The QUEEN's Most Excellent Majesty in Council.

WHEREAS by the four hundred and tenth section of "The Merchant Shipping Act, 1854," it is enacted that, upon the completion of any new lighthouse, buoy, or beacon, Her Majesty may, by Order in Council, fix such dues in respect thereof, to be paid by the master or owner of every ship which passes the same, or derives benefit therefrom, as Her Majesty may deem reasonable, and may from time to time alter the amount thereof; and that such dues shall be paid and collected in the same manner, by the same means, and subject to the same conditions, in, by, and subject to which the light dues authorized to be levied by the said Act are paid and collected:

And whereas by the said Act "buoys and beacons" include all other marks and signs of the sea:

And whereas by "The Merchant Shipping (Miscellaneous) Act, 1887," it is enacted, that—

"In the Merchant Shipping Act, 1854, and the Acts amending the same, the expression 'lighthouses' shall, in addition to the meaning assigned to it by the Merchant Shipping Act, 1854, include sirens, and all other descriptions of fog signals, and the expression 'new lighthouse' shall include the addition to any existing lighthouse of any improved light, or any siren, or any description of fog signal."

And whereas it is fit and proper that, in respect of the said improvement, and by reason of the expenditure involved, dues should be levied as hereinafter mentioned:

Now, therefore, Her Majesty, in exercise of the powers vested in Her by the said recited Acts, by and with the advice of Her Privy Council, is pleased to direct that, from and after the date of this Order in Council, or from and after the time of the receipt of a copy of this Order by the officers authorized to collect light dues, the tolls of eight-sixteenths of a penny per ton over sea,

and sixpence per vessel coasting now levied in respect of the lights exhibited at Hurst Point, the Needles and Saint Catherine's Point shall cease, and in lieu thereof there shall be paid for every ship, whether British or foreign, the toll of twelve-sixteenths of a penny per ton of the burden of every such ship for each time of passing or deriving benefit from all or any of the said lighthouses if on an over sea voyage, and nine pence per vessel if on a coasting voyage.

The said tolls shall be levied subject to the regulations and exemptions contained in the Consolidated Table of Light Duties, sanctioned by Orders in Council, dated respectively the twenty-fourth day of October, one thousand eight hundred and seventy, and the sixteenth day of May, one thousand eight hundred and seventy-one, and in the Order in Council dated the twenty-first day of February, one thousand eight hundred and seventy-four, and also in the special section of the Consolidated Tables prepared in pursuance of an Order in Council, dated the sixth day of September, one thousand eight hundred and eighty, or to such other regulations and exemptions as may from time to time be duly sanctioned, and subject also to the gross abatement or discount of sixty-five per centum, mentioned in an Order in Council, dated the third day of May, one thousand eight hundred and eighty-eight, or to such other abatement or discount as may for the time being be in force.

AT the Court at Windsor, the 29th day of June, 1888.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the first session of the Parliament holden in the first and second years of the reign of Her present Majesty, intituled "An Act to abridge the holding of benefices in plurality, and to make better provision for the residence of the clergy," after reciting that "Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong, with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other

things, enacted, "That when with respect to his own diocese it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place, or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church, and either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial or extra-parochial, so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration) describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid by his report to Her Majesty in Council, it shall be lawful for Her Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas by another Act of Parliament passed in the second and third years of the reign of Her present Majesty, intituled "An Act to make better provision for the assignment of Ecclesiastical Districts to Churches or Chapels augmented by the Governors of the Bounty of Queen Anne; and for other purposes," it is, amongst other things, further enacted, "That when by any Order of Her Majesty in Council as aforesaid, a separate parish for ecclesiastical purposes is constituted, the same shall, on registration thereof, and with the consent in writing of the incumbent or incumbents of the benefice or benefices to be thereby affected, become a perpetual curacy and benefice, and the minister thereof, duly nominated and licensed thereto, and his successors, shall be a body politic and corporate, with perpetual succession, and may receive and take to himself and his successors all such lands, tenements, tithes, rent-charges, and hereditaments as shall be granted unto him or them, and such perpetual curate shall thenceforth have within the limits of the district parish formed under the Church Building Acts, for the church of such perpetual curacy, sole and exclusive cure of souls, and shall not in anywise be subject to the controul or interference of the incumbent or incumbents of the benefice or benefices to be affected by such Order, if he or they shall have consented to such Order as aforesaid."

