Privy Council Office, June 10, 1886.

THE following Scheme for the adjustment of the property, rights, liabilities, &c., of the West Ham Local Board of Health, and the School Boards of the parishes of West Ham and Wanstead, and for other purposes, as settled by a Committee of the Lords of Her Majesty's Most Honourable Privy Council, is published in pursuance of the Municipal Corporations Act, 1882.

"WHEREAS, by the Municipal Corporations Acts, 1882 and 1885, it is enacted that where a petition for a charter of incorporation is referred to the Committee of Her Majesty's Most Honourable Privy Council, and it is proposed by the charter to extend the Municipal Corporations Acts to the Municipal Borough to be created by the charter, the said Committee of Council may settle a scheme for the purposes in the said Acts named, and containing such provisions as are in the said Acts particularised:

"And whereas certain inhabitant householders of the Local Government District of West Ham, in the county of Essex, have petitioned Her Majesty the Queen, praying for the grant of a charter of incorporation:

"And whereas the said petition for a charter has been referred to the Committee of Council, and it is proposed to create the said district a municipal borough, and to incorporate the inhabitants thereof, and by the charter to extend the Municipal Corporations Acts to the Municipal Borough, to be created by the charter:

"And whereas, under and by virtue of the Public Health Act, 1848, and the various Acts amending the same, the West Ham Local Board of Health (hereinafter called the 'Local Board') was constituted and became invested with various powers and duties, and the same was immediately before the commencement of this scheme the Urban Sanitary Authority for the said Local Government District of West Ham:

"And whereas under and by virtue of the Elementary Education Act, 1870, and the various Acts amending the same, a School Board for the parish of West Ham was formed for the parish of West Ham and the Wanstead School Board was formed for the parish of Wanstead:

"And whereas it is desirable that the West Ham School Board should continue to be the School Board for the said borough:

"And whereas the Local Board and the said School Boards are local authorities within the meaning of the Municipal Corporations Acts, 1882 and 1885:

"And whereas this scheme was before being settled by the Committee of Council referred to the consideration of the Committee of the Lords of the Privy Council on Education (hereinafter referred to as the Education Department):

"And whereas it is expedient that a scheme should be made and settled containing the provisions hereinafter set forth:

"Now, therefore, pursuant to the Municipal Corporations Acts, 1882 and 1885, and every other power enabling them in that behalf, the said Committee of Council have settled a scheme containing the provisions herein, and do hereby order and declare as follows:

"1. This Scheme may be cited for all purposes as 'The Borough of West Ham Scheme, 1886.'

"2. This Scheme shall come into operation on the day of the first meeting of the Council of the Municipal Borough created by the said Charter, which date is hereinafter referred to as 'the commencement of the Scheme.'

"3. The Municipal Borough created by the said charter shall be and is hereby placed immediately on, from, and after the day of the first meeting of the Council of the Municipal Borough aforesaid within the jurisdiction of the Mayor, Aldermen, and Burgesses of the Borough of West Ham, acting by the Council of the Borough as the Sanitary Authority of the said borough.

"4. Immediately from and after the commencement of this Scheme the Local Board shall be and the same is hereby abolished, and shall thenceforth be dissolved and cease to exist.

"5. Any power, right, duty, capacity, liability, obligation, or property immediately before the commencement of this Scheme exercisable by attaching to or vested in the Local Board under any local, personal, or general Act of Parliament (not being one of the Acts referred to in section 310 of the Public Health Act, 1875) shall pass to, be exercisable by, attach to, and vest in the Mayor, Aldermen, and Burgesses of the borough of West Ham, acting by the Council as the Sanitary Authority of the said borough.

"6. Notwithstanding the creation of the said Municipal Borough the School Board for the parish of West Ham shall be and shall continue to be the School Board for the Municipal Borough of West Ham by the name of the School Board of the borough of West Ham in all respects to the same extent and in the same manner as if at the time of the formation of the School Board for the said parish of West Ham by the Education Department the said borough of West Ham had

been created a Municipal Borough, and the School Board of the parish of West Ham had been formed and created for the said borough by the name of the School Board of the Borough of West Ham, and as if the Local Rate and the Rating Authority had been the Borough Fund or Rate and the Council of the said borough respectively, and everything in connection with the said Board and School District shall be done and had accordingly.

