*Colonial Office, Downing Street,  
June 30, 1892.*

**T**HE Secretary of State for the Colonies has received the following Despatch from the Governor of Lagos:—

*Government House, Lagos,*

*My LORD, May 24, 1892.*

I HAVE the honour to enclose a copy of a report which I received at about eleven o'clock last night from Colonel Scott, commanding the Jebu Expeditionary Force.

2. In accordance with your Lordship's directions I have despatched a telegram this day giving details of the wounds received by the Officers, taken from Dr. Henderson's report which accompanied that of Colonel Scott.

3. Your Lordship will perceive from Colonel Scott's report that the Jebus proved to be a more formidable enemy than was anticipated. There have been many contradictory rumours afloat, and it was difficult to form any correct opinion as to the real intentions of the Jebus, but the general

consensus of opinion in Lagos undoubtedly was in favour of regarding them as a weak and contemptible enemy, who would not be likely to make any resistance against a well armed force officered by Europeans. There can however be no doubt that had the arrangements for the expeditions been less complete, a disaster might easily have happened, and I think that Colonel Scott and his comparatively small force might well be congratulated on the marked success of their efforts.

4. I am starting for Epe this morning, and I shall keep your Lordship advised of the further development of the situation.

I have &c.,

(Signed) G. T. CARTER, Governor.

The Right Honourable Lord Knutsford, G.C.M.G.,  
Secretary of State for the Colonies.

&c., &c., &c.,

Colonel Scott to the Governor.

Enclosure No. 1 in Despatch No. 176 of 1892.

*Jebu Ode,*

*May 22, 1892.*

YOUR EXCELLENCY,

I HAVE the honour to submit the following report on the operations carried out by the force under my command.

The force embarked at Lagos on Thursday, the 12th instant, and arrived off Epe late that night, from which place it had been arranged to commence our advance on Jebu Ode.

On disembarking at daybreak the next morning, Friday 13th, I found it was not possible to advance owing to the paucity of carriers, the majority of those whom it was intended to employ at Epe having deserted the town and run away inland. On finding the next day that carriers were still unprocurable, I despatched the yacht "Margaret" to Leckie, a station on the Lagoon under British rule, and succeeded in procuring a sufficient number of carriers to enable me to advance.

The town of Epe consists of two quarters, the northern half being the Jebu quarter of the town, which was completely deserted, and the remaining portion inhabited by people from Lagos who were friendly to us, and from whom I received great help in my endeavours to procure carriers. One man in particular, Braima Eddo, being of much assistance to me.

The force advanced from Epe on Monday, 16th, and first met the enemy posted at the approach to a village called Pobo, about seven miles distant, where a slight engagement took place; the Jebus, however, retired without

making any stand, and the force encamped that night in Pobo. Our losses during the day were 7 Ibadans slightly wounded, 1 severely wounded, and 1 carrier shot through the lungs.

The next morning, Tuesday, 17th, having burnt the village, I advanced and again met the enemy, after marching about six miles, in a good position outside the village of Majoda, where they made a stand, and a sharp fight took place before I eventually occupied the town. During that afternoon the Jebus attempted to attack our position, but were repulsed with heavy loss on their side. I regret to say that during the morning's engagement Mr. Willoughby, a Native Interpreter, was killed. Captain Hon. A. S. Hardinge was also slightly wounded in the thigh.

The next day, Wednesday, 18th, having destroyed the above village, I advanced and occupied a village called Layon, about eight miles distant, but met with no resistance from the enemy.

I advanced the following morning, Thursday, 19th, and after an hour's march encountered the whole Jebu army in force, posted in a most powerful position on rising ground in dense undergrowth on either side, and in front of a steep and narrow ravine terminating in a deep pool of running water, through which the column had to advance, and a severe engagement took place which lasted for three hours. The Jebus fought in a most determined manner, sending to their front fresh relays of hundreds of men whenever either losses or expenditure of ammunition required it.

They attacked the whole length of the column which owing to the extreme narrowness of the pass was in single file and extended nearly two miles, as well as its front and rear, and it was only owing to the splendid efforts of both Officers and men that the position was eventually carried.

The losses on the enemy's side were very great. It was impossible to count the numbers, however, owing to the dense bush.

Their strength, judging from the size and number of huts in their camp at the village of Magbon, near by, must have been between 7,000 and 8,000.

Among the Officers of the force Captain Owen was wounded in the head and the thigh and Lieutenant Lawrie was also slightly wounded.

I am attaching, however, a detailed report by the Chief Medical Officer, who was in charge. Considering that our force numbered only some 350 fighting men, the result was most satisfactory. Officers and men did their work well.

I beg to bring to your notice Captain Owen for the able manner in which he conducted the attack on this occasion, also Lieutenant Lawrie, who commanded the Artillery, and Captain Larymore, my Staff Officer.

Captain Honourable A. S. Hardinge commanding the Ibadans, and Captain Gordon, Intelligence Officer. Captain Hardinge was entirely alone with the Ibadans during the engagement, and the cool and soldier-like manner in which he did his work deserves great praise.

I marched from Magbon the next morning, Friday 20th, with a view to attacking the capital, Jebu Ode, about six miles away. I was met, however, by a flag of truce and an emissary from the Awujale, or king, begging for peace.

