## TREASURY WARRANT.

WHEREAS by an Act of Parliament passed in the fourth year of the reign of Her Majesty, chapter 96, for the regulation of the duties of postage, certain scales of weight and rates of post-

age were fixed and made chargeable and payable upon, for, and in respect of letters, newspapers, parliamentary proceedings, and printed papers, transmitted and forwarded by the post, and various regulations were made for facilitating the transmission of such letters and papers by the post; and by the same Act powers were given to the Commissioners of Her Majesty's Treasury, from time to time, and at any time thereafter, by Warrant under their hands, to alter and fix any of the rates of British postage or inland postage payable by law on the transmission by the post of foreign or colonial letters or newspapers, or of any other printed papers, and to subject the same to rates of postage according to the weight thereof, and a scale of weight to be contained in such Warrant, and from time to time, by Warrant as aforesaid, to alter or repeal any of such altered rates and make and establish any new or other rates in lieu thereof, and from time to time, by Warrant as aforesaid, to appoint at what time the rates which might be payable were to be paid, and the power thereby given to alter and fix rates of postage was extended to any increase or reduction or remission of postage.

And whereas the provision fixing the maximum weight of letters to be sent by the post in the said before-mentioned Act was repealed, and further powers were given to the Commissioners of Her Majesty's Treasury in that behalf by another Act of Parliament passed in the eleventh year of the reign of Her Majesty, chapter 85, for giving further facilities for the transmission of letters by post and for the regulating the duties of postage thereon, and for other purposes relating to the Post-office.

And whereas the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to them in and by the said before-mentioned Acts of Parliament, and of all other powers enabling them in that behalf, did by a certain Warrant in writing, under the hands of two of them the said Commissioners (by the authority of the statute in that case made and provided), bearing date at Whitehall, Treasury Chambers, the 21st day of July, 1857, order, direct, and declare (amongst other things), that all packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, and all packets consisting of printed votes and proceedings of the Imperial Parliament, or the colonial legislatures, might be transmitted by the post between the several colonies and places mentioned and set forth in the Schedule B. to the said now reciting Warrant annexed, and that all such respective packets should be so transmitted respectively, in conformity with, and under and subject to, the several regulations, orders, directions, and conditions therein respectively mentioned and contained, and that the single rate of postage for the transmission thereof respectively, should be that which was therein mentioned and set forth, and that all such respective packets so transmitted should be subject to the several progressive and additional rates of postage therein also mentioned.

And whereas the Commissioners of Her Majesty's Treasury, in further exercise of the powers reserved to them in and by the said several hereinbefore recited Acts of Parliament, and of all other powers enabling them in that behalf by two other several Warrants in writing, under the hands respectively of two of them the said Commissioners (by the authority of the statute in that case made and provided), and bearing date respectively at Whitehall, Treasury Chambers, one of the said last mentioned two Warrants on the 19th day of June, 1858, and the other of the said last men-

tioned two Warrants on the 1st day of July, 1859, and respectively reciting the said hereinbefore recited Warrant of the 21st day of July, 1857, did make and declare certain other regulations, orders, directions, and conditions respecting certain of the said packets in and by the said recited Warrant of the 21st day of July, 1857, mentioned and authorized to be transmitted by the post, which said last mentioned regulations, orders, directions, and conditions respectively are also hereinafter mentioned.

And whereas it is expedient to extend the privilege of transmitting by the post packets of a like kind, between the colonies of Nova Scotia, Bermuda, and Newfoundland, and between any two of the said colonies, without passing through the United Kingdom, in conformity with, and under and subject to the same regulations, orders, directions, and conditions as are mentioned and contained in the said recited Warrant of the 21st day of July, 1857, so far as the same respectively are applicable to packets transmitted between the several colonies and places mentioned in the said schedule B, to the said recited Warrant annexed, with such provisions, nevertheless, as are contained respectively in the said two recited Warrants of the 19th day of June, 1858, and the 1st day of July, 1859, in the manner, and at the rates of postage hereinafter mentioned and contained.

Now we, the Commissioners of Her Majesty's Treasury, in exercise of the powers reserved to us, in and by the said several hereinbefore recited Acts of Parliament, or either of them, and of all other powers enabling us in this behalf, do, by this present Warrant, under the hands of two of us the said Commissioners, by the authority of the statute in that case made and provided, order, direct, and declare as follows:

1. All packets consisting of books, publications, or works of literature or art, whether British, colonial, or foreign, and all packets, consisting of printed votes and proceedings of the Imperial Parliament or the colonial legislatures, may be transmitted by the post between the colonies of Nova Scotia, Bermuda, and Newfoundland, or between any two of the said colonies, without passing through the United Kingdom, the sea conveyance being by British packet-boat; and that on every such packet so transmitted as aforesaid, if not exceeding four ounces in weight, there shall be charged, taken, and paid for the transmission thereof respectively as aforesaid, the uniform single rate of postage of three pence. And on every such packet so transmitted as aforesaid, under the provisions of this present Warrant, exceeding four ounces in weight, there shall be charged, taken, and paid, such progressive and additional rates of postage as are directed to be charged, taken, and paid on and in respect of the several packets mentioned and contained in, and authorized to be transmitted by the post, under the provisions of the said hereinbefore recited Warrant of the 21st day of July, 1857.
