TUESDAY, AUGUST 24, 1841.

**A**T the Court at *Windsor*, the 11th day of *August* 1841,

PRESENT,

The **QUEEN's** Most Excellent Majesty in Council.

**W**HEREAS by an Act, passed in the fourth year of His late Majesty King George the Fourth, c. 77, intituled "An Act to authorize His Majesty, under certain circumstances, to regulate the duties and drawbacks on goods imported or exported in foreign vessels, and to exempt certain foreign vessels from pilotage," His Majesty is authorized, by and with the advice of His Privy Council, or by His Majesty's Order or Orders in Council to be published, from time to time, in the London Gazette, to authorize the importation into, or exportation from, the United Kingdom, or from any other of His Majesty's dominions, of any goods, wares, or merchandize which may be legally imported or exported in foreign vessels, upon payment of such and the like duties only, and with the like drawbacks, bounties, and allowances as are charged or granted upon similar goods, wares, or merchandize when imported or exported in British vessels; provided always, that before any such Order or Orders shall be issued, satisfactory proof shall have been laid before His Majesty and His Privy Council, that goods, wares, and merchandize imported into, or exported from, the foreign country in whose favour such remission of duties, or such

drawbacks, bounties, or allowances shall be granted, are charged with the same duties, and are allowed the same drawbacks, bounties, or allowances when imported into, or exported from, such foreign country in British vessels, as are levied or allowed on similar goods, wares, and merchandize when imported or exported in vessels of such country.

And whereas by an Act, made in the session of Parliament holden in the third and fourth years of Her present Majesty's reign, intituled "An Act to enable Her Majesty to carry into effect certain stipulations contained in a Treaty of Commerce and Navigation between Her Majesty and the Emperor of Austria, and to enable Her Majesty to declare, by Order in Council, that ports, which are the most natural and convenient shipping ports of states within whose dominions they are not situated, may, in certain cases, be considered, for all purposes of trade with Her Majesty's dominions, as the national ports of such states," it was, amongst other things, enacted, that, from and after the passing of the said Act, notwithstanding any thing contained in an Act, passed in the session of Parliament of the third and fourth years of His late Majesty King William the Fourth, intituled "An Act for the encouragement of British shipping and navigation," it should be lawful for Her Majesty, from time to time, to declare by Her Order in Council, to be published in the London Gazette, "that any port or ports to be named in such Order, being the most con-

"venient port or ports for shipping the produce  
 "of any state to be also named in such Order, shall,  
 "although not situated within the dominions of  
 "such state, be port or ports for the use of the ships  
 "of such state in the trade of such ships with  
 "all parts of the British dominions, or with any  
 "part or parts of the same named and limited  
 "in such Order, in as full and ample a manner  
 "as if such port or ports were within the dominions  
 "of such state; and thereupon and for so long a  
 "time as such Order shall be declared to be  
 "in force, or shall remain unrevoked, it shall  
 "be lawful to import into the British dominions,  
 "or into such parts of the same as shall be named  
 "and limited in such Order, from such port or  
 "ports, in the ships of such state, any goods  
 "which, by the laws in force at the time of such  
 "importation, might then be imported in such ships  
 "from a port of the country to which they be  
 "longed, and so to import such goods upon the  
 "like terms as the same could there be imported  
 "from the national ports of such ships:

And whereas a Convention of Commerce and  
 Navigation was entered into between Her Majesty  
 and the King of Prussia and the other Members  
 of the German Union of Customs, on the second  
 March last, by which British vessels are admitted,  
 together with their cargoes, to entry in the ports  
 of Prussia and of the other States of the afore-  
 named Union of Customs, when coming from the  
 ports of all countries:

