TUESDAY, JANUARY 9, 1883.

AT the Court at *Oshorne House, Isle of Wight*, the 28th day of *December*, 1882.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty, King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her Majesty (session two) chapter twenty-six duly prepared and laid before Her Majesty in Council a scheme, bearing date the fourteenth day of December, in the year one thousand eight hundred and eighty-two, in the words following, that is to say:—

“We the Ecclesiastical Commissioners for England in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth chapter seventy-seven and of the Act of the fifth year of Your Majesty (session two) chapter twenty-six have prepared and now humbly lay before Your Majesty in Council the following scheme for authorising certain alterations and improvements at the episcopal residence belonging to the See of Newcastle which is situate in the parish of Benwell in the county of Northumberland and is known as Benwell Tower.

“Whereas the Right Reverend Ernest Roland Bishop of the diocese of Newcastle is desirous that certain permanent improvements should be made at the said episcopal residence known as Benwell Tower and has submitted to us the particulars of such proposed improvements and we have approved the same.

“And whereas the said Bishop is also desirous and it appears to us to be expedient that towards the cost of effecting the said proposed improvements a sum of six hundred and fifty pounds (being a sum which does not exceed two years income of the See) should be provided by borrowing the same by way of mortgage upon the security of all and every part of the lands tenements and hereditaments or endowments which now belong to the Bishoprick of Newcastle.

“Now therefore with the consent of the said Ernest Roland Bishop of the said diocese of Newcastle, testified by his having affixed his signature and episcopal seal to this scheme, we the said Ecclesiastical Commissioners for England humbly recommend and propose that the said Bishop be authorised to borrow from the Governors of the Bounty of Queen Anne, and that the said Governors be empowered to lend, under

the provisions of the above-mentioned Acts any sum not exceeding six hundred and fifty pounds and that as a security for the same the said Bishop do mortgage all and every part of the lands tenements and hereditaments and endowments which belong or may hereafter belong to his said See to the said Governors by deed for the term of thirty-five years or until the said sum of six hundred and fifty pounds with the interest for the same as hereinafter mentioned, and all costs and charges which may attend the recovery thereof shall be fully paid and satisfied; and that such principal sum shall be repaid with interest in manner following that is to say during and in respect of the first period of twelve months of the said term computed from the day of the date of the mortgage, no part of the said principal sum shall be repayable; but the said Bishop or his successors shall yearly at the end of the second period of twelve months so computed and at the end of every such like period of twelve months thereafter pay to the said Governors their successors or assigns one thirtieth part of the said principal sum until the whole thereof shall be repaid; and shall also at the end of the first and each succeeding period of twelve months, computed as aforesaid, pay interest at the rate of four pounds per centum per annum on the said principal sum or on so much thereof as shall from time to time remain unpaid and if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore-mentioned shall be in arrear and unpaid for the space of forty days after the same shall have become due it shall and may be lawful for the said Governors their successors and assigns to recover the same and the costs and charges attending the recovery thereof by distress and sale; in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale, and that such mortgage deed shall be in the form and to the effect to be approved by us the said Ecclesiastical Commissioners and shall bind as well the said Ernest Roland now Bishop of the said diocese of Newcastle as every succeeding Bishop of the same diocese until the principal money and interest costs and charges shall have been paid off and discharged.

“And we further recommend and propose that the said sum of six hundred and fifty pounds shall be paid to us the said Ecclesiastical Commissioners, and that the receipt of our joint treasurers for the time being endorsed on the said mortgage deed shall be a good and sufficient discharge to the said

Governors and their successors for the same, who shall not be bound or required to see to the application thereof and that upon the receipt of the said sum of six hundred and fifty pounds the whole or any part or parts thereof shall be applied by us, at such times and in such manner as shall appear to us to be expedient, towards effecting the said proposed improvements at the episcopal residence aforesaid.

