masters, and scholars that, by reason of the foundation of the additional fellowships in successive years as aforesaid, the proceeds annually accruing to them from the said lands, tenements, and hereditaments, are insufficient for the defraying of all such stipends, salaries, and other payments, we may recommend and propose the granting of such additional endowment to the said university as may thereupon appear to be necessary for making up the deficiency, either by transferring the estate and interest in any lands, tenements, or hereditaments now belonging to any of the canonries in the said church, which may then have become, in like manner so vested in us, or by payments from time to time, to be made by us out of any moneys accruing to us by reason of the suspension of any of such canonries :

“ And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing, if we shall deem it expedient for the purposes of this scheme, the transfer of our estate and interest in any such last-mentioned lands, tenements, and hereditaments, or any part or parts thereof, to the said warden, masters, and scholars, with their consent, in exchange for the estate and interest in the lands, tenements, and hereditaments, now hereby recommended and proposed to be vested in them, or any part or parts thereof :

“ And we further recommend and propose, that nothing herein contained shall be construed in any manner to affect any statute or regulation of the said university now subsisting, or which may hereafter be duly made and established, otherwise than as is herein specifically recommended and proposed.”

And whereas, previously to laying the said scheme before Her Majesty in Council, notice thereto was duly given to the Dean and Chapter of Durham, and to the Warden and Senate of the University of Durham, and no objection has been made thereto :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct, that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Durham.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners have, in pursuance of an Act, passed in the session of Parliament holden in the sixth and seventh years of the reign of His late Majesty, intituled “ An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage,” and by another Act, passed in the last session of Parliament, intituled “ An Act to carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” duly prepared and laid before Her Majesty in Council a scheme, bearing date the sixth day of April one thousand eight hundred and forty-one, in the words and figures following, that is to say:

“ We, the Ecclesiastical Commissioners for England, in pursuance of two several Acts, namely an Act, passed in the seventh year of His late Majesty King William the Fourth, intituled “ An Act for carrying into effect the reports of the Commissioners appointed to consider the state of the Established Church in England and Wales, with reference to ecclesiastical duties and revenues, so far as they relate to episcopal dioceses, revenues, and patronage,” and by an Act, passed in the last session of Parliament, intituled “ An Act to carry

“into effect, with certain modifications; the fourth report of the Commissioners of Ecclesiastical Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme relating to the diocese of Lincoln :

“Whereas, under the provisions of the first above recited Act, we prepared and, on the first day of August one thousand eight hundred and thirty-seven, laid before your Majesty in Council a scheme, whereby we recommended and proposed, with the consent of the Most Reverend the Archbishops of Canterbury and York, and of the Right Reverend John Bishop of Lincoln, that, upon a certain event therein mentioned, which event has since occurred, the whole county of Nottingham, then forming the archdeaconry of Nottingham, and part of the province and diocese of York, should be detached and dis severed from the last-mentioned province and diocese, and be annexed and united to, and included in, and form part of, the province of Canterbury and the said diocese of Lincoln; which scheme was, on the twenty-first day of the same month of August, approved and ratified by an Order of Your Majesty in Council, and the said Order has since been duly registered and gazetted; and whereas, by reason that the deanry and exempt or peculiar jurisdiction of Southwell, and the several parishes or places therein comprised, and the several parishes of Kinolton, South Muskham, Apesthorpe, Bole, East Drayton with Askham, Laneham, Misterton, West Stockwith, and North Wheatley, within the said county of Nottingham, were not, or claimed not to be, at the time of making the said Order, subject to the jurisdiction of the Archbishop of York or of the Archdeacon of Nottingham, doubts have arisen respecting the jurisdiction of the Archbishop of Canterbury, the Bishop of Lincoln, and the Archdeacon of Nottingham over the said deanry and exempt or peculiar jurisdiction of Southwell, and the parishes and places therein comprised, and over the said other last-mentioned parishes :

“Now, therefore, for the removal of such doubts, we humbly recommend and propose, with the consent of the said two Archbishops and of the said Bishop, in testimony whereof they have, respectively, signed and sealed this scheme, that the said deanry and exempt or peculiar jurisdiction of Southwell, and all parishes and places therein comprised, and the said parishes of Kinolton, South Muskham, Apesthorpe,