Now therefore Her Majesty, by and with the  
 advice of Her Privy Council, is pleased, in pursu-  
 ance of the power and authority in Her vested  
 by the said Statutes, to order and declare, and doth  
 hereby order and declare, that Prussian vessels, and  
 the vessels of the other States forming the said  
 Union of Customs, together with their cargoes,  
 consisting of all such goods as can be legally im-  
 ported into the United Kingdom and the British  
 possessions abroad by the said vessels, from the  
 ports of the countries to which they respectively  
 belong, shall, when coming from the mouths of  
 the Meuse, of the Ems, of the Weser, and of the  
 Elbe, or from the mouths of any navigable river  
 lying between the Elbe and the Meuse, and forming  
 the means of communication between the sea and  
 the territory of any of the German States which  
 are parties to this Treaty, be admitted into the  
 ports of the United Kingdom and of the British

possessions abroad, in as full and ample a man-  
 ner as if the ports from which such vessels may have  
 come as aforesaid, were within the dominions of  
 Prussia or of any other of the States aforesaid;  
 and such vessels shall be permitted to import the  
 goods above mentioned upon the same terms on  
 which the said goods might be imported if coming  
 from the national ports of such vessels; and also  
 that, in like manner, such vessels, proceeding from  
 Great Britain and her colonial possessions abroad  
 to the ports or places thus referred to, shall be  
 treated as if returning to a Prussian Baltic port;  
 it being understood, that these privileges are to  
 extend to the vessels of Prussia and of the States  
 aforesaid, and to their cargoes, only in respect to  
 each of the said ports in which British vessels and  
 their cargoes shall, upon their arrival there, and  
 departure therefrom, continue to be placed upon  
 the same footing as the vessels of Prussia and of the  
 other States of the Union.  
 And the Right Honourable the Lords Commis-  
 sioners of Her Majesty's Treasury are to give the  
 necessary directions herein accordingly.

C. C. Grenville,  
 Secretary of State.  
 At the Court at Windsor, the 11th day of  
 August, 1841.

PRESENT,  
 The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners  
 for England have, in pursuance of an Act,  
 passed in the session of Parliament holden in the  
 third and fourth years of Her Majesty's reign, intitled  
 "An Act to carry into effect, with certain modi-  
 fications, the fourth report of the Commissioners of  
 Ecclesiastical Duties and Revenues; and of  
 another Act, passed in the last session of Parlia-  
 ment, intitled "An Act to explain and amend two  
 several Acts relating to the Ecclesiastical Commis-  
 sioners for England; do hereby prepare and laid be-  
 fore Her Majesty in Council, a scheme, bearing date  
 the thirteenth day of July, one thousand eight  
 hundred and forty-one, in the words and figures  
 following, that is to say:  
 "We the Ecclesiastical Commissioners for  
 England, in pursuance of an Act passed in the ses-  
 sion of Parliament, held in the third and fourth years  
 of your Majesty's reign, intitled "An Act to

“ carry into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical “ Duties and Revenues, and of another Act, passed in the last session of Parliament, intituled “ to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England; have prepared, and now humbly lay before your Majesty in Council, the following scheme for appropriating part of the revenues of the canonry in the collegiate church of Saint Peter, Westminster, to which the rectory of the parish of Saint John, Westminster, is annexed, towards making better provision for the cure of souls in the said parish.

“ Whereas, in pursuance of an Act, passed in the sessions of Parliament held in the fifth and sixth years of the reign of His late Majesty King William the Fourth, intituled “ An Act for protecting the “ revenues of vacant ecclesiastical dignities, prebends, “ canonries, and benefices, without cure of souls, and “ for preventing the lapse thereof during the pending “ inquiries respecting the state of the Established “ Church in England and Wales; and of an Act, passed in the sixth and seventh years of the reign of His said late Majesty, intituled “ An Act for suspending, for one year, appointments to certain “ dignities and offices in cathedral and collegiate “ churches, and to sinecure rectories, the profits and emoluments of the said canonry were, during the vacancy thereof, paid to the Treasurer, for the time being, of the Governors of the Bounty of Queen Anne, in pursuance of the said first recited Act, the said profits and emoluments were paid and delivered to us by the said treasurer, and now remain in our hands, and together with the interest which has accrued thereon, amount to the sum of nine hundred and seventy pounds eighteen shillings and twopence.

