## REGIMENTAL DEBTS ACT, 1863.

NOTICE is hereby given, that Her Majesty's Principal Secretary of State for the War Department holds in his hands for distribution amongst the next of kin of each of the deceased soldiers named in the list hereunder written, the sum of money set opposite to each name.

Applications from persons supposing themselves entitled as next of kin should be addressed by letter to "The Under-Secretary of State, War Office, London, S.W.," and marked outside "Soldier's Effects."

No application can be attended to which does not state the dates and places of the soldier's birth, enlistment, and death, and the name of his regiment; his regimental number should also be stated if known.

Should not these particulars furnished by the applicant agree with the facts recorded on the War Office documents relating to the deceased soldier, the applicant will be so informed; but should they agree therewith, then within three calendar months the Secretary of State will furnish the applicant with the usual requirements needed for the proof of the alleged relationship.

The application must be authenticated by the signature of the applicant, and his name should be affixed in the presence of the clergyman, or one of the churchwardens of the parish, or a Justice of the Peace; the applicant's address, with the name of the post town, must also be clearly stated. No personal application can receive attention.

Further lists will from time to time be published, and therefore, it will facilitate the applicants' inquiries to give the number and date of the notice in which the deceased soldier's name appeared.—Dated this 15th day of March, 1867.
