AT the Court at Windsor, the 23rd day of February, 1891.

PRESENT,

The QUEEN's Most Excellent Majesty.  
 Archbishop of York. Lord Chamberlain.  
 Lord President. Earl of Limerick.  
 Marquess of Salisbury. Lord Windsor.  
 Sir C. Butt.

WHEREAS by "The Medical Act 1886" it is provided (amongst other things) that Her Majesty may, from time to time, by Order in Council declare that the Second Part of the said Act shall be deemed, on and after a day to be named in such Order, to apply to any British possession which, in the opinion of Her Majesty, affords to the registered medical practitioners of the United Kingdom such privileges of practising in the said British possession as to Her Majesty

may seem just; and that, from and after the day named in such Order in Council, such British possession shall be deemed to be a British possession to which the said Act applies within the meaning of the said Second Part thereof, but that until such Order in Council has been made in respect of any British possession the said Second Part of the said Act shall not be deemed to apply to any such possession.

And whereas the Province of South Australia is a British possession within the meaning of the said Act, and affords to the registered medical practitioners of the United Kingdom, under and by virtue of certain Acts of the Parliament of the said Province of South Australia, namely "The Medical Act 1880," and "The Medical Act Amendment Act 1889," such privileges of practising in the said Province as to Her Majesty seem just.

Now therefore Her Majesty doth hereby, by

and with the advice of Her Privy Council, order, direct, and declare that on and after the first day of March in the year of our Lord one thousand eight hundred and ninety-one the Second Part of "The Medical Act 1886" shall be deemed to apply to the Province of South Australia.

*C. L. Peel.*

**A**T the Court at *Windsor*, the 23rd day of *February*, 1891.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**I**N pursuance of the Spring Assizes Act, 1879, Her Majesty is pleased, by and with the advice of Her Most Honourable Privy Council, to order as follows:—

1. The Northern and Salford Divisions (as defined by the Order in Council of the 4th day of May, 1864) of the County of Lancaster shall, for the purpose of the next Spring Assizes, be united together under the name of the Spring Assize County, No. 2.

2. The said Spring Assizes for the said Spring Assize County shall be held at Manchester.

3. The Court at the said Spring Assizes at Manchester shall have jurisdiction to try any prisoner committed in the said Spring Assize County who may be brought before it, and shall have the same powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Spring Assizes Act, 1879, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said section "the Sheriff of the county for which such Assizes were held" shall mean the Sheriff of the county in which the prisoner so sentenced would have been tried if the Spring Assizes Act, 1879, had not been passed.

4. The Sheriff of the County of Lancaster shall act for the purpose of the said Spring Assizes for the said Spring Assize County.

5. The precepts of the Judges to the said Sheriff shall direct him to summon the Grand Jurors and Petty Jurors from the County of Lancaster.

6. The Gaol Delivery precept of the Judges to the said Sheriff shall direct him to cause the prisoners from all the prisons in the said Spring Assize County who under the provisions of this Order will have to be tried at Manchester, to be brought there, and the Sheriff shall cause such prisoners to be brought accordingly without any Writ of Habeas Corpus.

7. All Justices of the Peace, Mayors, Coroners, Escheators, Stewards, Bailiffs, Gaolers, Constables, Officers, and persons having authority and being under an obligation to attend the Assizes for either Division comprised in the said Spring Assize County, or to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, any indictment, inquisition, recognizance, examination, deposition, or document, shall have the same authority, and be under the same obligation to attend at the said Spring Assizes held for the said Spring Assize County, and to certify, transmit, or deliver to the Court of Assize, or the proper officer thereof, such indictment, inquisition, recognizance, examination, deposition, or document.

8. In all indictments and presentments at the said Spring Assizes the venue laid in the margin

thereof shall, in addition to the name of the county where the offence is charged to have been committed, contain the words "Spring Assize County, No. 2."

9. Any person who after the date of this Order and before the said Spring Assizes, enters into a recognizance to appear and prosecute, or give evidence, or to appear and answer before a Court of Oyer and Terminer or General Gaol Delivery to be holden for either of the Divisions constituting the said Spring Assize County, shall be bound to attend at the said Spring Assizes for the said Spring Assize County.