Bolc, East Drayton with Askham, Laneham, Misterton, West Stockwith, and North Wheatley, and all other parishes and places (if any such there be) within the county of Nottingham, possessing, or claiming to possess, exempt or peculiar jurisdiction, or being, or claiming to be, exempt from the ordinary jurisdiction of the Archbishop of York or the Archdeacon of Nottingham, shall be annexed to, included in, and form part of, the said province of Canterbury, diocese of Lincoln, and archdeaconry of Nottingham, respectively; and the said deanry and exempt or peculiar jurisdiction of Southwell shall be styled the Deanry of Southwell; and the said parish of Kinolton shall be within the deanry of Bingham; and the said parish of South Muskham shall be within the deanry of Newark; and the said parishes of Apesthorpe, Bole, East Drayton with Askham, Laneham, Misterton, West Stockwith, and North Wheatley shall be within the deanry of Retford; and the said other parishes and places (if any such there be) shall be included in the several deanries in which they are respectively locally situate; and such of the said last-mentioned parishes and places (if any), as are locally situate between two or more deanries, shall be included in that one of the said deanries with which it shall have the greatest extent of common boundary; and that all churches and chapels, and the whole clergy and others your Majesty's subjects, within the same deanry and exempt or peculiar jurisdiction of Southwell, and within all the said other parishes and places, shall be under and subject to the jurisdiction, authority, and control of the Archbishop of Canterbury, of the Bishop of Lincoln, and the Archdeacon of Nottingham for the time being, respectively, to all intents and purposes, and shall be subject to no other ecclesiastical jurisdiction, authority, or control whatsoever.”

And whereas, previously to laying the said scheme before Her Majesty in Council, notice thereof was given to the Chapter of the collegiate church of the Blessed Mary the Virgin, of Southwell, in the county of Nottingham, and the objections of the said Chapter have been laid before Her Majesty in Council, together with the said scheme :

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said

scheme, and to order and direct, that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrars of the several dioceses of Canterbury, York, and Lincoln.

"Whereas it was by the said Act enacted, that, out of the proceeds of the suspended canonries in any chapter provision might, from time to time, be made by the authority therein provided, for relieving the then existing canons of such chapter, from the performance of any additional duty by reason of such suspension, by the employment of substitutes to be approved by the respective bishops:

"And whereas application has been made to us by the Dean and Chapter of the Cathedral Church of Gloucester, to make provision for a substitute to be employed and approved according to the said

Act to perform the duties which, by reason of the present suspension of one canonry, and of the future suspension of another canonry in the said church, would otherwise be imposed on the present canons:

"We, therefore, humbly recommend and propose, that the said dean and chapter be empowered, from time to time, to appoint a substitute or substitutes to be approved by the Bishop of Gloucester and Bristol for the time being to perform the duties of a canon in residence, for such calendar month or months in this present and each succeeding year as shall remain unprovided for, after the periods of statutable and customary residence by all the existing canons shall have been fixed:

"And we further recommend and propose that, until the said chapter shall consist exclusively of canons to be hereafter appointed, it shall be lawful for the treasurer or other officer for the time being of the said dean and chapter to retain, out of the first moneys payable to us as such proceeds as aforesaid in each year, the sum of fifty pounds for every calendar month, to be so provided for as aforesaid, and to pay the same to the person or persons so appointed and approved, in such proportions, if more than one person as shall be equal to the period of residence and duty by each of them actually kept and performed:

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the said cathedral church of Gloucester, in conformity with the provisions of the said Act."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same, and every part thereof, shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of Gloucester.

“ We, the Ecclesiastical Commissioners for England, in pursuance of two several Acts, namely, an Act, passed in the seventh year of the reign of His late Majesty King William the Fourth, intituled “ An Act for carrying into effect the reports of the “ Commissioners appointed to consider the state of “ the Established Church in England and Wales, “ with reference to ecclesiastical duties and revenues, “ so far as they relate to episcopal dioceses, “ revenues, and patronage,” and an Act, passed in the last session of Parliament, intituled “ An Act to carry “ into effect, with certain modifications, the fourth “ report of the Commissioners of Ecclesiastical “ Duties and Revenues,” have prepared, and now humbly lay before your Majesty in Council, the following scheme :

“ Whereas the first recited Act contains a provision for founding a new archdeaconry in the diocese of Canterbury, to be called the archdeaconry of Maidstone; and the secondly recited Act contains provisions, under the authority of which any archdeaconry within the said diocese may be endowed, by the annexation thereto of the canonry in the cathedral church of Canterbury becoming secondly vacant, according to such provisions :

“ We, therefore, recommend and propose, with the consent of the Most Reverend William Archbishop of Canterbury, testified by his having signed and sealed this scheme, that there shall be founded in the said diocese of Canterbury a new archdeaconry, and that the same shall be called and styled the archdeaconry of Maidstone; and that the said archdeaconry shall (subject to such additions thereto, and alterations therein, as may hereafter be duly made) consist of the deanries of Sittingbourne;