The force marched into the town at about 11.30 A.M., which I found deserted, with the exception of the King and a few followers, who I at once interviewed. The King appears to have no authority over his people, and throws himself on Your Excellency's mercy.

I would mention that the hospital arrangements made by Dr. Henderson, chief Medical Officer of the expedition, worked well, and he was ably assisted by Surgeon-Captain Crofts.

The Transport, in charge of Captain Ussher, was a most trying duty with the number of carriers that had to be employed, and he deserves great credit for its excellent working.

The detachment of the West India Regiment, commanded by Major Madden, and the Lagos Hausas and Gold Coast Hausas, under Captains Tarbet and Bayly respectively, behaved in a most efficient manner.

I have taken up a strong position in this town to withstand any attack that might be made. I am told, however, that the road passing through Oru, about ten miles north from here, is not yet opened. I intend therefore sending a flying column to that place to-morrow, as it is indispensable that the main road which passes through Oru from the interior should be declared open by us at once.

I have, &c.,  
(Signed) F. C. SCOTT, Colonel, C.B.,  
Commanding Jebu Expeditionary Force.

P.S.—I should mention that many of the enemy were armed with Snider Rifles, and a quantity of this ammunition was afterwards found, also a large quantity of powder with the name of Regis Ainé et Cie. on the barrels. F. C. S.

**W**HEREAS by Treaty, grant, usage, sufferance, and other lawful means, Her Majesty the Queen has power and jurisdiction in the parts of Africa mentioned in the Africa Order in Council, 1889;

And whereas by the General Act of the Conference of Berlin signed in 1885, the several

Powers who were parties thereto (in this Order referred to as the Signatory Powers) declared, with respect to occupation in Africa by any of the Signatory Powers, that the establishment of authority in protected territories was an obligation resting upon the respective protecting Powers;

And whereas, in order to the due fulfilment of the said obligation as respects territories and places, within the limits of the above-mentioned Order, which Her Majesty shall have declared to be under the protection of Her Majesty, it is necessary, that the subjects of the Signatory Powers, other than Her Majesty, should be justiciable under the said Order in like manner as British subjects, and for this purpose that the provisions of the said Order referring to British subjects should, as far as practicable, be extended to the subjects of those Powers;

And whereas it is expedient that the powers conferred upon a Secretary of State by the Africa Order in Council, 1889, should be extended so as to provide for the application to territories and places within the limits of that Order, of such Acts and enactments for the time being in force in British India as may be deemed necessary for the due administration of justice:

Now, therefore, Her Majesty, by virtue and in exercise of the powers by "The Foreign Jurisdiction Act, 1890," or otherwise, in Her Majesty vested, is pleased, by and with the advice of her Privy Council, to order, and it is hereby ordered, as follows:—

1. In this Order the expression "foreigners to whom this Order applies" means subjects of any of the Signatory Powers (except Her Majesty) or of any other Power which has consented that its subjects shall be justiciable under the Africa Order in Council, 1889, and this Order.

Other expressions, defined in the Africa Order in Council, 1889, and used in this Order, have the same meaning.

2. Where Her Majesty has declared any territory or place within the limits of the Africa Order in Council, 1889, to be a Protectorate of Her Majesty, the provisions of that Order having reference to British subjects, except Part XIV thereof, shall extend in like manner to foreigners to whom this Order applies, and all such foreigners shall be justiciable by the Courts constituted by the said Order for the Protectorate, under the same conditions as British subjects, and to the extent of the jurisdiction vested by law in those Courts; and Part XII and so much of the rest of the Order as requires the consent of any foreigner as a condition of the exercise of jurisdiction shall be of no force or effect in the Protectorate, so far as respects foreigners to whom this Order applies.

3. A Secretary of State may, from time to time, by order published in such manner as he directs, declare that any Act or enactment for the time being in force in British India, or any Presidency thereof, and not inconsistent with the Africa Order in Council, 1889, and this Order, shall have effect and be administered in relation to any place or places within the limits of any local jurisdiction with such modifications or adaptations as may be necessary, and thereupon such Acts or enactments, as so modified and adapted, shall have effect in accordance with such order as if they had been applied by the said Order.

4. This Order may be cited as the Africa Order in Council, 1892. The Africa Order in Council, 1889, and this Order may together be cited as the Africa Orders in Council, 1889 and 1892.

And the Most Honourable the Marquis of Salisbury, K.G., and the Right Honourable

Viscount Cross, G.C.B., two of Her Majesty's Principal Secretaries of State, are to give the necessary directions herein, as to them may respectively appertain. *C. L. Peel.*

**A**T the Court at *Windsor*, the 28th day of *June*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty.

Lord President.

Lord Chamberlain.

Secretary Lord Knutsford.

**W**HEREAS by the Coinage (Ceylon) Order, 1892, Her Majesty was pleased, by and with the advice of Her Privy Council and by virtue of all powers vested in Her Majesty in that behalf, to make a law respecting the coins which are to be the subject of contract, and to constitute legal tender in Her Majesty's Colony of Ceylon.

And whereas by the 10th section of the aforesaid Order it is declared that such Order shall come into operation on a day named in such section.

And whereas it is deemed expedient that the commencement of the aforesaid Order should be postponed.

Now therefore Her Majesty by and with the advice of Her Privy Council and by virtue of all powers vested in Her Majesty in that behalf doth hereby ordain:—

(1.) Section 10 of the Coinage (Ceylon) Order, 1892, is hereby repealed.

