TUESDAY, JANUARY 19, 1858.

Lord Chamberlain's Office, January 8, 1858.

NOTICE is hereby given that Her Majesty will hold a Drawing Room at St. James's Palace, on Saturday, the 30th instant, at two o'clock.

There will be no Presentations to Her Majesty on this occasion.

REGULATIONS TO BE OBSERVED AT THE QUEEN'S DRAWING-ROOM, AT ST. JAMES'S PALACE.

The Ladies, who purpose to attend Her Majesty's Drawing-Room, at St. James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in Attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to Her Majesty.

It is particularly requested that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to The Queen.

The state apartments will not be open for the reception of Company coming to Court, until half-past one o'clock.

Whitehall, January 18, 1858.

The Queen has been pleased to direct letters patent to be passed under the Great Seal, granting the dignity of a Baronet of the United Kingdom of Great Britain and Ireland unto Henry Marshman Havelock, Captain in the Army (eldest son of the late Major-General Henry Havelock, of Lucknow, K.C.B.), and to the heirs male of his body lawfully begotten, with remainder, in default of such issue, to the heirs male lawfully begotten of the body of his father, the said Major-General Henry Havelock.

Whitehall, January 18, 1858.

The Queen has been pleased to ordain and declare that Hannah Shepherd Havelock, the widow of the late Major-General Henry Havelock, Knight Commander of the Most Honourable Order of the Bath, shall have, hold, and enjoy the same style, title, place, and precedence to which she would have been entitled had her said husband survived and been created a Baronet, and for

which creation Her Majesty had given instructions, as notified in the London Gazette of the 27th of November last :

And also to command that the said royal order and declaration be registered in Her Majesty's College of Arms.

Foreign-Office, December 1, 1857.

The Queen has been graciously pleased to appoint the Honourable William George Stafford Jerningham to be Her Majesty's Chargé d'Affaires and Consul-General in the Republic of Peru.

Foreign-Office, January 11, 1858.

The Queen has been graciously pleased to appoint Edward Arnout Grattan, Esq., to be Her Majesty's Consul at Antwerp.

The Queen has also been graciously pleased to appoint Francis Lousada, Esq., to be Her Majesty's Consul at Boston.

Foreign-Office, January 18, 1858.

The Queen has been pleased to approve of Mr. Antonio Pisani as Consul at Malta for the Free Hanseatic City of Lubeck.

Board of Trade, Whitehall, January 18, 1858.

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Chargé d'Affaires at Lisbon, reporting that the Board of Health at that place having declared the port of Lisbon to be "suspected," no passengers on board vessels touching there, will be permitted to land at Madeira, without having performed a quarantine of observation of five days ; and as this quarantine cannot be observed in the port of Funchal, it is requisite that passengers desiring to be admitted to that port should quit the vessel in which they arrive at Lisbon, and after having performed the requisite quarantine, should proceed thence in another vessel to their destination. If, however, any death, or the outbreak of any disease requiring a fresh quarantine of observation should occur on the voyage from Lisbon to Madeira, no passenger will be permitted to land at that island.

Sir,

Camp, Lahore Gate, Delhi, November 20, 1857.

UNDER instructions from Major-General N. Penny, C.B., Commanding the Field Force, Delhi, I have the honour to forward, for the information of His Royal Highness the General Commanding-in-Chief, a Nominal Return of Men, killed and wounded, since the 11th of May, 1857, of the regiment under my command.

2. In consequence of the Adjutant of the Corps, with the Regimental Office and Record, having accompanied eight (8) companies of the 75th, that forms part of the Moveable Column, under Brigadier Grant, proceeding towards Lucknow, this return shows but a small portion of the killed in action, which cannot be obtained correctly, at present.

3. A Supplementary Return will, however, be prepared and forwarded with the least possible delay.

I have, &c.,
C. HERBERT, Lieutenant-Colonel,
Commanding Her Majesty's 75th Regiment.

The Adjutant-General,
Horse Guards, London.

And whereas further powers are given to the Commissioners of Her Majesty's Treasury by another Act of Parliament, passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office."

And whereas certain powers are also given to the Commissioners of Her Majesty's Treasury by another Act of Parliament, passed in the eighteenth year of the reign of Her present Majesty, intituled "An Act to amend the laws relating to the stamp duties on newspapers, and to provide for the transmission by post of printed periodical publications."

And whereas a Treaty hath been lately entered into between Her Majesty and the King of Sardinia, for regulating the communications by post between their respective dominions; and it is expedient for the better carrying out of the same, that certain regulations should be made in the manner hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said hereinafter recited Acts and every of them, and of all other powers enabling us in this behalf, do, by this Warrant under the hands of two of us the said Commissioners (by the autho.