"7. All liabilities and assets attaching to and vested in the School Board for the parish of West Ham immediately before the commencement of this Scheme shall be and continue attached to and vested in the School Board for the borough of West Ham and all charges charged on the Poor Rate and School Fund of the said parish immediately before the commencement of this Scheme shall be a charge upon the School Fund of the School Board for the borough of West Ham and the Borough Rate or Fund respectively.

"8. Any Bye-laws made under the Acts relating to Public Elementary Education in force at the date of this Scheme shall continue in force and apply to the whole borough of West Ham.

"9. Any act or omission done or made by the Education Department or the said School Board for the parish of West Ham or the Council of the said borough or any Justice since the date of the said Charter shall be deemed to have been lawfully done or made if it might have been lawfully done or made by the said Department School Board Council or Justice if no Charter had been granted or the said School Board had been the School Board for the borough of West Ham.

"10. That portion of the parish of Wanstead which is under the said Charter included in the borough of West Ham shall for all purposes be within the School District and jurisdiction and authority of the said School Board for the borough of West Ham and shall no longer be for any purpose within the School District or jurisdiction or authority of the said School Board for the parish of Wanstead.

"11. Any act or omission done or made since the date of the said Charter by the Education Department or the said School Board for the parish of West Ham or the said School Board for the parish of Wanstead or the Council of the said borough or any Justice with respect to or in the said portion of the parish of Wanstead included in the said borough shall be deemed to have been lawfully done or made if it might have been lawfully done or made by the said Department School Boards Council or Justice if no Charter had been granted or the said portion of the parish of Wanstead was part of the parish of West Ham or the School Board of the parish of West Ham had been the School Board for the borough of West Ham.

"12. In case any officer of the said Local Board, who shall have been employed by the said Local Board for a period of five years, shall not be employed by the Council of the said borough, nor offered by the said Council a position in their employ of a similar character, and of an equal value to that formerly held by him, he shall be entitled to be paid, by way of compensation for the loss of his position, out of the funds of or under the control of the Mayor, Aldermen, and Burgesses of the Borough of West Ham, acting by the Council as the Urban Sanitary Authority for the said Municipal Borough, such annual allowance as on a full consideration of the circumstances of the case may seem to the Lords Commissioners of Her Majesty's Treasury to be a reasonable and just compensation for the loss of

his position, and the said Commissioners in awarding the said compensation shall be guided by the principles which would be applicable in the case of an award of compensation under the provisions of 'The Superannuation Act, 1859,' to a person retiring or removed from the public service in consequence of the abolition of his office. Provided that no special Minute within the meaning of the said Act stating any special grounds for granting such allowance shall be necessary or be made. Provided nevertheless, that if any such officer be so employed by the said Council and discharged by them (otherwise than for misconduct), within two years of the 1st day of November, 1886, he shall be entitled to compensation in the same manner as if he had not been employed by the said Council. Provided that the term 'Officer' shall include only persons employed by the said Local Board whose salaries or emoluments are payable at intervals of not less than one month, and no other persons. Provided also that the said Lords Commissioners shall be the sole judges as to the right or claim of any officer to any compensation whatever and as to the amount thereof, and the said Lords Commissioners shall be the only judges upon any question which may arise under this clause and further every determination of the said Lords Commissioners upon any such right claim amount or question shall be absolutely final and conclusive.

 - (a.) Where the sender's name and address appear outside the Parcel and the corrected address of the Parcel is within the same free delivery as the original address and the Parcel is not, at the time of such correction, lying at a Returned Letter Office, no new charge shall be made with respect to the delivery of the Parcel.
 - (b.) Where the sender's name and address do not appear outside the Parcel, or where such name and address do appear, but the corrected address of the Parcel is not within the same free delivery as the original address, or the Parcel, at the time of such correction, is lying at a Returned Letter Office, the sender shall pay a new and distinct rate of postage equal in amount to the rate of postage which would have been chargeable on such Parcel as an Inland Parcel.

(9.) The Postmaster-General may require proof to his satisfaction that an applicant for a Parcel is entitled to receive the same.

(10.) Where no application is made for a Parcel within the period specified in any such notice as aforesaid, or an applicant fails to prove to the satisfaction of the Postmaster-General that he is entitled to receive the Parcel, or refuses or fails to pay the charges to which the parcel has become liable under this Warrant, the Parcel may be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize.

(11.) If at any time while a Parcel remains in the possession of the Postmaster-General, it becomes offensive or injurious to any Officer of the Post Office or other person, or to other Parcels, it may forthwith be dealt with or disposed of in such manner as the Postmaster-General may in his discretion direct or authorize, notwithstanding that the provisions of this Warrant as to the return of such Parcel have not been or have only partially been complied with.

