NOTICE is hereby given, that The Queen will hold a Levee, at St. James's Palace, upon Wednesday the 20th of June next, at two o'clock.

N.B.—The Knights of the several Orders are to appear in their Collars at the Levee on the 20th of June.

REGULATIONS

TO BE OBSERVED WITH REGARD TO THE QUEEN'S LEVEES AT ST. JAMES'S PALACE.

By Her Majesty's Command.

The Noblemen and Gentlemen, who propose to attend Her Majesty's Levees, at St. James's Palace, are requested to bring with them two large cards, with their names *clearly written* thereon, one to be left with The Queen's Page in Attendance in the Corridor, and the other to be delivered to the Lord Chamberlain, who will announce the name to The Queen.

PRESENTATIONS.

Any Nobleman or Gentleman who proposes to be presented to The Queen must leave at the Lord Chamberlain's Office, *before twelve o'clock*, two clear days before the Levee, a card with his name written thereon, and with the name of the Nobleman or Gentleman by whom he is to be presented. In order to carry out the existing regulation that no presentation can be made at a Levee excepting by a person actually attending that Levee, it is also necessary that a letter from the Nobleman or Gentleman who is to make the presentation, stating it to be his intention to be present, should accompany the presentation card above referred to, which will be submitted to The Queen for Her Majesty's approbation. It is Her Majesty's command, that no presentations shall be made at the Levees, except in accordance with the above regulations.

It is particularly requested, that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to The Queen.

The state apartments will not be open for the reception of Company coming to Court, until half-past one o'clock.

ADDRESSES.

The same regulations apply to the presentation of Addresses or Petitions.

A card containing a statement of the object of the addresses or Petitions, with the names of the persons who are to present them, must be sent to the Lord Chamberlain's Office two clear days before the Levee. Two other cards, containing similar information, are to be taken to the Levee, one to be delivered to The Queen's Page in Attendance in the Corridor, and the other to the Lord Chamberlain, who shall read its contents to The Queen.

On these occasions no other statement is to be addressed to Her Majesty.

A Deputation to present an Address is not to exceed four persons.

The members of a Deputation, who have not previously attended Court, must be presented to The Queen.

Hartigan</p> <p>Date of Acts of Bravery, 8th June and 10th October, 1857.</p>	<p>For daring and distinguished gallantry in the following instances:—</p> <p>At the battle of Budle-ke Serai, near Delhi, on the 8th June, 1857, in going to the assistance of Serjeant H. Helstone, who was wounded, dismounted, and surrounded by the enemy, and at the risk of his own life, carrying him to the rear.</p> <p>On the 10th October, 1857, at Agra, in having run unarmed to the assistance of Serjeant Crews, who was attacked by four rebels. Hartigan caught a tulwar from one of them with his right hand, and with the other hit him on the mouth, disarmed him, and then defended himself against the other three, killing one and wounding two, when he was himself disabled from further service by severe and dangerous wounds.</p>

By his habitual coolness and daring, and sustained bravery in action, his name has become a household word for gallantry among his comrades.</p>

Office of the Inspector-General of Imports and Exports, Custom-house, London, 18th June, 1860.

ALEXR. C. FRASER,
Assistant Inspector-General of Imports and Exports.

Metropolitan Board of Works.

THE Metropolitan Board of Works, in pursuance of the provisions of the Act of the Session of Parliament holden in the 18th and 19th years of Her Majesty, "For the Better Local Management of the Metropolis," and of the Act of the 2nd Session of Parliament holden in the 21st and 22nd years of Her Majesty, "To alter and amend the Metropolis Local Management Act, 1855," do hereby give notice, that they propose, with all convenient speed, to construct, under the powers vested in them by the said Acts, certain Main Drainage Works, being a portion of the works authorized and directed by the said Acts for the improvement of the main drainage of the metropolis, and for preventing, as far as may be practicable, the sewage of the metropolis from passing into the river Thames within the metropolis, which works so to be constructed and executed are as follows; that is to say:—

Certain outfall culverts, enclosed generally within a raised embankment of earth, to extend from a certain field in the parish of West Ham, and county of Essex, near Abbey-Mill-lane, in the said parish and county, and in the occupation of Mr. John Honck, and to proceed thence, in a generally easterly direction, across Abbey Creek and Channelsea river, and through certain private lands to the North Woolwich Branch of the Eastern Counties Railway, crossing the said railway at its intersection with Marsh-lane, and proceeding thence, through and along other private lands, across the Bow and Barking Railway, Balaam-street, Plaistow, the Barking-road, Prince Regent-lane, Blind-lane, and East Ham Manor-road, which they will cross at a point about 500 feet south of East Ham Church, and will proceed thence, to a reservoir to be constructed at the outlet of the said culverts, into the river Thames, at Barking-creek.

The whole of the lands, roads, streams, and places through or across which the said sewer and works will pass, are situate, respectively, in the counties of Essex and Kent, and in the several parishes of West Ham, East Ham, Barking, and Woolwich.

In connection with the culverts and works above described, the said Board will erect a pumping station, comprising steam engines, pumps, and other machinery, and all necessary buildings and works appertaining thereto, in and upon lands situate in the parish of West Ham, and in the county of Essex, in the occupation of Mr. John Honck, and near to Abbey Mills, in the said parish and county.

In connection with the same works, the said Board will also construct a covered reservoir in and upon lands situate in the parishes of Woolwich and Barking respectively, and in the respective counties of Kent and Essex, adjacent to Barking-creek and the river Thames, and in the occupation of Mr. — Offin.