AT the Court at Windsor, the 29th day of June, 1888.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her Majesty chapter thirty-nine, and of the Acts therein-mentioned that is to say, the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen and the Act of the fourth and fifth years of Her Majesty chapter thirty-nine and the Act of the thirty-first and thirty-second years of Her Majesty chapter one hundred and fourteen duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of May, in the year one thousand eight hundred and eighty-eight, in the words following, that is to say:—

" We the Ecclesiastical Commissioners for England in pursuance of the Act of the thirty-third and thirty-fourth years of Your Majesty chapter thirty-nine and of the Acts therein-mentioned, that is to say, the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen and the Act of the fourth and fifth years of Your Majesty chapter thirty-nine and the Act of the thirty-first and thirty-second years of Your Majesty chapter one hundred and fourteen, have prepared and now humbly lay before Your Majesty in Council the following scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the church and cure (hereinafter called the said benefice) of Charlton Kings in the county of Gloucester and in the diocese of Gloucester and Bristol.

" Whereas the advowson or perpetual right of patronage of and presentation to the said benefice of Charlton Kings is vested for an estate in fee simple without incumbrances in the Principal and Fellows of Jesus College in the University of Oxford and their successors.

" And whereas the Reverend Hugo Daniel Harper, Doctor in Divinity now Principal of Jesus College aforesaid acting on behalf of the Principal and Fellows of the same College has signified to us his desire that the whole advowson or perpetual right of patronage of and presentation to the said benefice of Charlton Kings now vested as aforesaid in the said Principal and Fellows should be transferred to and be vested in the Bishop for the time being of the said diocese of Gloucester and Bristol.

" And whereas the Right Reverend Charles John, now Bishop of the said diocese of Gloucester and Bristol is willing to accept such transfer and in token of such his willingness and also in token that the same transfer has that consent of the Bishop of the diocese which by the Acts in the hereinbefore firstly mentioned Act recited or by some or one of them is made necessary he the said Charles John, Bishop of the said diocese of Gloucester and Bristol has executed this scheme as hereinafter-mentioned.

" And whereas a sum of money has been paid over to us in augmentation of the income of the said benefice of Charlton Kings but upon the

understanding that the patronage of the same benefice shall be transferred as is hereinafter recommended and proposed.

"And whereas under these circumstances we are of opinion that the transfer of the patronage of the said benefice of Charlton Kings which is hereinbefore-mentioned and hereinafter recommended and proposed will tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson so recommended and proposed to be transferred as aforesaid arises or exists that is to say, in the parish of Charlton Kings.

"Now therefore with the consent of the said Hugo Daniel Harper the Principal, and of the Fellows of Jesus College in the University of Oxford (in testimony whereof the said Principal and Fellows have affixed their common or corporate seal to this scheme) and with the consent of the said Charles John, Bishop of the said diocese of Gloucester and Bristol (in testimony whereof he has signed this scheme and sealed the same with his episcopal seal) we the said Ecclesiastical Commissioners for England humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said benefice of Charlton Kings now vested in them the said Principal and Fellows of Jesus College in the University of Oxford as aforesaid shall be transferred from them the said Principal and Fellows and from their successors to the said Charles John, Bishop of the said diocese of Gloucester and Bristol and his successors Bishops of the same diocese and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Charles John, Bishop of the said diocese of Gloucester and Bristol and by his successors, Bishops of the same diocese for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the respective Registrars of the said diocese of Gloucester and Bristol at Bristol and at Gloucester.

C. L. Peel.

AT the Court at *Windsor*, the 29th day of *June*, 1888.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty

chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Her Majesty chapter eighty-four duly prepared and laid before Her Majesty in Council a scheme, bearing date the thirty-first day of May, in the year one thousand eight hundred and eighty-eight, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England in pursuance of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen, and of the Act of the seventeenth and eighteenth years of Your Majesty chapter eighty-four have prepared and now humbly lay before Your Majesty in Council the following scheme for apportioning the income of the benefice (being a rectory) of Brown Candover with Chilton Candover in the county of Southampton and in the diocese of Winchester, between that benefice and a certain other benefice namely the benefice (being a rectory) of Swarraton with Northington which said last-named benefice is also situate in the said county of Southampton and in the said diocese of Winchester.

"Whereas the Right Honourable Alexander Hugh Baron Ashburton is the patron of the said benefice of Brown Candover with Chilton Candover and also of the said benefice of Swarraton with Northington and as such patron has expressed to us his desire that the apportionment of income between the said two benefices which is hereinafter set forth should be effected.