(2.) The Coinage (Ceylon) Order, 1892, shall come into operation on the first day of October, one thousand eight hundred and ninety-two.

*C. L. Peel.*

**A**T the Court at *Windsor*, the 28th day of *June*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the forty-fifth and forty-sixth years of Her Majesty's reign, intituled "The Militia Act, 1882," it is, amongst other things, enacted that Her Majesty may, with the advice of Her Privy Council, order the calling out of all or any part of the Militia to be dispensed with:

And whereas it has seemed fit to Her Majesty, by and with the advice of Her Privy Council, to dispense with the calling out of the Pembroke Artillery Militia, and to direct that there shall be no training and exercising thereof in the year one thousand eight hundred and ninety-two.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, doth hereby dispense with the calling out of the Pembroke Artillery Militia, and doth order and direct that there shall be no training and exercise thereof in the year one thousand eight hundred and ninety-two; and this Order be published in the London Gazette.

*C. L. Peel.*

**A**T the Court at *Windsor*, the 28th day of *June*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by the eleventh section of the Volunteer Act, 1863, it is amongst other things enacted that "Her Majesty in Council may from time to time declare what is requisite to entitle a Volunteer to be deemed an "efficient Volunteer by an Order in Council

"defining for that purpose the extent of attendance at drill to be given by the Volunteer, and "the course of instruction to be gone through by "him, and the degree of proficiency in drill and "instruction to be attained by him and his Corps, "such proficiency to be judged of by the Inspecting Officer at the Annual Inspection of the "Corps, or otherwise, as by Order in Council is "from time to time directed;" and that "the "draft of any scheme to be from time to time "submitted to Her Majesty in Council for "approval under the present section shall have "been laid before both Houses of Parliament for "one lunar month at least, either before or after, "or partly before and partly after, the passing of "this Act during the present, or for the like "period during any subsequent Session of Parliament before such scheme receives the approval "of Her Majesty in Council."

And whereas it is deemed expedient that the Order in Council bearing date the thirty-first day of July, one thousand eight hundred and eighty, declaring what is requisite to entitle a Volunteer to be deemed an efficient Volunteer, be amended so far as relates to the particulars shown in the schedule hereof, a draft of which schedule was on the fifth day of May last, laid before both Houses of Parliament in the words therein mentioned and set forth, and one lunar month having elapsed since that time, the amendments of the Scheme of Efficiency for which provision is made in the said schedule have this day been submitted to Her Majesty in Council for Her approval thereof:

Now, therefore, Her Majesty having this day taken the said amendments into consideration, doth, in pursuance and exercise of the power in Her Majesty by the said Act of Parliament in that behalf vested, and by and with the advice of Her Privy Council, hereby amend in the words of the said schedule the aforesaid Order in Council of the thirty-first day of July, one thousand eight hundred and eighty, and doth declare Her Royal approval of the amendments.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by an Act passed in the Session of Parliament held in the second and third years of Her Majesty's reign, intituled "An Act for regulating the Police Courts in the Metropolis" it was amongst other things enacted "that it should be lawful for Her Majesty with the advice of Her Privy Council, to alter the number of the Police Courts and to order such changes to be made of the places in which they should be holden within the Metropolitan Police District as should be found expedient and every such Court should henceforth be holden in the place in or to which it should be so ordered to be established or removed."

And whereas also by an Act passed in the Session of Parliament held in the third and fourth years of Her Majesty's reign intituled "An Act for better defining the powers of Justices within the Metropolitan Police District," it was among other things enacted "that it should be lawful for Her Majesty with the advice of Her Privy Council from time to time to constitute within the Metropolitan Police District as many Police Court Divisions as to Her Majesty should seem fit and to define the extent thereof, and from time to time to alter the number and extent of such Police Court Divisions and to assign a division to each of the Police Courts already established and to establish a Police Court for each of the other Divisions."

**A**T the Court at *Windsor*, the 28th day of *June*, 1892.

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS by the "Merchant Shipping Act, 1854," it was (amongst other things) enacted that Her Majesty might from time to time, by and with the advice of Her Privy Council, fix the Establishment to be maintained by each of the General Lighthouse Authorities on account of the services of lighthouses, buoys, and beacons, or the annual or other sums to be paid out of the Mercantile Marine Fund in respect of such Establishments, and that no increase of any Establishment, or part of an Establishment, so fixed shall be made without the consent of the Board of Trade:

And whereas Her Majesty by an Order in Council, dated the tenth day of August, one thousand eight hundred and eighty-eight, was pleased to fix the Establishment which might be maintained by the Commissioners of Irish Lights, and to fix that in respect of such said Establishment the aggregate amount of the salaries which, under the provisions of the said Order in Council, should for the time being be paid to the officers of the said Establishment, should be paid out of the Mercantile Marine Fund:

And whereas it is expedient that the Establishment by the said recited Order fixed to be maintained by the Commissioners of Irish Lights on account of the services of lighthouses, buoys, and beacons, should be varied in manner hereinafter appearing:

And whereas it has been made to appear to Her Majesty that such variation in the Establishment of the Commissioners of Irish Lights has, in pursuance of the Merchant Shipping Act, 1854, been made with the consent of the Board of Trade:

And whereas it is not at present clear at what age it is compulsory on the officers of the said Commissioners to retire from the lighthouse service, and it appears desirable that the Regulations in respect of retirement from the public service contained in clause ten of an Order in Council dated the fifteenth day of August, one thousand eight hundred and ninety, should be made applicable to the Establishment of the said Commissioners:

Now, therefore, Her Majesty, by virtue and in exercise of the powers vested in Her by the Merchant Shipping Act, 1854, and by and with the advice of Her Privy Council, is pleased to revoke, and Her Majesty hereby revokes the Order in Council dated the tenth day of August, one thousand eight hundred and eighty-eight, relating to the Establishment of the Commissioners of Irish Lights, and to fix, and doth hereby fix, the Establishment which may be maintained by the said Commissioners as follows, that is to say:—

The Establishment of the Commissioners of Irish Lights shall consist of the officers named in the schedule to this Order, at the salaries, of which the minimum, annual increase, and maxi-

mun are respectively mentioned in the same schedule, but the annual increments of such officers shall (except in the case of the Secretary, the Engineer and Inspector of Works, and the Inspector of Lights) be only granted on a certificate by the Commissioners of Irish Lights that the preceding period of the officers' service has been distinguished by zeal, industry, and regularity.

Provided as follows:—

- (1.) Every officer who prior to the date of this Order was on the Establishment of the Commissioners of Irish Lights, and who shall now become a member of the Establishment fixed by this Order, may continue to receive the salary payable to him prior to the date of this Order, in lieu of the minimum salary of his office mentioned in the schedule to this Order, and while he holds the same office, the annual increments of salary to which he may thereafter become entitled shall accrue on the same anniversaries as before.
- (2.) No officer in the service of the Commissioners of Irish Lights shall by appointment to a post specified in the schedule to this Order, suffer immediate pecuniary loss, but in no case shall he receive more than the maximum salary attached to such post.
- (3.) The salary of Mr. Owen Armstrong, the present Secretary, shall as from the first day of July, one thousand eight hundred and ninety-one, be not less than six hundred and seventy-five pounds per annum.
- (4.) A salary of six hundred pounds per annum shall continue to be paid to the present Accountant and Cashier, Mr. Michael John O'Grady, during his tenure of the office in lieu of the maximum salary specified in the schedule to this Order.
- (5.) The salary of Mr. Andrew Knox Galwey, the present Inspector of Lights, shall as from the first day of January, one thousand eight hundred and ninety-two, be not less than five hundred pounds per annum.
- (6.) If Mr. Karl Emil Nabholz be appointed Assistant Engineer, his salary as from the first day of July, one thousand eight hundred and ninety-one, shall be not less than two hundred and sixty-six pounds seven shillings and sixpence per annum, and his service for superannuation purposes shall be reckoned from that date.
- (7.) The annual salary of Mr. John Cyprian Doherty, one of the Clerks, shall as from the first day of July, one thousand eight hundred and ninety-one, be increased by twenty pounds, and the annual salary of Mr. Hubert Guy Cook, one of the Clerks, shall as from the first day of July, one thousand eight hundred and ninety-one, be increased by thirty pounds.

All persons appointed to Clerkships or to Lower Grade Clerkships of the Establishment of the Commissioners of Irish Lights shall previously to their appointment pass before the Civil Service Commissioners such examination as may be arranged between the Civil Service Commissioners, the Commissioners of Irish Lights, and the Board of Trade, and shall at the time of such examination be over the age of eighteen years and under the age of twenty-five years.

Provided nevertheless, that in exceptional cases, with the consent of the Board of Trade, appointments to Clerkships of the Establishment of the Commissioners of Irish Lights may be made from among the Lower Grade Clerks in the

service of the said Commissioners of Irish Lights at a minimum salary not exceeding the rate payable at the time of promotion if the aggregate previous service, either as Supernumerary Clerk or Lower Grade Clerk of each person so appointed amounts to ten years, and if he is under the age of thirty-five years, and provided also that his service as a Supernumerary Clerk shall not count towards his subsequent superannuation (if any).

And Her Majesty is further pleased, by and with the advice of Her Privy Council, to direct that the following provisions in respect of retirement, shall take effect from and after the date of this Order, that is to say:

- (a) It shall be competent for the Commissioners of Irish Lights to call upon any officer whose salary is fixed by the schedule to this Order to retire at the age of sixty on such pension as by the length of his service he is qualified to receive.
- (b) Retirement shall be compulsory for every officer whose salary is fixed by the schedule to this Order, on attaining sixty-five years of age, but in special cases the Board of Trade may, at the instance of the Commissioners of Irish Lights, extend the employment of any such officer for a further period, in no case exceeding five years, on being satisfied that such officer's retirement at sixty-five would be detrimental to the interests of the light-house service.

And Her Majesty, by virtue, and in further exercise of the power so vested in Her as aforesaid, and by and with the advice aforesaid, is pleased to fix, and doth hereby fix, that the salaries, which, under the provisions of this present Order in Council, are, for the time being, payable to the officers of the Establishment of the Commissioners of Irish Lights, shall be paid out of the Mercantile Marine Fund. *C. L. Peel.*

**PRESENT,**

The **QUEEN'S** Most Excellent Majesty in Council.

