(3.) The power to make Regulations under this Article shall be exercised only by the Local Authority or their Executive Committee and shall not be deputed to any other Committee or Sub-Committee.

*Occupiers and Owners to give facilities for Cleansing &c.*

(e.) to place or keep a diseased or suspected horse, ass, or mule on common or uninclosed land, or in a field or place insufficiently fenced, or in a field adjoining a highway unless that field is so fenced or situate that animals therein cannot in any manner come in contact with any horse, ass, or mule passing along that highway or grazing on the sides thereof ;

(f.) to graze a diseased or suspected horse, ass, or mule on pasture being on the sides of a highway ; or

(g.) to allow a diseased or suspected horse, ass, or mule to stray on a highway or thoroughfare or on the sides thereof or on common or uninclosed land, or in a field or place insufficiently fenced.

*Proceedings in case of contravention of last preceding Article.*

10.—(1.) Where a horse, ass, or mule is exposed or otherwise dealt with in contravention of the last preceding Article, the Inspector of the Local Authority or other officer appointed by them in that behalf shall seize and remove and detain it, and the Local Authority shall cause such horse, ass, or mule to be as soon as practicable examined by a Veterinary Inspector or a Veterinary Surgeon, and the horse, ass, or mule shall be dealt with in accordance with the following Regulations (namely):

(Regulation A.—Diseased Horses, Asses, or Mules.)

(i.) If the horse, ass, or mule so seized is found to be diseased the Local Authority shall cause it to be forthwith slaughtered; and, if not slaughtered at the place where it is seized, it may, notwithstanding the provisions of the last preceding Article, be moved under the direction and in charge of an Inspector or other officer of the Local Authority to the nearest available horse-slaughterer's or knacker's-yard or other place convenient for such slaughter to be there slaughtered; and that Inspector or other officer shall enforce and superintend the immediate slaughter there of the horse, ass, or mule, and shall report to the Local Authority the fact of the slaughter there; and

(Regulation B.—Suspected Horses, Asses, or Mules.)

(ii.) If the horse, ass, or mule so seized is suspected only of disease it shall be dealt with as follows:

(iii.) The suspected horse, ass, or mule so seized may be slaughtered by or at the request of the owner or person in charge thereof at the place where it is seized; or

(iv.) The suspected horse, ass, or mule so seized may, notwithstanding the provisions of the last preceding Article, be moved by or at the request of the owner or person in charge thereof with a Licence of the Inspector to the nearest available horse-slaughterer's or knacker's-yard or other place convenient for such slaughter for the purpose of being there forthwith slaughtered; in which latter case the following provisions shall apply:

(v.) The Licence shall be available for twelve hours, and no longer.

(vi.) The Licence shall specify the horse-slaughterer's or knacker's-yard or place to which the suspected horse, ass, or mule is to be moved for slaughter, and it shall not be moved to any other horse-slaughterer's or knacker's-yard or place.

(vii.) The suspected horse, ass, or mule so moved shall be moved to the specified horse-slaughterer's or knacker's-yard or place under the direction and in charge of an Inspector or other officer of the Local Authority; and he shall enforce and superintend the immediate slaughter there of the horse, ass, or mule, and shall forthwith report to the Local Authority the fact of the slaughter there.

(viii.) If the movement is to be into the District of another Local Authority, there must also be a Licence of that other Local Authority indorsed on or referring to the first-mentioned Licence; which second Licence must be granted before the horse, ass, or mule is moved into the District of that other Local Authority.

(ix.) The suspected horse, ass, or mule so moved into the District of that other Local Authority shall be moved to the specified horse-slaughterer's or knacker's-yard or place under the direction and in charge of an Inspector or other officer of the Local Authority out of whose District

it is moved; and he shall enforce and superintend the immediate slaughter there of the horse, ass, or mule, and shall forthwith report to both the Local Authorities the fact of the slaughter there; or

(x.) The suspected horse, ass, or mule, if not slaughtered as aforesaid, shall be moved, in charge of an Inspector or other officer of the Local Authority, to some convenient and isolated place, and shall be there kept for such time as the Local Authority think expedient, subject, however, to the horse, ass, or mule being there slaughtered at any time by or at the request of the owner or person in charge thereof.

(xi.) If the suspected horse, ass, or mule so seized moved and detained but not slaughtered as aforesaid proves, while in such isolated place, to be diseased, it shall be dealt with in the same manner and be subject to the same provisions in all respects as if it had been so diseased at the time when it was seized and detained by such Inspector or other officer.

(Regulation C.—Disinfection in these cases.)

