Admiralty, 7th June 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction :

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2ndly. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rdly. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct, that such services, if distinguished by the promotion of the Officer conducting the enterprize, shall entitle those who were present, and now living, to a medal; pro-

vided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance, that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A, and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a Committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Honourable Sir Thomas Bladen Capel, K.C.B.
Vice Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners
of the Admiralty, *H. G. Ward.*

[The notice, published in the Gazette of the 4th June 1847, is herewith repeated.]

Admiralty, 1st June 1847.

Her Majesty having been graciously pleased to command, that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1845, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force.

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send, in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

And 850,000 British Oak Treenails;

to be delivered at Her Majesty's several Dock-yards, by the 31st of December 1850, at prices, including all carriage and other expences.

A tender may be made for the whole contract, or for the quantities required for any one or more of the yards, but not for less than the full quantities of timber, thickstuff, plank, and treenails required for any one yard.

A form of the tender, showing the distribution, sidings, and dimensions of the timber, thickstuff, plank, and treenails, and all other necessary particulars, may be had on application to this Office, by letter or otherwise.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left hand corner the words, "Tender for British Oak," and must also be delivered at Somerset-place, accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering, in the sum of £20,000, for the due performance of the whole contract, or in a due proportion for a part only.

WEEKLY RETURNS of the Quantities and Price of BRITISH CORN, IMPERIAL MEASURE, as received from the Inspectors and Officers of Excise in the following Cities and Towns in ENGLAND and WALES, from which the Prices that govern Duty are calculated, conformably to the Act of the 5th Victoria, cap. 14.

" Gentlemen,

" We, the undersigned, Proprietors of East India Stock, request that you will have the goodness to convene a General Court of Proprietors, on the earliest day that may be convenient, for the purpose of laying before them the following resolution :

" 'That adverting to the present depressed state of the sugar trade, to the evidence by which it has been proved to a Committee of the House of Commons, that without a further term of preparation the sugar growers of British India are not in a fit position to compete with the slave owners of the Brazils and Cuba, to the duty incumbent on Great Britain to give a fair trial at least to free labour as opposed to the inhuman system of slavery, and to the vast importance to the manufacturers of this country, as well as to the Government and people of India, that every encouragement should be given to the increased exportation of raw produce from that country, both as affording returns to the British merchant and as facilitating the enormous remittances which are annually required from India on public and private accounts, a petition be presented to Parliament, praying that they will, in consideration of these circumstances, adopt the recommendation of the Committee of the House of Commons aforesaid, by imposing a differential duty of ten shillings per hundred weight in favour of the produce of British possessions, for the period of six years.'