**W**HEREAS by section 26 of "The Pluralities Act, 1838," after reciting that "Whereas in some instances tithings, hamlets, chapelries, and other places or districts may be separated from the parishes or mother churches to which they belong with great advantage, and places altogether extra-parochial may in some instances with advantage be annexed to parishes or districts to which they are contiguous, or be constituted separate parishes for ecclesiastical purposes," it is, amongst other things, enacted "That when, with respect to his own diocese, it shall appear to the Archbishop of the Province, or when the Bishop of any diocese shall represent to the said Archbishop that any such tithing, hamlet, chapelry, place or district within the diocese of such Archbishop, or the diocese of such Bishop, as the case may be, may be advantageously separated from any parish or mother church, and either be constituted a separate benefice by itself or be united to any other parish to which it may be more conveniently annexed, or to any other adjoining tithing, hamlet, chapelry, place, or district, parochial, or extra-parochial so as to form a separate parish or benefice, or that any extra-parochial place may with advantage be annexed to any parish to which it is contiguous, or be constituted a separate parish for ecclesiastical purposes; and the said Archbishop or Bishop shall draw up a scheme in writing (the scheme of such Bishop to be transmitted to the said Archbishop for his consideration), describing the mode in which it appears to him that the alteration may best be effected, and how the changes consequent on such alteration in respect to ecclesiastical jurisdiction, glebe lands, tithes, rent-charges, and other ecclesiastical dues, rates, and payments, and in respect to patronage and rights to pews, may be made with justice to all parties interested; and if the patron or patrons of the benefice or benefices to be affected by such alteration shall consent in writing under his or their hands to such scheme, or to such modification thereof as the said Archbishop may approve, and the said Archbishop shall, on full consideration and inquiry, be satisfied with any such scheme, or modification thereof, and shall certify the same and such consent as aforesaid, by his report to Her Majesty in Council, it shall be lawful for Her Majesty in Council to make an Order for carrying such scheme, or modification thereof, as the case may be, into effect."

And whereas by section six of another Act of Parliament, passed in the second and third years of the reign of Her present Majesty, intituled "An Act to make better provision for the assignment of ecclesiastical districts to churches or chapels augmented by the Governors of the Bounty of Queen Anne, and for other purposes," it is, amongst other things, further enacted "That any such scheme or modification as aforesaid may be drawn up according to the regulations and directions in the hereinbefore in part recited Act contained, subject to the consent in writing of the patron or patrons of the benefice or benefices to be affected thereby under his or their hands, notwithstanding the vacancy of such benefice or benefices; and that it shall be lawful for Her Majesty in Council thereupon to make an Order for carrying such scheme, or modification

"thereof, as [the case may be, into effect; and "that such Order being registered in the registry of the diocese, as directed by the hereinbefore in part recited Act, shall come into operation, and shall be forthwith binding on all persons whatsoever, notwithstanding such vacancy or vacancies."

The QUEEN's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of Her Majesty chapter thirty-seven sections six and eight, duly prepared and laid before Her Majesty in Council a scheme bearing date the twenty-sixth day of May, in the year one thousand eight hundred and ninety-two, in the words following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of an Act of the sixth and seventh years of Your Majesty chapter thirty-seven sections six and eight have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the succentorship of the cathedral church of Lichfield and now vested in us.

"Whereas by virtue of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen all the lands tenements and hereditaments theretofore belonging to the said succentorship became upon the avoidance of the said succentorship by the decease of the late succentor absolutely vested in us for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas our estate in the lands tenements hereditaments and endowments aforesaid

consists of a reversion expectant upon the determination of a beneficial lease such lease producing only a small annual revenue and partly on that account and partly on account of the character or situation of the property the said lands tenements hereditaments and endowments are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas by an Act of the twenty-third and twenty-fourth years of Your Majesty chapter one hundred and twenty-four power is given to lessees holding under us in the event of our declining to enter into a treaty for the sale of our reversions or the purchase of the leasehold interests to require us to purchase such leasehold interests at a valuation.

"And whereas with a view to the advantageous appropriation of the said lands tenements hereditaments and endowments or of the proceeds thereof for the ultimate improvement of our common fund it is expedient that the said lands tenements hereditaments and endowments or such parts thereof as we shall at any time and from time to time think fit should be sold or disposed of and accordingly that we should be empowered to dispose of our interests therein or in any part or parts thereof in such manner as shall appear to us advisable.

"Now therefore we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing duly executed according to law from time to time to sell or dispose of and duly to convey according to the provisions of the said Act of the sixth and seventh years of Your Majesty's reign with the consent of the holder or holders thereof (if any) to be testified by his her or their being made parties to such instruments all or any of the said lands tenements hereditaments and endowments formerly belonging to the said succentorship and so vested in us as aforesaid with the appurtenances and all our estate right title and interest therein or in any part or parts thereof unto and to the use of any person or persons desirous or willing to purchase the same and his her or their heirs executors administrators or assigns or otherwise as he she or they shall direct or appoint and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable it being our intention to invest the proceeds of such sale from time to time as occasion may arise in the purchase of other lands tithes rent-charges tenements or hereditaments or of some estate or interest therein convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid and in the meantime to invest the said proceeds in some Government or Parliamentary stock or other public securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said Scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London

STATUTES to add to alter and amend the Statutes framed by the Commissioners appointed under "The Universities of Oxford and Cambridge Act 1877" in relation to the University of Cambridge and now submitted for the approval of Her Majesty the Queen in Council.

