

SUPPLEMENT
TO
The London Gazette
Of TUESDAY, the 8th of MARCH.

Published by Authority.

WEDNESDAY, MARCH 9, 1887.

*Pay Office, Supreme Court of Judicature,
Royal Courts of Justice, March 8, 1887.*

THE Supreme Court Funds Rules of 1886 (Rule 101) provide that on or before the 1st day of March in every third year the Paymaster shall prepare, in such form and with such particulars as the Treasury may from time to time direct, a list or statement of the accounts in the books of the Pay Office to the credit of which there stood on the 1st day of September then next preceding any funds not less than 50*l.*, which have not been dealt with, otherwise than by the continuous investment or placing on deposit of dividends, during the 15 years immediately preceding the last-mentioned date. The said list or statement shall be filed in the Central Office, and a copy thereof shall be inserted in the London Gazette and exhibited in the several Offices of the Court.

In pursuance of the above Rule, the following Alphabetical List of Accounts that have *not* been dealt with *since 1st September, 1871* (with cross-references to the sub-titles of the several accounts), is published for general information, viz:—

The Chancery Division of the High Court of Justice ..	pages	1293 to 1429
The Queen's Bench Division of the High Court of Justice (including the late Common Pleas and Exchequer Divisions and Courts)	pages	1430 and 1431
The Probate, Divorce, and Admiralty Division of the High Court of Justice	page	1431
The Funds formerly in the hands of the Queen's Remembrancer	page	1431

In order to remove misconception which appears to exist as to the magnitude of the funds represented by this list, it may be stated that, of the Balances standing to the credit of the accounts, only one-nineteenth exceed £1,000, and only one-third exceed £100.

Attention is also directed to the following particulars with respect to the mode of procedure by which any action is to be taken, or any information obtained, relating to these funds:—

(1.) *The only authorized list* of such funds is that included in the present Supplement to the London Gazette of March 8, 1887, (of which copies may be obtained from Messrs. *Harrison and Sons, 45, St. Martin's-lane, London, W.C., at the price of One Shilling each), and the public are cautioned against relying upon any information other than that derived from official sources.

* Applications (to Messrs. Harrison) for copies of the Gazette to be sent abroad must enclose stamps to cover postage, in addition to the cost of the Gazette.

(2.) The Assistant Paymaster-General is precluded from giving any information respecting any Funds in Court mentioned in the following list, except upon a request signed by the person applying for such information, and, if made by any person other than a Solicitor, "such information shall not be given unless the applicant is able to satisfy the Paymaster that the request is such as may, in the particular case, be properly complied with."

(3.) In the case of a request made by a Solicitor, such information shall not be given unless the request states the name of the person on whose behalf it is made, and that such person is, in the opinion of the applicant, beneficially interested in such funds.

(4.) An application with respect to Funds must quote the correct title of the matter or suit to which such Funds are placed; without this information it is impossible to trace an account.

(5.) A request for information can only be complied with (to the extent shown in Paragraph 8), upon its being established to the satisfaction of the Paymaster that the applicant has or might have some beneficial interest; but it is misleading to assume that the mere coincidence of the surname of the original owner of property with the surname of one of the parties to a suit is sufficient evidence of a genuine ground of claim; nor is it within the functions of the Pay Office to investigate any claims founded on such an assumption.

(6.) Each request must be stamped with a 2s. 6d. adhesive Judicature Stamp, as provided by the Order as to Supreme Court Fees, 1884, Rule 107. Stamps can be obtained at Rooms 6 and 419 of the Royal Courts of Justice; at the District Registries of the High Court; and at certain Stamp and Post Offices.

(7.) It must be borne in mind that Funds in Court can only be dealt with under the direction of an Order of Court. If no such Order already exists, application to the Supreme Court can only be made by a claimant in accordance with the customary form of legal procedure.

(8.) The only information which, subject to the conditions herein mentioned, it is in the power of the Assistant Paymaster-General to furnish is—

- (a.) The amount of the Fund in Court.
- (b.) The date of any Order of Court affecting the account (if specially required).

(9.) It is provided by Rule 14 of the Chancery Funds (Amended) Orders, 1874, that—

- (a.) When a cause or matter has been inserted in the following list, "the fact should be stated in every petition or summons affecting any money or securities to the credit of such Cause or Matter;" and that—
- (b.) "In cases in which the money or securities affected by such petition shall together amount to, or exceed in value, 500*l.*, a copy of such petition, and notice of all proceedings in Court or at Chambers shall (unless the Court otherwise directs) be served on the Official Solicitor of the Court, who shall be at liberty to appear and attend thereon."

(10.) The Paymaster cannot undertake to reply to applications unless the foregoing instructions are strictly complied with.

All Official Letters should be addressed to—

THE ASSISTANT PAYMASTER-GENERAL,

Royal Courts of Justice,

London, W.C.