(2.) In case of a diseased horse, ass, or mule being seized in accordance with the provisions of this Article, it shall not be lawful for the Market Authority or the owner or occupier of such other place or any person to again use or allow to be used, for horses, asses, or mules, that portion of the market or other place where the diseased horse, ass, or mule was found, unless and until a Veterinary Inspector has certified that that portion has been, as far as practicable, cleansed and disinfected.

*Expenses.*

11. The Local Authority may recover the expenses of the execution by them or by their Inspector or other officer of the provisions of the last preceding Article from the owner of the horse, ass, or mule seized, or from the consignor or consignee thereof, who may recover the same from the owner in any court of competent jurisdiction.

*Removal of Dung or other Things.*

12. It shall not be lawful for any person to send or carry, or cause to be sent or carried, on a railway, canal, river, or inland navigation, or in a coasting vessel, or on a highway or thoroughfare, any dung, fodder, or litter that has been in any place in contact with or used about a diseased horse, ass, or mule, except with a Licence of the Local Authority for the District in which such place is situate, granted on a certificate of an Inspector of the Local Authority certifying that the thing moved has been, as far as practicable, disinfected.

*Slaughter with Compensation.*

13.—(1.) A Local Authority may if they think fit cause to be slaughtered any diseased horse, ass, or mule: Provided that if the owner of the horse, ass, or mule gives notice in writing to the Local Authority, or their Inspector or other officer, that he objects to the horse, ass, or mule being slaughtered, it shall not be lawful for the Local Authority to cause that horse, ass, or mule to be slaughtered except with the further special authority of the Board of Agriculture first obtained.

(2.) A Local Authority may if they think fit cause to be slaughtered any suspected horse, ass, or mule, having previously obtained the consent of the owner thereof.

(3.) The Local Authority shall out of the local rate pay compensation as follows for any horse, ass, or mule slaughtered under this Article—

(a.) Where the horse, ass, or mule was diseased, the compensation shall be such sum as the Local Authority think expedient, being a

minimum in the case of a horse of two pounds and in the case of an ass or mule of ten shillings: Provided that in no case shall the amount of compensation, if above the said minimum, exceed one-fourth of the value of the animal immediately before it became diseased.

- (b.) In every other case the compensation shall be the value of the horse, ass, or mule immediately before it was slaughtered.

*Ascertainment of Value for Compensation in England and Wales.*

14. Where in England or Wales a horse, ass, or mule, not being a diseased horse, ass, or mule, is slaughtered by order of a Local Authority under this Order, the value of the animal shall for the purpose of compensation be such sum as may have been agreed upon between the Local Authority and the owner of the animal before the animal was slaughtered, or, where no such agreement has been entered into, such sum as may be determined in manner following (that is to say):—

- (i.) The Local Authority shall within six days after the slaughter give to the owner of the animal notice in writing of the valuation thereof made by them.
- (ii.) If the owner does not within six days after the receipt of that notice give to the Local Authority, or their Inspector or other officer, a counter-notice in writing stating to the effect that he disputes the valuation made by the Local Authority, the compensation shall be paid on that valuation.
- (iii.) If the Local Authority fail to give such a notice, or if the owner gives such a counter-notice, as aforesaid, then the question of the value of the animal shall by virtue of this Order stand referred to the arbitration of a single arbitrator, who shall make his award ready for delivery within seven days after he is appointed; and the provisions of the Arbitration Act 1889 shall apply to the reference and arbitration as if the same were pursuant to a submission, except in so far as that Act is inconsistent with the provisions of this Article.
- (iv.) If, on the arbitration, a higher valuation is awarded than the valuation made by the Local Authority, then the Local Authority shall be liable to and shall bear and pay all the expenses of the arbitration, and all costs of the owner reasonably and properly incident to the proceedings therein, and their own costs of those proceedings.
- (v.) Otherwise, the Local Authority shall be liable to and shall bear and pay one half of the expenses of the arbitration, and their own costs of the proceedings therein, but no further expenses or costs.
- (vi.) All such expenses and costs paid by the Local Authority shall be part of their expenses under the Act of 1894.

*Special Provision as to movement of Diseased or Suspected Horses, Asses, or Mules for Slaughter.*

15.—(1.) Notwithstanding anything in this Order, a Local Authority may cause any horse, ass, or mule liable to be slaughtered by them under Article 13 of this Order to be moved in a properly constructed float or van to a horse-slaughterer's or knacker's-yard or other place convenient for such slaughter.