We the Chancellor Masters and Scholars of the University of Cambridge in pursuance and in exercise of the powers given to us by the 53rd section of the said Act do hereby add to alter and amend the Statutes framed by the said Commissioners in relation to our said University in manner following:

By substituting for Statute B Chapter I Sections 2 and 3 the following Sections to form amended Sections 2 and 3 of such Chapter of Statute B.

2. Subject to the deductions mentioned in the clause next following the aggregate sum to be contributed by the Colleges in each of the years 1891, 1892, 1893, 1894, 1895, shall be not less than £20,000 nor more than £24,000; in each of the years 1896, 1897, 1898, 1899, 1900, 1901, 1902, not less than £25,000 nor more than £30,000, and in every subsequent year £30,000, or such larger sum being not greater than £30,500 as may be found more convenient for the purpose of calculating the rate per centum in any year. Provided that in case it appears at any time hereafter to the Financial Board hereinafter constituted that the aggregate income of the Colleges has fallen so low that the contribution required under this Chapter would be an excessive burden upon the Colleges, the Chancellor may, upon the application of the Financial Board, inquire into the matter and if he be satisfied that the fact is so he may at his discretion direct that the amount to be levied under this Chapter be diminished for any period not exceeding five years by any sum not exceeding one fifth part of the minimum amount named in this Chapter for each

year of such period. For the purposes of this proviso the Vice-Chancellor shall not exercise the power herein given to the Chancellor.

3. From the contributions so determined each College shall be entitled to deduct for each Professorial Fellowship in the College held by a Professor of the University:

In each of the years 1891, 1892, 1893, 1894, 1895, £160; and in every subsequent year £200.

*Privy Council Office, June 28, 1892.*

**W**HEREAS the Governing Body of Shrewsbury School, in virtue of the powers conferred upon them by "The Public Schools Act, 1868," did, on the twenty-fifth day of May, one thousand eight hundred and ninety-two, make the following Scheme:

And whereas the said Scheme has this day been laid before Her Majesty in Council, the same is published in the London Gazette in pursuance of the said Act:

And notice is hereby given, that it is lawful for the bodies or persons authorized so to do in that Act, within two months from the date of the publication of this notification, to petition Her Majesty in Council to withhold Her approval from the whole or any part of such Scheme.

**SCHEME** for amending and altering the Scheme for the removal of Shrewsbury School from its actual site.

WHEREAS by the Public Schools Act, 1868, 31 and 32 Vict. c. 118, it is enacted as follows:—

Section 25. Any scheme authorized to be made under this Act may contain all powers and provisions that may be thought expedient for carrying into effect its objects; and where any scheme authorizes the purchase or acquisition of any lands, there shall be deemed to be incorporated with such scheme "The Lands Clauses Consolidation Act 1845" with the exception of the provisions relating to the purchase of lands otherwise than by agreement and of the provisions relating to entry upon land to intersected lands, and to the recovery of forfeitures, penalties, and costs, and of the provisions relating to access to the Special Act.

And whereas it is further enacted:—

Section 26. The new Governing Body of Shrewsbury School may, if they deem it expedient, at any time after the passing of this Act lay a scheme before Her Majesty in Council for the removal of the School from its actual site to some other place and may provide in such scheme for the sale or mortgage of any property belonging to or held in trust for such School and for its appropriation to building or other purposes, with power to suspend any Scholarships or Exhibitions payable out of such property and for the purchase of other property and for the erection of new buildings on the property so purchased, and generally for all matters (including the sale of any surplus property that may be purchased, and the investment of the money which may be produced by such sale), required to effect, such removal in a convenient manner, to the same extent as if such Governing Body were the absolute owners of any property they may be dealing with under this section as purchasers, vendors, or otherwise; and any such scheme shall be subject to the same provisions, and, if approved, shall take effect, and be subject to alteration in the same manner as Statutes made by a Governing Body.

Provided firstly that any scheme made under this section before the expiration of the powers by this Act conferred on the Special Commissioners shall be approved of by them before being laid before Her Majesty in Council; secondly, that the power of making a scheme under this section shall not pass to the Special Commissioners or cease after the first of January, one thousand eight hundred and seventy, or such further time as may be determined by Her Majesty as hereinafter-mentioned, but shall continue vested in the new Governing Body of the said School; thirdly, that the School shall not be removed to any site exceeding in distance three miles measured in a

straight line from the Market Place in Shrewsbury.

And whereas divers other Acts of Parliament have since been passed, continuing and enlarging the powers conferred in the abovenamed Act.

And whereas the Governing Body of Shrewsbury School did on the twenty-first day of August one thousand eight hundred and seventy-five propose by virtue and in pursuance of the powers above-mentioned a scheme for the removal of the said School in the terms following that is to say:—

1. With a view to the removal of Shrewsbury School from its actual site, the Governing Body may purchase the messuages, buildings, and several pieces of land situate at Kingsland near Shrewsbury and more particularly described in the schedule hereto (that is to say in the schedule to the scheme now being recited) and delineated upon the map or plan thereof annexed hereto (that is to say to the scheme now being recited) and thereon coloured pink.

2. The Governing Body may appropriate the said pieces of land or such part thereof as they may deem necessary for the use of the School and may either alter and adapt to the purposes of the School any of the existing buildings on the said pieces of land, or may pull down the existing buildings thereon or any of them, and erect such new buildings thereon as they may deem requisite for the use of the School (including residences for the Masters) and may lay out any further part of the said land as a playground for the Scholars, or gardens for the Masters, or any like purposes.

