A PROCLAMATION.

VICTORIA, R.

WHEREAS by an Act, passed in the fifty-sixth year of the reign of His late Majesty King George the Third, intituled "An Act to provide for a new silver coinage, and to regulate the currency of the gold and silver coin of this realm," the Master and Worker of Our Mint in London was authorized and empowered to coin, or

cause to be coined, silver bullion into silver coins, consisting of crowns, half-crowns, shillings, and sixpences, of the standard of eleven ounces and two pennyweights of fine silver and eighteen pennyweights of alloy to the pound troy; and in weight after the rate of sixty-six shillings to the pound troy: And whereas by an Act, passed in the twelfth and thirteenth years of Our reign, intituled "An Act to extend an Act of the fifty-sixth year of King George the Third, for providing for a new silver coinage, and for regulating the currency of the gold and silver coin of this realm," the Master and Worker of Our Mint in London was authorized and empowered to coin, or cause to be coined, silver bullion into silver coins of the standard of fineness above mentioned, and in weight after the rate of sixty-six shillings to every pound troy; whether the same be coined in crowns, or in any pieces of a lower denomination: And whereas in the thirteenth year of Our reign, We thought fit to order that certain pieces of silver money should be coined, to be called Florins or tenths of a pound, and to be of the value of two shillings: And whereas, pursuant to Our said Order and in virtue of the power given by the said recited Act, a coinage of the said florins or tenths of a pound, of the standard and at the rate aforesaid, was made: And whereas, pursuant to Our further orders and in virtue of the said power, a new coinage of florins or tenths of a pound, of the standard and at the rate aforesaid, has been made, and every florin or one-tenth of a pound, in such new coinage, has for the obverse Our effigy crowned, with the inscription "Victoria D.G.: Brit: Reg. F.D.:" and the date of the year: and for the reverse, the ensigns armorial of the United Kingdom, contained in four shields, crosswise, each shield surmounted by the royal crown, with the rose in the centre, and in the compartments between the shields the national emblems of the rose, thistle, and shamrock, surrounded by the words "One Florin One Tenth of a Pound," and with a milled graining round the edge: And whereas pieces of silver money of the description last-mentioned have been coined at Our Mint, and will be coined there, in pursuance of orders issued and to be issued by Us: We have therefore, by and with the advice of Our Privy Council, thought fit to issue this Our Royal Proclamation; And We do hereby ordain, declare, and command, that the said last-mentioned pieces of money so coined and to be coined shall be current and lawful money of the United Kingdom of Great Britain and Ireland, and shall pass and

be received as current and lawful money of Our said Kingdom by the names aforesaid, and at the value hereinbefore assigned to them.

Given at Our Court at Buckingham-Palace, this fifth day of April, in the year of Our Lord one thousand eight hundred and fifty-two, and in the fifteenth year of Our reign.

In Chancery.

*Masters' Office, Southampton-Buildings,
Monday, the 22nd day of March, in
the year of our Lord 1852.*

In the Matter of the Joint Stock Companies' Winding-up Acts, 1848 and 1849, and of the Oundle Union Brewing Company.

I RICHARD RICHARDS, Esq. the Master of the High Court of Chancery charged with the winding up of this Company, do peremptorily order that a call of thirty pounds per share be made on all the contributories of this Company; and I do peremptorily order each contributory, on the 22nd day of April 1852, at twelve o'clock at noon, at No. 46, Moorgate-street, in the city of London, to pay to the Official Manager of this Company the balance, if any, which will be due from him after debiting his account in the Company's books with such call.

R. Richards.

In the Matter of the Joint Stock Companies' Winding-up Acts, 1848 and 1849, and of the Patent Elastic Pavement and Kamptulicon Company.

BY direction of William Henry Tinney, Esq. the Master of the High Court of Chancery charged with the winding up of this Company, notice is hereby given, that the said Master purposes, on Monday the 26th day of April next, at half past twelve o'clock in the afternoon, at his chambers, in Southampton-buildings, Chancery-lane, London, to proceed to make a further call on all the contributories of the said Company; and that the Master purposes that such further call shall be for six pounds per share.

All persons interested are entitled to attend at such day, hour, and place, to offer objections to such call.—Dated this 30th day of March 1852.

CONTRACTS FOR CANVASS.

Department of the Storekeeper-General of the Navy, Somerset-Place, March 22, 1852.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Tuesday the 20th of April next, at one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying Her Majesty's Dockyards at Deptford, Portsmouth, and Devonport, with

10,420 BOLTS OF CANVASS
(including 300 Bolts of 18 inches wide), to be delivered by the 31st December next.

Tenders may be made for any quantity not less than 1,000 bolts, and no tender will be received unless made on the printed form, properly filled up, which, together with "Instructions for making the Canvass," may be obtained on application to this Office.

No tender will be received after one o'clock on the day of treaty, nor any noticed unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Canvass," and must also be delivered at Somerset-place, accompanied by a letter, signed by two responsible persons, engaging to become bound with the person tendering in the sum of £25 per cent. on the value, for the due performance of the contract.

No. 21307.

B

MARINE BARRACK CANTEN,
AT WOOLWICH.

Department of the Comptroller for Victualling and Transport Services, Somerset-Place, March 31, 1851.

NOTICE is hereby given, that on Thursday the 22nd April next, at one o'clock, the Canteen in the above barrack will be let from the 14th May next to the 14th May 1855, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, or who will not undertake *bonâ fide* to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect of the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The revenue or other licences to be paid by the tenant.

The person whose proposal shall be accepted, and his sureties, must execute an indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack Master at Woolwich.

The Christian and Surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same, and it is to be understood that the said Commissioners will not undertake to procure the tenant a licence.

A printed form of the tender and indenture of lease may be had at this office, or on application to the said Barrack Master. No tender will be received after one o'clock, on the day of treaty, nor any noticed, unless the party attends, or an agent for him duly authorized in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words, "Tender for Marine Barrack Canteen," and must also be delivered at the Office of the Comptroller for Victualling and Transport Services, at Somerset-place.

By the Mutiny Act, Canteens are not liable to have troops billeted on them.

As the person becoming tenant of the Canteen will be bound to the strict performance of the covenants of the indenture of lease, and to the full payment of the rent and privilege of sale to the troops, without any remission or reduction under any circumstances whatever, he is hereby cautioned to make himself fully acquainted with the conditions of letting, prior to his making a proposal.

The rent of the Canteen as a tenement or dwelling is to be proposed at the sum stated below; therefore the biddings will be upon what is offered for every ten men per month, exclusive of sergeants occupying the barrack, the number being ascertained from the Barrack Master's returns, made up at twelve o'clock at noon on the first day of every month, and no changes in the occupation of the barrack which may take place in the progress of the month, either for or against the tenant, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated: thus, if the barrack should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any tenders be noticed except such as are strictly according to the form furnished.

WOOLWICH.....CANTEEN.....£25.
