PRESENTATIONS.

Any Nobleman or Gentleman who proposes to be presented, must leave at the Lord Chamberlain's Office, St. James's Palace, *before twelve o'clock*, two clear days before the Levee, a card with his name written thereon, and with the name of the Nobleman or Gentleman by whom he is to be presented. In order to carry out the existing regulation that no presentation can be made at a Levee excepting by a person actually attending that Levee, it is also necessary that an intimation from the Nobleman or Gentleman who is to make the presentation, of his intention to be present, should accompany the presentation card above referred to, which will be submitted to The Queen for Her Majesty's approbation. It is Her Majesty's command that no presentations shall be made at these Levees, except in accordance with the above regulations.

It is particularly requested, that in every case the names be *very distinctly written* upon the cards to be delivered to the Lord Chamberlain, in order that there may be no difficulty in announcing them to His Royal Highness.

The State apartments will be open for the reception of Company coming to Court at one o'clock.