3. On every letter not exceeding one quarter of an ounce in weight, transmitted by the post between Sardinia and the East Indies, Australia, Hong Kong, and China, *viâ* Malta, without passing through the United Kingdom, there shall be charged and taken an uniform rate of postage of four pence, if such postage be paid either in money or by postage stamps, at the time of the letter being posted ; and if not, an uniform rate of postage of sixpence, and in addition thereto, in either of such cases, there shall be charged and taken an uniform British sea rate of postage of four pence.

4. On every letter not exceeding one quarter of an ounce in weight, transmitted by the post *viâ* France, between Sardinia or any foreign country, *viâ* Sardinia, and any of Her Majesty's colonies, or any foreign country through the United Kingdom, there shall be charged and taken an uniform rate of British postage of one penny, for the conveyance of every such letter between Sardinia and any part of the United Kingdom.

5. All such respective letters so transmitted respectively as aforesaid, if exceeding one quarter of an ounce in weight, shall be subject to the several further, and additional, and progressive rates of postage hereinafter mentioned ; that is to say :

6. On every letter not exceeding half an ounce in weight, transmitted by the post *viâ* France, between Sardinia or any foreign country *viâ*

Sardinia, and any of Her Majesty's colonies, or any foreign country through the United Kingdom, there shall be charged and taken over and above the uniform rate of British postage mentioned in the 4th clause of this Warrant, for the conveyance between Sardinia and any part of the United Kingdom, such a further or additional rate of British postage, for the conveyance of every such letter between the port in the United Kingdom, of the departure or arrival of the packet or ship conveying the same, and the colony or foreign country to or from which the same shall be forwarded, as shall from time to time be charged and payable for British postage on letters not exceeding half an ounce in weight posted or delivered at the port in the United Kingdom of the departure or arrival of the packet or ship conveying the same, and transmitted direct between such port and any such colony or foreign country : Provided that in all cases where such additional rate includes both inland and sea services, there shall be deducted therefrom the sum of one penny in respect of the inland conveyance under this clause, of every such letter sent through the United Kingdom.

TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her present Majesty, intituled "An Act for the regulation of the duties of postage," power is given to the Commissioners of Her Majesty's Treasury from time to time by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any such altered rates, and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which may be payable are to be paid.

And whereas by an Act passed in the eleventh year of the reign of Her present Majesty, intituled "An Act for giving further facilities for the transmission of letters by post, and for the regulating the duties of postage thereon, and for other purposes relating to the Post Office," further powers are given to the Commissioners of Her Majesty's Treasury, and power is also given to the Postmaster-General (amongst other things) to collect and receive the foreign and colonial postage charged or chargeable on any letters sent by the post, and also with the consent of the Commissioners of Her Majesty's Treasury to require the postage, British, colonial, or foreign, of any letters sent by the post to be prepaid either in money or in stamps as he might think fit on the same being put into the Post Office, and also with such consent to abolish or restrict the prepayment in money of postage on letters sent by the post, either altogether or on certain letters, and to require the prepayment thereof to be in stamps, and also to refuse to receive or send by the post any letters tendered contrary to any regulations thereby made; and power is also given to the Postmaster-General and any officer of the Post Office, to detain any letters which should be posted or sent by the post contrary to the regulations therein mentioned, and to open such letters, and either to return them to the senders thereof or to forward them to the places of their destination charged in either case with such rates of postage as the Postmaster-General with the consent of the Commissioners of Her Majesty's Treasury, should from time to time direct.

And whereas the Commissioners of Her Majesty's Treasury have by divers Warrants under their hands, fixed, made, and established certain rates of British postage payable on the transmission by the post of certain colonial letters therein respectively mentioned, and it is expedient to make regulations for the prepayment of the several rates of postage payable thereon in the manner hereinafter mentioned.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us in and by the said hereinbefore recited Acts, or either of them, and of all other powers enabling us in this behalf, do by this present Warrant under the hands of two of us the said Commissioners, by the authority of the statute in that case made and provided, order and direct as follows; that is to say:

1. On every letter posted in the United Kingdom, addressed to any of Her Majesty's colonies in Australia, Tasmania, New Zealand, any of Her Majesty's colonies in the West Indies (the islands of Barbadoes, Trinidad, and Turk's Island excepted) or to Malta, Gibraltar, or Hong Kong, and on every letter posted in any of the said colonies respectively, addressed to the United Kingdom,

the postage thereof shall be paid at the time of the same being posted.