10. In all cases in which the like recognizances have been entered into in respect of any offence committed in either of the Divisions constituting the said Spring Assize County prior to the making of this Order, such recognizances shall be deemed to have been entered into for attendance at the said Spring Assizes for the said Spring Assize County, and every person bound by such recognizance shall be bound to appear at such last-mentioned Spring Assizes or forfeit his recognizance.

11. Ten days before the day fixed for the opening of the Commission at Manchester, a list of the prisoners to be removed for trial at the said Spring Assizes for the said Spring Assize County, so far as the same list can then be made out, shall, together with a short statement of the offences with which they are charged, be transmitted by the Gaoler of each prison in which such prisoners may be, to the Sheriff of the County of Lancaster, and the said Sheriff shall cause to be inserted in one or more newspapers in the Spring Assize County the said list and statement, and a notice that the persons bound by recognizances to appear and prosecute or give evidence for or against the prisoners so removed shall appear and prosecute and give evidence at Manchester.

12. It shall be lawful for the Gaoler of the Gaol in which prisoners who are to take their trial at the said Spring Assizes for the said Spring Assize County shall be in custody, three days before the day upon which the said Spring Assizes for the said Spring Assize County are appointed to be held, to send, without any Writ of Habeas Corpus, such prisoners to Her Majesty's Gaol at Strangeways, Manchester, in the county of Lancaster, for the purposes of their trial, and to take all proper steps for their transmission to the said Gaol, and their maintenance by the way, and the Gaoler of the said Gaol shall receive such prisoners into his charge and custody on their arrival, and shall keep and maintain them in the said Gaol until they are either ordered to be discharged or remanded by proper authority, or until they shall have been tried and sentenced, and proper arrangements have been made for their being sent back to the prison from which they were sent for trial, or sent to any other prison which has been duly appointed as an alternative for such prison. If, however, the said Gaol has itself been duly appointed as an alternative prison for the prison from which such prisoners were sent to trial, the Governor of the said Gaol shall, subject to the orders of the Secretary of State, keep and maintain in the said Gaol such prisoners after sentence, until they are discharged in due course of law.

13. The Clerk of Assize at the said Spring Assizes for the said Spring Assize County, shall have all powers of taxation of Bills of Costs, expenses of prosecution and witnesses, and all other powers necessary for checking and paying such costs relating to the trial of prisoners that the Clerk of Assize in the county where such

prisoners were committed would have had if such prisoner had been tried at the Assizes held in such last-mentioned county.

Where any person is committed for trial, or is bound by any recognizance to appear and answer, in the said Spring Assize County, any Judge of the High Court of Justice, or the committing Justice or Justices, or any two of the Justices of the county or place from which he is committed or admitted to bail, may, upon the application of such person, direct the Treasurer of the county or place where such person was committed, or entered into any recognizance to appear and answer as aforesaid, to advance to such person a sum not exceeding 20*l.* to enable him to defray the travelling expenses of such of his witnesses as may have been bound by recognizances to appear on his behalf, and the Treasurer shall advance such sum, and shall deduct it out of the amount ultimately allowed in respect of such witnesses.

14. In any case where money is ordered by the Court at the said Spring Assizes for the said Spring Assize County to be paid in respect of costs and expenses of prosecutors and witnesses, the same shall be paid by the Treasurer of the county or place by whom the same would have been payable had a like order been made by a Court of Oyer and Terminer or Gaol Delivery in the county where the trial would have taken place but for the Spring Assizes Act, 1879, and this Order; and every such Treasurer, or some known agent on his behalf, shall attend the said Spring Assizes during the sitting of the Court to pay all such orders.

15. Where the Court at the said Spring Assizes for the said Spring Assize County remand a prisoner or adjourn any trial, or otherwise make an order respecting a prisoner committed for trial but not acquitted or convicted, the Court may make such order with respect to the removal of such prisoner to a prison in the county or place in which he was committed for trial as to the Court seems just, and the prisoner may be removed accordingly, without any Writ of Habeas Corpus.

16. Except where the context otherwise requires, terms used in this Order shall have the same meaning as that which the same terms have in the Spring Assizes Act, 1879.