3. With a view to the erection of residences for the Assistant Masters and of boarding houses, the Governing Body may grant building leases of any part or parts of the said pieces of land, subject to the following restrictions (that is to say):—

I. No such lease shall be for any longer term than ninety-nine years, to take effect in possession or within six calendar months after the making of the demise.

II. The rents to be reserved, shall be the best yearly rents that can reasonably be obtained without the payment of any fine or premium, but a peppercorn rent or any rent less than the rent ultimately made payable may be made during the first two years of the term.

III. The lessee shall covenant to erect on the land demised within a reasonable time, not exceeding two years after the date of the lease, a suitable residence for an Assistant Master with proper offices and outbuildings, and either with or without accommodation for boarders as the case may be.

IV. Every such lease shall contain a proviso for re-entry on non-payment of the rent reserved or non-performance or non-observance of the covenants contained in the lease.

4. So soon as in the opinion of the Governing Body, the new site shall be ready, the School shall be removed to such new site; and thereupon the actual site and the buildings thereon shall be discharged from the trusts for the use of the School upon which the same are at present held, and shall thenceforth be held upon the trusts and for the purposes hereinafter declared.

5. For the purpose of raising funds for defraying the expenses of carrying this scheme into effect, the Governing Body may sell or mortgage (but subject as to any such mortgage to the restrictions hereinafter provided) any property belonging to or held in trust for the School, and shall apply the proceeds of any such sale or mortgage, and may apply any capital funds for

the time being belonging to, or held in trust for the School in or towards payment of such expenses provided that the proceeds of any such sale may be applied in discharging the principal moneys raised by any previous mortgage or any part thereof.

6. No money shall be borrowed by the Governing Body on mortgage of any part of the property of the School to be effected under Article 5 at any higher rate of interest than five pounds per cent. per annum; and the Governing Body shall make provision for discharging the principal moneys borrowed within thirty years either by payment of the same in yearly or other instalments, or by the formation of a sinking or accumulation fund out of the income of the charity.

7. The Governing Body may also sell all or any part of the actual site of the School, or any part or parts of the said pieces of land so to be purchased as aforesaid which may not be required for the purposes of the School, either subject or not to any building lease thereof to be made under the said power for that purpose at such time or times and in such manner and for such sums of money as the Governing Body may think fit. All moneys to arise from any sale made under this Article may be applied to the same purposes to which the moneys raised by any sale under Article 5 are hereinbefore made applicable, and so far as the same may not be required for those purposes, and in the meantime and until the same shall be so applied shall be invested in any of the securities which may for the time being be authorised by the Court of Chancery for the investment of cash under the control of the Court, and the income of the stocks, funds, and securities in or upon which the said sale moneys shall be invested, and also the rents and profits of the said lands until sold shall be applicable to the same purposes as the income of any other property belonging to or held in trust for the School.

8. The Governing Body may from time to time and during such time as they may think necessary, either wholly or partially, suspend any Scholarships or Exhibitions payable out of any property belonging to or held in trust for the School which or the proceeds of the sale or the mortgage of which may have been appropriated for the purposes of this scheme.

9. No person dealing with the Governing Body shall be bound to inquire whether any disposition purporting to be made under the powers hereby conferred is in fact proper or authorised or be bound to see to the application of any moneys to be raised by any sale or mortgage purporting to be made under the powers of this scheme.

And whereas the said scheme was duly laid before and approved and sanctioned by Her Majesty in Council on the twelfth day of February, one thousand eight hundred and seventy-six. And whereas the Governing Body having in the year one thousand eight hundred and seventy-eight completed the purchase of the messuages buildings and pieces of land described in the schedule to the hereinbefore recited scheme (with the exception of a piece of land containing two acres and seventeen perches therein described as the property of the representatives of the late Mr. John Beck) and having removed the School to its new site as soon as the buildings then necessary had been erected upon it, thereafter became convinced that owing to the insufficient area of the land originally purchased and the increasing number of the scholars it was necessary to take any favourable opportunity which might occur of providing additional adjoining land for the purposes of the School. And whereas the