2. If any letter shall be posted in the United Kingdom, addressed to any of the colonies hereinbefore mentioned having thereon or affixed thereto a postage stamp or stamps, the value of which shall be less in amount than the single rate of postage to which such letter, if not exceeding half an ounce in weight, would be liable under the regulations in force relating thereto, or if any letter shall be posted in any of the colonies hereinbefore mentioned, addressed to the United Kingdom without any postage having been paid thereon, or with a postage paid thereon less in amount than the single rate of postage chargeable thereon, every such letter shall be detained and opened, and shall be either returned or given up to the sender thereof.

3. If any letter shall be posted in the United Kingdom, addressed to any of the colonies hereinbefore mentioned, having thereon or affixed thereto a postage stamp or stamps the value of which shall be less in amount than the rate of postage to which such letter would be liable under or by virtue of the regulations in force relating thereto, but equal in amount to the single rate of postage chargeable on any such letter, if not exceeding half an ounce in weight, every such letter shall be forwarded, charged with the amount of the difference between the value of such stamp or stamps so being thereon or affixed thereto, and the postage to which it would have been liable if the postage had been paid when posted, together with the further and additional rate of postage of sixpence; and if any letter shall be posted in any of the before-mentioned colonies addressed to the United Kingdom, and the postage paid thereon shall be less in amount than the rate of postage to which such packet would be liable, under and by virtue of the regulations in force relating thereto, but equal in amount to the single rate of postage chargeable on any such letter if not exceeding half an ounce in weight; every such last-mentioned letter shall be forwarded charged with the amount of the difference between the postage paid thereon and the postage to which it would have been liable if the postage had been paid when posted, together with the further and additional rate of postage of sixpence.

4. The terms and expressions used in this Warrant shall be construed to have the like meaning in all respects as they would have had if intimated in the said Act, passed in the fourth year of the reign of Her present Majesty.

5. The Commissioners for the time being of Her Majesty's Treasury may, by Warrant under their hands, duly made at any time hereafter, alter, repeal, or revoke any of the orders, directions, or regulations hereby made, and may make and establish any new or other orders, directions, or regulations in lieu thereof.

6. This Warrant shall come into operation on the first day of February, 1858.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Coals for Bermuda," and must be delivered at Somerset-place, accompanied by a letter, signed by a responsible person

Department of the Comptroller for Victualling and Transport Services, Somerset-House, January 14, 1858.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 28th instant, at half past one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores, at Deptford,

The rum to be exempted from the Customs' duties, and parties tendering are to state where it is lying.

Samples of the rum to be sent in pints for each Import Mark, and the average strength of each Mark Ex to be stated, and not an average of different marks or strengths of several imports; and any parcel of rum that is found not to be of the same quality, mark, or average strength of the sample tendered and accepted, will be rejected by the Officers.

The samples produced by persons whose tenders are not accepted, are requested to be taken away by them immediately after the contract has been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said Office, or to Commander Bevis, conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

The conditions of the revised contract, to which particular attention is called, may be seen at the said Office, and at Liverpool and Bristol.

No tender will be received after half past one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Rum," and must also be delivered at Somerset-House.

Master of the Rolls.—Monday, the 11th day of January, in the 21st year of the reign of Her Majesty Queen Victoria, 1858; between Francis Godden Bluet and Archibald Reid, plaintiffs; Charles Fryer, defendant.

FORASMUCH as the Right Honourable the Master of the Rolls was this present day informed by Mr. Dickinson, of Counsel for the plaintiffs, that the plaintiffs, on the 25th day of November, 1857, filed their Claim in this Court against the defendant, with an indorsement thereon requiring the defendant to appear thereto; and it

appearing by the two affidavits of Frederic William Smith, respectively filed the 18th day of December, 1857, and this day, that the defendant has been within the jurisdiction of this Court, within two years next, before the filing of the said Bill, and that all due diligence has been used to serve the said defendant personally with a copy of the said claim, but without effect; and that the said defendant is not to be found so as to be served with process, and from enquiries at the last known place of abode of the said defendant, and at other places where it was probable that the said defendant might be found, there is just ground to believe that the said defendant has absconded or is keeping out of the way to avoid being served with process: it is therefore ordered, that the defendant, Charles Fryer, do appear to the plaintiff's Bill on or before the 11th day of February next. And it is ordered that the plaintiffs do cause a copy of this Order, together with a notice thereof, to the effect set forth at the foot of the general Order of this Court in that behalf, to be inserted in the London Gazette within fourteen days from the date hereof, and in the Times Newspaper, published in the city of London, and in the Chelmsford Chronicle, published in Chelmsford, in the county of Essex.

Notice.—Charles Fryer, take notice, that if you do not appear, pursuant to the above Order, the plaintiffs may enter an appearance for you, and the Court may afterwards grant to the plaintiffs such relief as they may appear to be entitled to on their own showing.