(2.) Any float or van, which has been used for the conveyance of any diseased or suspected horse, ass, or mule, shall immediately after each occasion of such use be cleansed and disinfected by and at the expense of the Local Authority as follows:

- (i.) The floor of the float or van and all other parts thereof with which the horse, ass, or mule, or its droppings, have come in contact shall be scraped and swept, and the scrapings and sweepings, and all dung, sawdust, litter, and other matter shall be effectually removed therefrom; then
  - (ii.) The same parts of the float or van shall be thoroughly washed or scrubbed or scoured with water; then
  - (iii.) The same parts of the float or van shall have applied to them a coating of limewash.
- (3.) The scrapings and sweepings of the float or van, and all dung, sawdust, litter, and other matter removed therefrom, shall forthwith be well mixed with quicklime, and be effectually removed from contact with animals.

*Record of Slaughter.*

16. Every Local Authority shall keep, in the form prescribed by the Board, a record relative to horses, asses, or mules slaughtered by their order, stating the particulars indicated in such form, with such variations as circumstances require.

*Disposal of Carcases.*

17.—(1.) The carcase of every horse, ass, or mule that was diseased at the time when it died or was slaughtered shall be disposed of by the Local Authority as follows:

- (i.) Either the Local Authority shall cause the carcase to be buried as soon as possible in its skin in some proper place, and to be covered with a sufficient quantity of quicklime or other disinfectant, and with not less than six feet of earth;
  - (ii.) Or the Local Authority may, if authorized by Licence of the Board, cause the carcase to be destroyed, under the inspection of the Local Authority, in the mode following: The carcase shall be disinfected, and shall then be taken, in charge of an officer of the Local Authority, to a horse-slaughterer's or knacker's-yard approved for the purpose by the Board, or other place so approved, and shall be there destroyed by exposure to a high temperature, or by chemical agents.
- (2.) With a view to the execution of the foregoing provisions of this Article the Local Authority may make such Regulations as they think fit for prohibiting or regulating the removal of any such carcase, or for securing the burial or destruction of the same: Provided that the power to make Regulations under this Article shall be exercised only by the Local Authority or their Executive Committee and shall not be deputed to any other Committee or Sub-Committee.
- (3.) Where under this Article a Local Authority cause a carcase to be buried, they shall first cause its skin to be so slashed as to be useless.
- (4.) A Local Authority may cause or allow a carcase to be taken into the District of another Local Authority to be buried or destroyed, with the previous consent of that Local Authority or with a Licence in that behalf of the Board, but not otherwise.

*Digging up.*

18. It shall not be lawful for any person, except with the Licence of the Board, to dig up, or cause to be dug up, the carcase of any horse, ass, or mule that has been buried.

*Weekly Returns as to Disease.*

19. When an Inspector of a Local Authority finds glanders or farcy in his District, he shall forthwith make a return thereof to the Local Authority and to the Board, on a form provided by the Board, with all particulars therein required, and shall continue to so make a return thereof on the

Saturday of every week until the disease has ceased.

*General Provisions as to Regulations of Local Authority.*

20.—(1.) Every Local Authority shall forthwith send to the Board a copy of every Regulation made by them under this Order.

*Production of Licences; Names and Addresses.*

21.—(1.) Every person in charge of any horse, ass, or mule being moved, where, under any Regulation of a Local Authority made under this Order, a Movement Licence is necessary, shall, on demand of a Justice, or of a constable, or of an Inspector or other officer of the Local Authority, produce and show to him the Licence, if any, authorizing the movement, and shall allow it to be read and a copy of or extract from it to be taken by the person to whom it is produced.

(2.) Every person so in charge shall, on demand as aforesaid, give his name and address to the Justice, or constable, or Inspector or other officer.

*Exemption of Army Department and Veterinary Colleges.*

22. Nothing in this Order applies to horses, asses, or mules kept in stables of military barracks or camps under the care and supervision of the Army Veterinary Medical Department, or to horses, asses, or mules kept in stables of any Veterinary College affiliated to the Royal College of Veterinary Surgeons: Provided that nothing in this Article shall be deemed to apply to the carcasses of such horses, asses, or mules, nor to exempt any Local Authority from any obligation imposed on them in regard to the disposal of such carcasses.

(3.) If any person, with a view to unlawfully evade or defeat the operation of this Order, by clipping, or washing, or in any other manner, takes out, effaces, or obliterates, or attempts to take out, efface, or obliterate, any such mark clipped, painted, or stamped on any horse, ass, or mule, the person doing the same, and the person causing, directing, or permitting the same to be done, and the owner of the horse, ass, or mule, and the person for the time being in charge

thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.
