SYDNEY, Lord Steward.

AT the Court at *Osborne House, Isle of Wight*, the 2nd day of *February*, 1884.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act of Parliament made and passed in the session of Parliament, holden in the 7th and 8th years of the reign of Her present Majesty intituled "An Act to amend the Law respecting the office of County Coroner," it was amongst other things enacted that when and as often as it should seem expedient to the Justices of any county, that such county should be divided into two or more districts for the purposes of that Act, it should be lawful for the said Justices, in General or Quarter Sessions assembled, to resolve that a petition should be presented to Her Majesty praying that such division be made and thereupon to adjourn the further consideration of such petition until notice thereof should be given to the Coroner or Coroners of such county as thereafter provided.

And whereas it was, by the same Act, also enacted that the Clerk of the Peace should give notice of any such resolution to every Coroner for such county, and of the time when the petition would be taken by the said Justices into consideration, and the Justices should confer with every such Coroner who should attend the meeting of the Justices for that purpose, touching such petition, having due regard to the size and nature of each proposed district, the number of the inhabitants, the nature of their employments and such other circumstances as should appear to the Justices fit to be considered in carrying into execution the provisions of that Act: and such petition,

with a description of the several proposed districts, and of the boundaries thereof with the reasons upon which the petition is founded, should be certified to Her Majesty under the hands and seals of two or more of the Justices present when such petition should be agreed to, and the Clerk of the Peace for such county should forthwith give or send a true copy of such petition, certified under his hand to every Coroner for such county.

And whereas it was by the same Act also enacted that it should be lawful for Her Majesty, if she should think fit, with the advice of Her Privy Council, after taking into consideration any such petition, and also any petition which might be presented to Her, by any Coroner of the same county concerning any such proposed division, or whenever it should seem fit to Her Majesty to direct the issue of a writ "De Coronatore Eligendo," for the purpose of authorizing the election of an additional Coroner above the number of those who had been theretofore customarily elected in such county, to order that such county should be divided into such and so many districts, for the purposes of that Act, as to Her Majesty, with the advice aforesaid, should seem expedient, and to give a name to each of such districts, and to determine at what place within each district, the Court for the election of Coroner for such district should be holden as therein-after provided, and every such Order should be published in the London Gazette.

And whereas a petition has been presented to Her Majesty by the Justices for the county of Monmouth, which petition sets forth:

"That the county of Monmouth (exclusive of the manor of Chepstow) for which coroners are elected under Writs de Coronatore Eligendo has been customarily divided into two districts for the purpose of holding inquests during the space of seven years and upwards before the passing of the Act of the 7th and 8th years of Your Majesty's reign chapter 92 entitled 'An Act to amend the Law respecting the office of County Coroner' but the said county has not been divided into districts for the purposes of the said Act.

"That one of such customary districts comprises the several parishes and places hereinafter called 'the late Mr. Brewer's District' and the other of such customary districts comprises the

several parishes and places hereinafter called 'Mr. Batt's District.'

"That it seems expedient to your petitioners that the said county (exclusive of the manor of Chepstow) should be divided into three districts under and for the purposes of the said Act instead of into two customary districts as heretofore.

"That at the General Quarter Sessions of the Peace for the said county held on the 16th day of October, 1883 it was resolved that a petition should be presented to Her Majesty praying that such division should be made and the further consideration of such petition was adjourned to the next General Quarter Sessions of the Peace for the said county appointed to be held on the 1st day of January, 1884.

"That notice of such resolution was given by the Clerk of the Peace for the said county to the said Mr. Batt the sole surviving Coroner and of the time when the petition would be taken by the said Justices into consideration.

"That on the 24th day of December 1883 Mr. Batt conferred with the Finance Committee of the said Justices and authorized such Committee to report that he assented to the scheme of the petition and that in consequence he did not attend the meeting of the said Justices at the General Quarter Sessions of the Peace held on the 1st day of January 1884.

"That a true copy of such petition certified under the hand of the said Clerk of the Peace was sent to the said Mr. Batt previously to such meeting.