Charge for Re-direction.

12. Any parcel may be re-directed from its original address, or any substituted address, within the United Kingdom to any other address within the United Kingdom, and in every case of such re-direction there shall be charged on such Parcel in respect of each such re-direction, and (if not previously paid) paid by the addressee thereof in money upon the delivery of such Parcel, a new and distinct rate of postage, equal in amount to the rate of postage which would have been originally chargeable on such Parcel as an Inland Parcel.

Remission of Re-direction Rates.

Any such Parcel, if posted or tendered for conveyance by post may be detained, and either returned or given up to the sender thereof or dealt with or disposed of in such other manner as may be authorized by the Postmaster-General.

15.—(1.) There shall not be posted or conveyed or delivered by post any Parcel consisting of or containing two or more Parcels or other Postal Packets (of the same or of different descriptions) addressed to different persons at different addresses.

(2.) Provision for safety of Parcels.

17. In any case where any officer of the Post Office may find it necessary or expedient for the safety or protection of Parcels that any Parcel should be forwarded or delivered by some later despatch or delivery than that for which the same was posted or despatched, or intended to be posted or despatched respectively, he may delay the despatch or delivery of such Parcel, or make such other and special arrangements as to the despatch or delivery thereof, not, however, involving a greater delay than 24 hours in the whole, as may be deemed by such officer necessary or expedient in the circumstances of the case.

Parcels not to interfere with Letter Posting.

18. Where the despatch or delivery from a Post Office in the United Kingdom of letters would be delayed by the despatch or delivery therefrom at the same time of Parcels, such Parcels, or any of them, may be detained in the Post Office until the despatch or delivery next following that by which they would ordinarily be despatched or delivered.

19. GENERAL ORDER of the Local Government Board: Altering General Consolidated Order. Out-door Labour Test :—

Rugby Union.

To the Guardians of the Poor of the Rugby Union, in the counties of Warwick, Northampton, and Leicester :—

To the Churchwardens and Overseers of the Poor of the several parishes and places comprised in the said Union ;—

And to all others whom it may concern.

WE, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, hereby Order, with respect to the relief of the Poor in the said Rugby Union, as follows :—

ARTICLE 1.—Subject to the provisions of the General Order of the Poor Law Commissioners, dated the twenty-first day of December, one thousand eight hundred and forty-four, in force in the Union, every able-bodied male pauper who receives relief within the Union, and is relieved out of the Workhouse, shall be relieved in the following manner ; that is to say :—

Half at least of the relief given to such pauper shall be given in food, clothing, and other articles of necessity.

No such pauper shall receive relief from the Guardians, or any of their officers, or any Overseer of any Parish or Place in the Union, while he is employed for wages or other hire or remuneration by any person ; but every such pauper so relieved shall be set to work by the Guardians.

ARTICLE 2.—The Guardians shall, within fourteen days after the day when this Order comes into force, and from time to time afterwards as the Local Government Board may require, report to the Local Government Board the place or places at which able-bodied male paupers shall be so set to work in the Union, the sort or sorts of work in which they or any of them shall be employed, the times and mode of work, and all such other matters relating to the employment of such able-bodied paupers as the said Guardians shall deem material to be communicated to the Local Government Board, or as the Local Government Board shall require.

ARTICLE 3.—If the Guardians shall depart, in any particular instance, from any of the regulations hereinbefore contained, and shall, within

fifteen days after such departure, report the same and the grounds thereof to the Local Government Board, and if the Local Government Board shall approve of such departure, then the relief granted in such particular instance shall, if otherwise lawful, not be deemed to be unlawful, or be subject to be disallowed.

And whereas provision is made in a General Order of the Poor Law Commissioners, bearing date the twenty-fourth day of July, one thousand eight hundred and forty-seven, in force in the said Union, for the appointment of an officer, to be termed a Superintendent of Outdoor Labour, and for the continuance in office of such officer, and it is expedient that further provision should be made as hereinafter mentioned ;

We therefore further Order, that if at any time the number of able-bodied male paupers requiring relief shall be so small as to render the services of a Superintendent of Out-door Labour unnecessary, the Guardians may dispense with the services of such an officer.

Given under the Seal of Office of the Local Government Board, this eighth day of June, in the year one thousand eight hundred and eighty-six.