"And we further recommend and propose that the Bishop of the said diocese of Newcastle for the time being shall at his personal charge and expense insure and keep insured the episcopal house of residence aforesaid from loss or damage by fire in one of the public offices of Assurance in London or Westminster to be approved by us in a sum not less than nine thousand pounds and that such Bishop shall within fourteen days after any premium for such assurance shall have become due and payable deliver to us the receipt for the same, and that in case of any loss or damage by fire to the said house any and every sum receivable under such insurance shall become and be payable and be paid to and deposited with us in trust to be applied and the same together with any interest and accumulations thereof shall be applied by us towards the rebuilding or repairing and reinstating of the said house or of any part thereof which may have so suffered loss or damage in such manner as shall be determined on by us with the concurrence of the Bishop of the said diocese of Newcastle for the time being.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in conformity with the provisions of the herein-named Acts or of either of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council; now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Newcastle.

AT the Court at *Osborne House, Isle of Wight*, the 28th day of *December*, 1882.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act passed in the session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

And whereas Orders in Council have been made

directing the discontinuance of burials in the churchyards hereinafter mentioned from the time specified in such Orders; and whereas it seems fit to Her Majesty, by and with the advice of Her Privy Council, that the time for discontinuing burials in the said churchyards be postponed:

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the time for the discontinuance of burials in such churchyards be postponed as follows, viz.:

In the parish churchyard of *Headington, Oxfordshire*, to the thirtieth day of *June*, one thousand eight hundred and eighty-three.

In the parish churchyard of *North Frodingham*, in the county of *York*, to the thirty-first day of *March*, one thousand eight hundred and eighty-three.

In the parish churchyard of *Cobham*, in the county of *Surrey*, to the thirtieth day of *April*, one thousand eight hundred and eighty-three.

Privy Council Office, January 8, 1883.

THE MUNICIPAL CORPORATIONS ACT, 1882.

THE following scheme for the adjustment of the liabilities of the Croydon Local Board of Health, and for other purposes, as settled by a Committee of the Lords of Her Majesty's Privy Council, is published in pursuance of the Municipal Corporations Act, 1882.

WHEREAS certain inhabitant householders of the parish of Croydon, in the county of Surrey, have petitioned the Queen's Most Excellent Majesty for the grant of a Charter of Incorporation to the inhabitants of the said parish; and whereas such petition was referred to a Committee of the Lords of Her Majesty's Privy Council; and whereas it is proposed by the Charter to extend the Municipal Corporation Acts to the municipal borough to be created by the Charter, being the said parish excluding the portion of the said parish known as Selsdon or Croydon Crook, and containing 888-889 acres, and forming the detached part of the said parish to the South-East.

And whereas under and by virtue of "The Public Health Act, 1848," and the various Acts amending the same, the Croydon Local Board of Health (hereinafter called "the Local Board") was constituted and became invested with various powers and duties, including the powers of borrowing moneys upon the security of rates to be made by the said Local Board in the whole of the parish of Croydon.

And whereas the loans specified in the schedule hereto are owing by the said Local Board to the persons, Associations, and Corporate bodies in manner set forth in the said schedule respectively.

And whereas the said loans, except the last loan in such schedule, were advanced to the said Local Board upon the security of rates to be made by the said Local Board upon the whole of the said parish of Croydon, including the portion thereof known as Selsdon or Croydon Crook aforesaid.

And whereas such last-mentioned loan was advanced to the said Local Board on the security of certain lands and premises the property of the said Local Board, but in the deed securing such advance the said Local Board covenanted for the repayment of the same, and it therefore became and is a liability to be paid out of the rates of the whole of the said parish of Croydon, including the portion thereof known as Selsdon or Croydon Crook aforesaid.

And whereas it is expedient that a Scheme be settled for the adjustment of the liabilities of the

said Local Board in respect of the said loans, so as to ensure that the security of the creditors of the said Local Board in respect thereto shall not be diminished.

And whereas it is also expedient that a Scheme be settled for compensation to officers of the said Local Board who may not be employed by the Council of the Municipal Borough.

It is hereby ordered and declared as follows:—

1. This scheme may be cited for all purposes as "The Borough of Croydon Scheme, 1883."

2. This Scheme shall come into operation on the day of the first meeting of the Council of the municipal borough created by the said charter, which date is hereinafter referred to as the commencement of this scheme.