17. This Order, unless earlier revoked, shall be in force during the continuance of the Spring Assizes, 1891.

*C. L. Peel.*

2. The said Spring Assizes for the said Spring Assize County shall be held at Leeds.

3. The Court at the said Spring Assizes at Leeds shall have jurisdiction to try any prisoner committed in the said Spring Assize County who may be brought before it, and shall have the same

powers with respect to the trial of and passing sentence upon such prisoner as a Court of Oyer and Terminer and Gaol Delivery would have had at the Assizes in the county where, but for the said Spring Assizes Act, such prisoner would have been tried.

The provision of Section three of the Spring Assizes Act, 1879, shall apply to the execution of any capital sentence passed at such Assizes as herein mentioned; provided that the expression in the said Section "the Sheriff of the County for which such Assizes were held" shall mean the Sheriff of the County in which the prisoner so sentenced would have been tried if the Spring Assizes Act, 1879, had not been passed.

4. The Sheriff of the County of York shall alone act for the purpose of the said Spring Assizes for the said Spring Assize County, and subject to the provisions of this Order shall have jurisdiction for that purpose over the whole district constituting the said Spring Assize County, and precepts and other documents relating to the said Spring Assizes shall be addressed to him alone.

5. **A**T the Court at *Windsor*, the 23rd day of *February*, 1891.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty, chapter thirty-seven sections six and eight, duly prepared and laid before Her Majesty in Council a scheme bearing date the fifteenth day of January, in the year one thousand eight hundred and ninety-one, in the words following, that is to say:—

“We, the Ecclesiastical Commissioners for

England in pursuance of an Act of the sixth and seventh years of Your Majesty chapter thirty-seven sections six and eight have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the prebend of Sidlesham in the cathedral church of Chichester and now vested in us.

“Whereas under an Act of the third and fourth years of Your Majesty chapter one hundred and thirteen and of another Act of the fourth and fifth years of Your Majesty chapter thirty-nine and by virtue of an Order of Your Majesty in Council made under the provisions of the said Acts and bearing date the sixth day of July in the year one thousand eight hundred and forty-six and published in the London Gazette of the twenty-eighth day of the same month certain tithes rent charge belonging to the said prebend became absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

“And whereas on the vacancy of the said prebend which occurred on or about the first day of June in the year one thousand eight hundred and forty-nine by the decease of the Reverend William Peckham Woodward the then prebendary, all the residue of the lands tithes tenements and hereditaments theretofore belonging to the said prebend (except rights of patronage) became by virtue of the said Act of the third and fourth years of Your Majesty chapter one hundred and thirteen absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

“And whereas a part of the lands tithes tenements and hereditaments which so became vested in us as aforesaid are in our possession but part thereof are held under us for estates of inheritance by copy of Court Roll at small annual quit rents and on that account and in some instances on account of the character or situation of the property the said lands tithes tenements and hereditaments are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

“And whereas with a view to the advantageous appropriation of the said lands tithes tenements and hereditaments or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said lands tithes tenements and hereditaments or such parts thereof as we shall at any time and from time to time think fit should be sold or disposed of and accordingly that we should be empowered to dispose of our interest therein or in any part or parts thereof in such manner as shall appear to us advisable.

“Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign with the consent of the holder or holders thereof (if any) to be testified by his her or their being made parties to such instruments all or any of the said lands tithes tenements and hereditaments formerly belonging to the said prebend of Sidlesham and so vested in us as aforesaid with their appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his her or their heirs executors administrators or assigns or otherwise

as he she or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands tithes rent-charges tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the diocese of Chichester.

Now, therefore, Her Majesty, by and with the advice aforesaid, is pleased to order, and it is hereby ordered, that the following directions be substituted for those contained in the said Order in Council of the eighth day of February, one thousand eight hundred and ninety, in regard to burials in the said church and churchyard of Sandy, viz:—

That burials be discontinued forthwith and entirely in the parish church of Sandy, in the county of Bedford; and also in the old part of the churchyard, except as follows:—

In such reserved grave spaces (as have

never before been buried in and which when opened are free from water) burials may be allowed, at their decease respectively, of General Pearson and Mr. Francis Pym, and of so many members of their families as can be buried at or below the depth of five feet.