"That such three districts should be respectively named 'The Abergavenny District' 'The Monmouth District' and 'The Newport District' and that the Courts for the election of Coroners for such districts should be respectively held in the following places that is to say:—The Court for the election of a Coroner for the Abergavenny District at Abergavenny in the same district the Court for the election of a Coroner for the Monmouth District at Monmouth in the same district and the Court for the election of a Coroner for the Newport District at Newport in the same district.

"That your Petitioners do not propose that the formation of the Monmouth District should take effect or that the parishes and places to be comprised in it should be transferred from Mr. Batt's District in which they are now included until his death resignation or removal.

"That the following are the reasons upon which this Petition is founded that is to say :—

"1. There are no acknowledged boundaries of the two customary districts.

"2. From the formation of the country, which is in great part mountainous and from the changes which have taken place of late years in the main lines of traffic the means of access from one part of the present customary districts to another are inconvenient.

"3. The population in the late Mr. Brewer's District has materially increased during the rapid and continuous development of the minerals in the county and is disproportionate to that of the remainder of the county.

"4. The distances to be travelled by the Coroners will be considerably reduced.

"5. As whilst this petition was under consideration a vacancy has occurred in the Coronership through the death of Mr. Brewer, and the Writ de Coronatore Eligendo has not yet been issued, the present is a convenient time for making the division, which has the assent of the existing Coroner Mr. Batt.

"Your petitioners therefore most humbly pray Your Majesty that Your Majesty will be graciously pleased to take this petition into consideration, and to order that the said county for which Coroners are elected under Writs De Coronatore Eligendo (being exclusive of the manor of Chepstow), shall be divided into three districts, for the purposes of the Act of the 7th and 8th years of Your Majesty's reign, chapter 92, such districts to be respectively named "the Abergavenny District," "the Monmouth District," and "the Newport District," and to comprise the several parishes and boundaries hereinbefore set forth, but so that the formation of the Monmouth District shall not take effect, nor the parishes and places to be comprised in it be removed from Mr. Batt's District, in which they are now included, but that the same shall be attached to the Abergavenny District until the death, resignation, or removal of Mr. Batt. And also to determine and order that the Court for the election of a Coroner for the said Abergavenny District should be holden at Abergavenny, in the same district; that the Court for the election of a Coroner for the Monmouth District should be holden at Monmouth, in the same district; and that the Court for the election

of a Coroner for the Newport District should be holden at Newport, in the same district."

And whereas the said petition was duly certified to Her Majesty under the hands and seals of two of the Justices present at the General Quarter Sessions of the Peace held in and for the said county of Monmouth on the 1st day of January 1884 when such petition was agreed to.

And whereas the hereinbefore recited provisions of the said Act have been strictly complied with in relation to the said petition.

And whereas no petition has been presented to Her Majesty by Mr. Edgar Batt the only Coroner of the said county concerning such proposed division.

And whereas Her Majesty has with the advice of Her Privy Council taken into consideration the hereinbefore recited petition.

Now therefore Her Majesty by and with the advice of Her said Privy Council is pleased to order and it is hereby ordered that from and immediately after the said Mr. Edgar Batt shall have died or shall have resigned been removed from or otherwise ceased to hold his said office (whichever event first happens) the said county (exclusive of the manor of Chepstow) shall be, and the same is hereby divided into three districts for the purposes of the hereinbefore in part recited Act, and that such districts shall be respectively named "The Abergavenny District," "The Monmouth District," and "The Newport District," which said districts shall comprise the several parishes places and boundaries respectively mentioned in connection with the name of the said districts, and set forth in the schedule hereto.

And Her Majesty, by and with the advice of Her said Council, is also pleased to determine and order, and it is hereby ordered that the Court for the election of Coroner for the said Abergavenny District shall be holden at Abergavenny within the parish of Abergavenny within such district: that the Court for the election of Coroner for the said Monmouth District shall be holden at Monmouth within the parish of Monmouth within such district: and that the Court for the election of Coroner for the Newport District shall be holden at Newport within the parish of Newport within such district, and the several Courts for the election of Coroners for the said several districts shall be respectively holden at the places aforesaid, as by the hereinbefore in part recited Act, and by law is provided. And it is hereby further ordered that the manor of Chepstow shall be deemed to be in no one of the said three districts.
