General of the Navy, Somerset-
Place, April 5, 1848.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 20th instant, at one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying

Her Majesty's Dock yards, or any one or more of them, and the Admiralty and Marine Offices, with Coals.

A distribution of the coals and a form of the tender may be seen at the said Office.

No tender will be received after one o'clock of the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner the words, "Tender for Coals," and must also be delivered at Somerset-place, accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering, in the sum of £20 per 100 tons, for the due performance of the contract.