"And whereas it has been made to appear to us that the said benefice of Swarraton with Northington is at present insufficiently endowed and that the said benefice of Brown Candover with Chilton Candover has endowments of such an amount as that, after the apportionment of the same endowments which is hereinafter recommended and proposed shall have been effected and shall have come into operation the last mentioned benefice will notwithstanding such apportionment be sufficiently endowed.

"And whereas the Right Reverend Edward Harold, Bishop of the said diocese of Winchester is of opinion, and we the said Commissioners are of opinion that it is desirable that additional provision should be made for the cure of souls within the parish of Swarraton with Northington aforesaid by means of that apportionment of the income of the said benefice of Brown Candover with Chilton Candover which is hereinafter recommended and proposed.

"And whereas the said benefice of Brown Candover with Chilton Candover is now vacant.

"Now therefore with the consent of the said Alexander Hugh Baron Ashburton acting as patron of each of the said two benefices as aforesaid, and with the consent of the said Edward Harold, Bishop of the said diocese of Winchester acting as such Bishop (in testimony whereof they the said consenting parties have respectively signed this scheme and sealed the same with their several seals the seal of the said Edward Harold, Bishop of Winchester being his episcopal seal) we the said Ecclesiastical Commissioners humbly recommend and propose that upon and from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette the following apportionment of the income of the said benefice of Brown Candover with Chilton Candover shall without any conveyance or assurance in the law other than this scheme and such duly gazetted Order of Your Majesty in Council ratifying the same as aforesaid take place that is to say all those the apportioned title commutation rent-charges belonging to the said benefice of Brown Candover with Chilton

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by an Act passed in the Session of Parliament held in the sixteenth and seventeenth years of Her Majesty's reign, intitled "An Act to amend the laws concerning the burial of the dead in England beyond the limits of the Metropolis, and to amend the Act concerning the burial of the dead in the Metropolis," it is enacted, that in case it appears to Her Majesty in Council, upon the representation of one of Her Majesty's Principal Secretaries of State, that, for the protection of the public health, the opening of any new burial-ground in any city or town, or within any other limits, save with the previous approval of one of such Secretaries of State, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial-grounds or places of burial, should be wholly discontinued, or should be discontinued

subject to any exception or qualification, it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, to order that no new burial-ground shall be opened in any city or town, or within such limits, without such previous approval or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial-grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time as circumstances may require; provided always, that notice of such representation, and of the time when it shall please Her Majesty to order that the same be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered; provided also that no such representation shall be made in relation to the burial-ground of any parish until ten days previous notice of the intention to make such representation shall have been given to the incumbent and the vestry clerk or churchwardens of such parish.

And whereas by another Act passed in the session of Parliament held in the eighteenth and nineteenth years of Her Majesty's reign, intituled "An Act further to amend the laws concerning the burial of the dead in England," it is, amongst other things, enacted that it shall be lawful for Her Majesty, by and with the advice of Her Privy Council, from time to time, to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, shall or shall not have arrived), as to Her Majesty, with such advice as aforesaid, may seem fit:

IMPORTANT NOTICE AS TO THE STAMPING OF UNSTAMPED OR INSUFFICIENTLY STAMPED INSTRUMENTS.

THE Board of Inland Revenue give notice, that, except as hereinafter-mentioned, they are prepared to remit the penalty or penalties payable on stamping instruments executed prior to the passing of the Customs and Inland Revenue Act, 1888 (16th May, 1888), which are presented to the Board for the purpose at any time before the 1st day of January, 1889.

This concession of course does not extend to instruments which cannot in any case legally be stamped after execution, or which cannot legally be stamped after execution without payment of a fixed statutory penalty, nor is it to apply to instruments in respect of which personal penalties have been incurred or to articles of clerkship.

The Board reserve to themselves the right of refusing the benefits of this concession in any case in which it may appear that the instrument is not voluntarily presented for stamping, but is presented in consequence of other circumstances, such as, for instance, the necessity of producing the instrument in Court, or of making good the title to property at the requisition of a purchaser.

In the consideration of applications for relief from penalties payable on stamping instruments executed prior to the passing of the Customs and Inland Revenue Act, 1888, and not presented for the purpose until after the 1st of January next, the Board will have regard to the fact that the liability to the payment of such penalties might have been avoided had advantage been taken of the arrangement hereby notified.
