#### ORDER OF THE LONDON COUNTY COUNCIL RE-ARRANGING THE WARDS OF THE PARISH OF ST. MARY, ISLINGTON, APPROVED BY THE SECRETARY OF STATE.

To the Vestry of the parish of St. Mary, Islington;

And all whom it may concern.

WHEREAS by section 15 of the London County Council (General Powers) Act, 1893, as amended by the London County Council (General Powers) Act, 1895, section 42, it is enacted that the London County Council may from time to time for the purpose of Elections of Vestrymen, upon the application in writing of the Vestry, or of not less than five hundred rated householders of a parish mentioned in Schedules A and B to the Metropolis Management Act, 1855, by order under their seal, re-arrange the wards in such parish, and determine the number, extent, limits, and boundary lines of the new wards, but so nevertheless that no ward shall contain less than five hundred rated householders, and the Council shall, in making any such re-arrangement apportion among the several wards the number of Vestrymen to be elected for such parish, and shall in assigning the number of Vestrymen to each ward have regard so far as practicable as well to the number of persons rated to the relief of the poor in each ward as to the aggregate amount of the sums at which all such persons are rated, and the number of Vestrymen assigned to each ward shall be a number divisible by three; and it is also by the said London County Council (General Powers) Act, 1893, enacted that any such Order may contain such provisions with reference to the election, rotation and retirement of Vestrymen (whether elected prior or subsequently to the date of the Order) as the Council may think necessary for the purpose of carrying out the provisions of the Order.

And whereas the parish of St. Mary, Islington, is a parish mentioned in Part I of Schedule A to the Metropolis Management Act, 1855, and pursuant to the provisions of the said Act, the said parish was divided into eight wards.

And whereas the vestry of the said parish hath applied to the London County Council to re-arrange the wards of the said parish pursuant to the provisions of the said 15th section of the London County Council (General Powers) Act, 1893, as amended by section 42 of the London County Council (General Powers) Act, 1895.

And whereas it appears from the rate books of the said parish prepared in the month of February, one thousand eight hundred and ninety-one, that the said parish contains forty-one thousand five hundred and sixty-eight rated householders, and that the ratable annual value of property, exclusive of the public companies, in the said parish is one million four hundred and eighty-six thousand one hundred and sixty-five pounds.

Now the London County Council having considered the said application, and having taken into consideration the number of persons rated to the relief of the poor in each proposed new ward of the said parish, and the aggregate amount of the sums at which all such persons are rated, and all the circumstances connected with such application, doth hereby order that the wards of the said parish of St. Mary, Islington, be, and the same are hereby re-arranged in manner following, that is to say, that the said parish be divided into eleven wards instead of eight wards; that the eleven wards be distinguished by the numbers and names mentioned in the first column of the first Schedule hereunder written, that the extent, limits and boundary lines of such wards be those described in the second column of the said Schedule, and that the number of Vestrymen to be elected for each of the said wards be the number mentioned in the third column of the said Schedule.

And whereas the London County Council thinks it necessary that this Order should, for the purpose of carrying out the foregoing provisions, contain the following provisions with reference to the election, rotation and retirement of Vestrymen.

Now the said London County Council doth hereby further order as follows, that is to say—

(1) That at the time appointed for the annual election of Vestrymen, the number of Vestrymen retiring, the number to be elected, and the number of years for which they shall respectively be elected, shall be as follows, that is to say—

In the year 1896 the numbers stated opposite the names of the several wards in the column headed "1896" in the Second Schedule hereunder written.

In the year 1897 those similarly stated in the column headed "1897."

In the year 1898 those similarly stated in the column headed "1898."

In the year 1899 those similarly stated in the column headed "1899."

(2.) That the Vestrymen who are respectively to be elected in the years 1896, 1897 and 1898, for less than three years shall be determined according to their place on the poll at the election, those Vestrymen who were lowest on the poll going out of office first. If at any election there shall have been no poll or a question shall arise in consequence of an equality of votes between two or more Vestrymen, the Vestry shall at some meeting before the time of the next annual election, determine by lot which of the Vestrymen elected at such election shall be the ones to go out of office at the end of two years and one year respectively.