Governing Body accordingly on or about the nineteenth day of June, one thousand eight hundred and ninety purchased from John Beck, Peter Arthur Beck and Edward Beck, sons of the said John Beck deceased a house on Kingsland with the land adjoining thereto containing in the whole twenty acres, three roods and six perches or thereabouts and including the said piece of land containing two acres and seventeen perches the purchase of which was authorised by the hereinbefore recited scheme as hereinbefore mentioned. And whereas on or about the twenty-fifth day of March one thousand eight hundred and ninety-one Edmund Cresswell Peele Esquire and the Venerable Thomas Bucknall Lloyd Archdeacon of Salop two of the members of the Governing Body and the Reverend Henry Whitehead Moss Head Master of Shrewsbury School with the approval and assent of the Governing Body purchased from Robert Alexander Craig and John Craig the trustees of the will of the Reverend James Craig deceased the dwelling-house known as Severn Hill House with the land adjoining thereto containing in the whole fourteen acres one rood and one perch or thereabouts to the intent that the same might be held by them at the disposal of the Governing Body pending the granting of the licence in mortmain next hereinafter recited. And whereas Her Majesty the Queen by Letters Patent dated the sixth of May in the fifty-fourth year of Her reign, granted unto the Governing Body and their successors full and absolute remission of all forfeitures on account of the hereditaments on Kingsland containing twenty acres, three roods and six perches so purchased as aforesaid having been taken and held by the Governing Body without a licence in mortmain and granted unto the Governing Body and their successors full power and authority to hold the same in mortmain in perpetuity and Her Majesty also granted unto the said Robert Alexander Craig and John Craig Her Royal licence and authority to convey to the Governing Body and their successors the dwelling-house known as Severn Hill House and land containing fourteen acres, one rood, and one perch so purchased as aforesaid and also granted to the Governing Body and their successors Her especial licence and authority to accept a conveyance of the same to hold the same to them and their successors as the Governing Body of the Free Grammar School in the town of Shrewsbury aforesaid in mortmain in perpetuity. And whereas on or about the first day of September one thousand eight hundred and ninety-one the Governing Body sold and conveyed to Elizabeth Harriet Cooper of Claremont-buildings Shrewsbury aforesaid the dwelling-house on Kingsland so purchased as aforesaid from the sons of John Beck deceased and a portion of the land purchased therewith comprising in the whole together with a small portion of land bought with Severn Hill House (and sold and conveyed to her by the said Edmund Cresswell Peele, Thomas Bucknall Lloyd and Henry Whitehead Moss with the assent and by the direction of the Governing Body) an area of four acres two roods and thirty-seven perches or thereabouts and being lands and hereditaments not required for the purposes of the said School. And whereas on or about the thirtieth day of September one thousand eight hundred and ninety-one the said Edmund Cresswell Peele Thomas Bucknall Lloyd and Henry Whitehead Moss with the assent and by the direction of the Governing Body sold and conveyed to George Evans of Shrewsbury aforesaid Gentleman the aforesaid dwelling-house known as Severn Hill House and a portion of the land purchased therewith compris-

ing in the whole four acres; one rood, thirty-seven perches seventeen ydrds or thereabouts and being lands and hereditaments not required for the purposes of the said school. And whereas on or about the seventeenth day of November one thousand eight hundred and ninety-one the said Edmund Cresswell Peele Thomas Bucknall Lloyd and Henry Whitehead Moss conveyed to the Governing Body the remainder of the land purchased with Severn Hill House aforesaid and not sold and conveyed either to the said Ellzabeth Harriet Cooper or to the said George Evans such remainder comprising an area of nine acres and two roods or thereabouts. And whereas the whole of the messuages and land so purchased as aforesaid and also such portions thereof as have been resold as aforesaid are more particularly described in the first schedule hereto and are delineated upon the plan hereto annexed the parts which have not been resold but which still remain the property of the Governing Body and are available for the purposes of the said school being distinguished upon the said plan by being coloured pink and the parts which have been resold being left uncoloured. And whereas the said Henry Whitehead Moss has recently purchased a piece of land containing five acres, one rood and thirty-five perches or thereabouts which adjoins the school playground and is more particularly described in the second schedule hereto and delineated upon the said plan hereto annexed and thereon coloured blue with the intention of giving to the Governing Body the option of purchasing the same from him for five hundred pounds less than the price paid by him. And whereas the acquisition for the purposes of the said school of the land coloured pink on the said plan could not have been carried out except by purchasing the same together with the other lands and hereditaments purchased therewith and subsequently selling such other land and hereditaments and such acquisition has proved and is likely to prove of great benefit and advantage to the said school and was in fact in the events which happened necessary for the proper and effective carrying out of the said recited scheme for the removal of the said school and further it would be of great benefit and advantage to the said school that the Governing Body should be

empowered to acquire for the purposes thereof the said land coloured blue on the said plan. And whereas a sanatorium has been found to be essential to the welfare of the school and the Governing Body are desirous of erecting one accordingly. And whereas the Governing Body requiring for the purposes of the acquisition of the said land coloured pink and blue and of the erection of the said sanatorium to borrow and raise considerable funds in addition to the funds the borrowing and raising of which were contemplated by the said recited scheme are accordingly in need of some relaxation in the requirement contained in the sixth clause of the hereinbefore recited scheme with regard to the discharge of the principal moneys borrowed by them.

The Governing Body of Shrewsbury School do hereby propose, by virtue and in pursuance of the powers above mentioned to alter the hereinbefore recited scheme as follows, that is to say:—

1. The said scheme shall throughout be read and construed as though the pieces of land and hereditaments more particularly described in the First and Second Schedules hereto (other than and except such parts of the land and hereditaments described in the said First Schedule as are therein stated to have been sold) and which lands and hereditaments other than and except as aforesaid are delineated upon the plan hereto annexed and thereon coloured pink and blue had been described in the schedule to the said recited scheme and delineated upon the plan thereto annexed and thereon coloured pink, and in particular the purchase and acquisition of the said piece of land coloured pink by and on behalf of the Governing Body as hereinbefore recited by means of purchasing those pieces of land together with other lands and hereditaments and subsequently selling such other lands and hereditaments shall be deemed to have been authorised by the said scheme.

2. The said scheme shall be read and construed as though it had been by clause six thereof provided that the Governing Body should make provision for discharging the principal moneys borrowed by them within forty years from the time of borrowing instead of within thirty years as therein mentioned.