“ And whereas, by the said first recited Act, the rectory of the said parish of Saint John became and was permanently annexed and united to the canonry in the said collegiate Church of Saint Peter, Westminster, then held by John Jennings, Clerk, Master of Arts; and it was enacted that, when and so often as, according to the statutes or usages of the chapter of the said collegiate church, any division should be made of any profit, or emoluments, from whatever source accruing, or any stipend or other sum of money should become payable to the members of the

said chapter, as such members, the share of such profits and emoluments, which, according to such statutes or usages, should be found to belong to the said canonry, or the incumbent thereof, and every such stipend or other sum of money, so payable to such incumbent, instead of being paid to such incumbent, should, by the treasurer, for the time being, of the said chapter, be divided into twelve equal parts, and eight only of such parts should be paid to or for the use of the incumbent, for the time being, of the said canonry; and the remaining four parts should be paid in such manner, and to such uses, as should by the authority thereafter provided be directed.

“ And whereas by the said secondly recited Act, it was enacted that it should be lawful to apply such last mentioned moneys towards making a better provision for the cure of souls in the said parish of Saint John, in such manner as by the authority in the said first recited Act provided should be deemed best for the spiritual interests of the said parish; and that it should also be lawful, by the like authority, in the same manner, to apply the moneys so paid over to us, by the Treasurer of the Bounty of Queen Anne as aforesaid.

“ Now, therefore, we humbly recommend and propose, that we shall be authorized and empowered to appropriate the said sum of nine hundred and seventy pounds eighteen shillings and twopence, being such principal and interest as aforesaid, toward erecting and building a house of residence for the minister of the district church of Saint Mary, within the said parish of Saint John, upon a site, the leasehold interest in which has been lately purchased by the said John Jennings out of his own proper moneys, and the reversion of which has been duly assigned by the said Dean and Chapter for such house of residence.

“ And we further recommend and propose, as to the said four-twelfth parts of the profits and emoluments of the said canonry, as well those which have already accrued, as those which may hereafter accrue, that the treasurer, for the time being, of the said chapter, do forthwith, and from time to time, pay two of such four parts to the minister, for the time being, of the said district church of Saint Mary, and the other two parts to the minister, for the time being, of the church now about to be erected in the district of Peter street, in the said parish, so soon as such last mentioned church shall have been completed, and a district legally assigned thereto;

better provision for the cure of souls in the said parish of Saint Margaret, Westminster, in such manner as, by the authority of the said first recited Act provided, should be deemed best for the spiritual interests of the said parish:

And whereas three new district churches are about to be erected within the said parish of Saint Margaret, one of which churches will be upon the site of the chapel called Broadway Chapel, another in some convenient situation in the western part of the Westminster division of the said parish, and a third at Knightsbridge, in the same parish:

We, therefore, recommend and propose, that all such moneys as aforesaid, as well those which have already accrued as those which may hereafter accrue, shall, by the Treasurer, for the time being, of the said Dean and Chapter of Westminster, be forthwith and, from time to time, divided and paid as hereinafter mentioned, that is to say, one seventh part thereof shall be paid to the Minister of the church so to be erected in Knightsbridge, so soon as the same shall be completed, and a district legally assigned thereto; the moiety of the residue of such moneys (after such payment thereout) shall be paid to the Minister, for the time being, of the church so to be erected on the site of Broadway Chapel aforesaid, so soon as the same shall be completed, and a district legally assigned thereto; and the remaining moiety of such residue shall be paid to the Minister, for the time being, of the church so to be erected in the western part of the Westminster division aforesaid, so soon as the same shall be completed, and a district legally assigned thereto; and that, in the mean time, the said portions, respectively, shall be paid to the said Henry Hart Milman, and his successors, as Rector of the said parish of Saint Margaret, to be by him and them paid to such spiritual persons, respectively, as shall be duly licensed by the Bishop of London, for the time being, to officiate within such districts of the said parish as the said Bishop shall define and describe in their respective licences:

And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing other measures relating to the distribution of such moneys as aforesaid.