3. Upon the day of the commencement of this scheme the Local Board shall cease to exist, and upon and after the said day all the powers, rights, privileges, franchises, duties, obligations, property, things in action, and liabilities whatsoever exercisable by, or vested in, or attaching to the said Local Board (except the powers, rights, privileges, franchises, duties, and obligations of the Local Board in respect of Selsdon or Croydon Crook aforesaid) shall be transferred to, and extend to, continue, and vest in, attach to, and be exercised by, and be enforceable against, the Mayor, Aldermen, and Burgesses of the Borough of Croydon, acting by the Council of the Borough.

The Municipal Borough created by the said Charter shall upon and after the said day be within the jurisdiction of the Mayor, Aldermen, and Burgesses of the Borough of Croydon acting by the Council of the Borough, as the Sanitary Authority of the said borough, and be subject to all the provisions of the "Public Health Act, 1875," and any Act amending the same, and shall be an Urban Sanitary District within the said Act.

3a. From and after the commencement of this scheme that part of the parish of Croydon known as Selsdon or Croydon Crook, which was within the district of the Local Board, and is not within the limits of the said Municipal Borough, shall for all the purposes of "The Public Health Act, 1875," and any Act amending the same, be within and be part of the district of the Rural Sanitary Authority of the Croydon Union, and be within the jurisdiction of the said Sanitary Authority, and the powers, rights, privileges, franchises, duties, and obligations of the Local Board in respect thereof shall (as to such of them as are vested in, exercisable by, or attached to a Rural Sanitary Authority under "The Public Health Act, 1875," be transferred to and be exercised by and attach to the said Rural Sanitary Authority.

4. The Council of the said borough shall from and after the commencement of this scheme keep a separate account of the loans set forth in the schedule hereto, and of all sums to be paid on account of principal or interest in respect of the same.

4a. In case the rates or funds of the borough created by the said charter shall in any one year,

dating from the commencement of this scheme, prove insufficient for the payment of any sums payable in such year on account of principal or interest in respect of the loans set forth in the schedule hereto, and such insufficiency shall not be due to the omission of the rating authorities of the said borough to make, raise, or levy, or to cause to be made, raised, or levied any rates or sufficient rates, it shall be lawful for the Mayor, Aldermen, and Burgesses of the borough of Croydon, acting by the Council of the borough, to levy upon the property situate in Selsdon or Croydon Crook aforesaid such rates as shall be sufficient to meet such deficiency in such manner as the Local Authority by this scheme dissolved might have done, and shall for that purpose have and exercise all the powers the said Local Authority might have had and exercised for that purpose. Provided always, that the amount so levied shall not exceed the proportionate amount of the sums payable in the said year which would have been payable in respect of the property in Selsdon or Croydon Crook if this scheme had not been made and the said Charter had not been granted.

5. In case any of the officers of the said Local Board who shall have been employed by them for a period of five years shall not be employed by the Council of the said Borough, nor offered by the said Council a position in their employ of a similar character and of an equal value to that formerly held by him, he shall be entitled to be paid by way of compensation for the loss of his position out of the funds of or under the control of the Mayor, Aldermen, and Burgesses of the Borough of Croydon acting by the Council, as the Urban Sanitary Authority for the said Municipal borough, such annual allowance as on a full consideration of the circumstances of the case may seem to the Lords Commissioners of Her Majesty's Treasury to be a reasonable and just compensation for the loss of his position, and the said Commissioners, in awarding the said compensation, shall be guided by the principles which would be applicable in the case of an award of compensation under the provisions of "The Superannuation Act, 1859," to a person retiring or removed from the public service in consequence of the abolition of his office. Provided, that no special minute within the meaning of the said Act stating any special grounds for granting such allowance shall be necessary or be made. Provided nevertheless, that if any such officer be so employed by the said Council and discharged by them within two years of the first day of November, 1882, he shall be entitled to compensation in the same manner as if he had not been employed by the said Council. Provided, that the term "officer" shall include only all salaried persons employed by the Board subject to a notice of one month or upwards who devote their whole time to the service of the said Board, and whose salaries or emoluments are payable at intervals of not less than one month.