And whereas notice of the said scheme has been duly given to the Dean and Chapter of Westminster,

pursuant to the provisions of the said Act herein first recited, and no objection has been made thereto:

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order shall have been duly published in the London Gazette, pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct, that this Order be forthwith registered by the Registrar of the diocese of London:

C. C. Greville.

#### PRESENT.

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act, passed in the session of Parliament holden in the third and fourth years of Her Majesty's reign, intituled "An Act for carrying into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act, passed in the last session of Parliament, intituled "An Act to explain and amend two several Acts, relating to the Ecclesiastical Commissioners for England," duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirteenth day of July one thousand eight hundred and forty-one, in the words and figures following, that is to say:

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act, passed in the session of Parliament held in the third and fourth years of your Majesty's reign, intituled "An Act for carrying into effect, with certain modifications, the fourth report of the Commissioners of Ecclesiastical Duties and Revenues," and of another Act, passed in the last session of Parliament, intituled "An Act to explain and amend two several Acts relating to the Ecclesiastical Commissioners for England," have prepared, and now humbly lay before your Majesty in Council the following scheme, for regulating the average annual incomes of the

Dean and Canons of the Cathedral Church of Durham appointed, or to be appointed, after the passing of the said first recited Act.

"Whereas by the said first recited Act enacted, that so soon as conveniently may be, and by the authority therein provided, such fixed annual sums shall be determined on to be paid, and shall accordingly be paid to us by the Dean and Canons of the cathedral church of Durham, as after due inquiry, and a calculation of the present average annual revenues of the Chapter of such church, shall leave to the said Dean an average annual income of three thousand pounds, and to each of the Canons of the same church, the average annual income of one thousand pounds; but such provision was not to affect any Dean or Canon in possession at the passing of the same Act:

"And whereas, the present Dean and one of the present Canons of the said cathedral church of Durham have been appointed, since the passing of the same Act:

"And whereas, by the said secondly recited Act, it is declared and enacted, that notwithstanding such last recited provision, it shall be lawful to carry such purpose into effect by any mode of payment or distribution which may be deemed fit, as well as by the mode in the said first recited Act specified:

"We, therefore, having made the inquiry and calculation required by the said first recited Act, humbly recommend and propose, that in order to leave to the Dean and Canons of Durham respectively, appointed after the passing thereof, the average annual incomes in the said Act specified, there shall be paid to us, in the manner, and at the times hereinafter mentioned, and for the purposes of the said recited Acts, five equal seventeenth parts of all monies at any time accruing, and payable to such Dean, and one moiety of all monies at any time accruing and payable to any such Canon:

"And to this end, we recommend and propose, that the Treasurer of the said cathedral church of Durham shall, from time to time, divide each and every sum of money from whatever source arising, which, according to the statutes or usage of the said cathedral church, or the Chapter thereof, would be payable to the Dean, or to the representatives of any Dean, in respect of the deanery of the said cathedral church, into seventeen equal parts, and that twelve of such parts shall be paid to the Dean, for the time being, or the representatives of the prece-

ding Dean, as the case may be, and the remaining five parts shall be set apart and paid to us as hereinafter recommended and proposed; and that the said Treasurer shall, from time to time, divide each and every sum of money from whatever source arising, which, according to the statutes or usage aforesaid, would be payable to any Canon appointed, after the passing of the said first recited Act; or to the representatives of any such Canon, in respect of any canonry of the said cathedral church, into two equal moieties; and that one of such moieties shall be paid to the Canon for the time being, or the representatives of the preceding Canon, as the case may be, and the remaining moiety shall be set apart and paid to us as hereinafter recommended and proposed:

"And we recommend and propose, that such Treasurer shall, on or before the first day of December, in the present and every succeeding year, deliver to us an account of all monies which would, according to the statutes or usage aforesaid, be payable to the Dean or to any such Canon aforesaid, or their representatives, respectively, during the year ending on the twenty-ninth day of the month of September preceding; and that such several sums of money, from whence such monies shall have arisen, and of the proportion of such monies set apart for the aforesaid purposes, and shall, on or before the fifteenth day of the said month of December pay or cause to be paid, to us, or to our order, the whole amount of the monies so set apart for us:

"And we recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the Dean and Canons of the said cathedral church of Durham, in conformity with the provisions of the said recited Acts, or either of them."

"And whereas, previously to laying the said scheme before Her Majesty in Council, notice thereof was duly given to the Dean and Canons of the Cathedral Church of Durham, and no objection was made thereto: And whereas, the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same shall take effect immediately from and after the time when this Order
