PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

**W**HEREAS by an Act of Parliament passed in the Session of Parliament holden in the seventh and eighth years of Her Majesty's reign intituled "An Act to amend the law respecting the Office of County Coroner" it is (amongst other things) enacted that when and as often as it shall seem expedient to the Justices of any County that such County should be divided into two or more districts for the purposes of that Act or that any alteration should be made of any division theretofore made under that Act, it shall be lawful for the said Justices in General or Quarter Sessions assembled to resolve that a petition shall be presented to Her Majesty praying that such division or alteration be made and thereupon to adjourn the further consideration of such petition until notice thereof shall be given to the Coroner or Coroners of such County as in that Act thereafter provided; and that the Clerk of the Peace shall give notice of any such resolution to every Coroner for such county and of the time when the petition will be taken by the said Justices into consideration, and the Justices shall confer with every such Coroner who shall attend the meeting of the Justices for that purpose touching such petition, having due regard to the size and nature of each proposed district, the number of inhabitants, the nature of their employment, and such other circumstances as shall appear to the Justices fit to be considered in carrying into execution the provisions of that Act; and that such petition with a description of the several proposed districts and of the boundaries thereof, with the reasons upon which the petition is founded, shall be certified to Her Majesty under the hands and seals of two or more of the Justices present when such petition shall be agreed to; and the Clerk of the Peace for such county shall forthwith give or send a proper copy of such petition certified under his hand to every Coroner for such county; and that it shall be lawful for Her Majesty, if She shall think fit, with the advice of Her Privy Council after taking into consideration any such petition and also any petition which may be presented to Her by any Coroner of the same county concerning such proposed division or alteration, or whenever it shall seem fit to Her Majesty to direct the issue of a writ *de coronatore eligendo* for the purpose of authorizing the election of an additional Coroner above the number of those who have been theretofore customarily elected in such county, to order that such county shall be divided into such and so many districts for the purposes of that Act as to Her Majesty, with the advice aforesaid, shall seem expedient, and to give a name to each of such districts; and that every such Order shall be published in the London Gazette.

And whereas by an Order in Council dated the twenty-sixth day of October one thousand eight hundred and sixty made under the provisions of the said recited Act the county of Wilts was divided for Coroners' purposes into three districts namely the first, or North Wilts District, the second or Middle Wilts District, and the third or South Wilts District.

And whereas, under and by virtue of the Local Government Act 1888, the powers and business of the said Justices in relation to the matters aforesaid have been transferred to the County Council for the county of Wilts;

And whereas by an Order in Council, dated the eighth day of February one thousand eight hun-

dred and ninety, made under the provisions of the said recited Act such part of the county of Wilts as comprised the area and district of the borough of Devizes was for Coroners' purposes constituted a separate district and named the "Devizes District."

And whereas by a Provisional Order, dated the fourth day of May one thousand eight hundred and ninety-five and made by the Local Government Board in pursuance of section fifty-four of "The Local Government Act 1888" for altering the boundaries between counties, part of the parish of Shalbourn which had theretofore formed part of the administrative county of Berks, and is referred to in the said Provisional Order as "the Shalbourn Area," was separated from the said county of Berks and became part of the administrative county of Wilts; and it was further provided that the said "Shalbourn Area" should be included in the Middle Coroner's District of that county subject to any alteration which might be made in that district;

And whereas the said Provisional Order was in the year one thousand eight hundred and ninety-five duly confirmed by Act of Parliament;

And whereas a petition dated the eighteenth February one thousand eight hundred and ninety-six has been presented to Her Majesty by the Wilts County Council stating that inconvenience and expense is caused by the fact that the said Shalbourn area forms part of the Middle Coroner's District and praying that the Middle Coroner's District, and the Northern Coroner's District may be altered by the transfer to the Northern Coroner's District of so much of the parish of Shalbourn as forms part of the Middle Coroner's District, which petition with a description of the several proposed districts and of the boundaries thereof, with the reasons upon which the petition is founded was duly certified to Her Majesty:

And whereas all the provisions of the said recited Act have been duly complied with:

And whereas no petition has been presented to Her Majesty by any Coroner of the said county concerning such proposed alteration:

And whereas Her Majesty has, with the advice of Her Privy Council, taken into consideration the said petition and is minded to make such alteration as aforesaid, and to order that the said administrative county of Wilts shall be divided into such and so many districts for Coroners' purposes as are hereinafter set forth:

Now therefore Her Majesty, by and with the advice of Her Privy Council, is pleased to order, direct, and declare, as it is hereby ordered, directed, and declared as follows, namely:—

(1.) From and after the date hereof so much of the parish of Shalbourn as was by the Provisional Order of the fourth May one thousand eight hundred and ninety-five included in the Middle Coroner's District of the county of Wilts shall cease to be included in the said district, and shall be included in and form part of the North Wilts Coroner's District.

(2.) The Devizes Coroner's District shall, as heretofore, comprise the several parishes and places and have the boundaries prescribed and ordered in that behalf by the Order in Council of the eighth February one thousand eight hundred and ninety.

(3.) The North Wilts Coroner's District shall, in addition to the aforesaid portion of the parish of Shalbourn, comprise as heretofore the several parishes and places and have the boundaries prescribed and ordered in that behalf in and by the Order in Council of the twenty-sixth October one thousand eight hundred and sixty.

(4.) The Middle Wilts Coroner's District shall continue to comprise the several parishes and places and have the boundaries respectively prescribed and ordered in that behalf in and by the Orders in Council of the twenty-sixth October one thousand eight hundred and sixty and the eighth February one thousand eight hundred and ninety, save and except the aforesaid portion of the parish of Shalbourne.

(5.) The South Wilts Coroner's District shall continue to comprise the several parishes and places and have the boundaries prescribed and ordered in that behalf in and by the Order in Council of the twenty-sixth October one thousand eight hundred and sixty.

(6.) This Order shall be published in the London Gazette.

And whereas it has seemed fit to Her Majesty, by and with the advice of Her Privy Council, to dispense with the calling out of the undermentioned units of Militia :—

**W**HEREAS by an Order in Council, dated the twenty-second day of May one thousand eight hundred and eighty-three: After reciting (amongst other things) that by "The Merchant Shipping Act Amendment Act 1855," it was enacted that in any case in which any Lighthouse, buoy, or beacon, had been or should be thereafter erected or placed on or near the coasts of any British Possession by or with the consent of the Legislative Authority of such Possession, Her Majesty might by Order in Council fix such dues in respect thereof to be paid by the owner or master of every ship which passes the same or derives benefit therefrom as Her Majesty might deem reasonable, and might in like manner from time to time increase, diminish, or repeal such dues, and that from the time specified in such Order for the commencement of the dues thereby fixed, increased, or diminished, the same should be leviable throughout Her Majesty's dominions in manner thereinafter mentioned:

And reciting that Lighthouses had, by and with the consent of the Legislative Authority of the Colony of Ceylon, been constructed and placed on the Great Basses Rock and on the Little Basses Rock in the said Colony, and a light had been exhibited from each of such Lighthouses:

And reciting that it was proposed to construct a Lighthouse on the Island of Minicoy between the Maldive and the Laccadive Islands, and to exhibit a light therefrom:

And reciting that the Legislative Authorities of India, Ceylon, the Straits Settlements, and Mauritius had given such consents as were necessary either to the erection of the Lighthouses or to the collection of dues in respect thereof:

And reciting section 10 of "The Public Works Loans Act, 1881," which provided (amongst other things) that so long as any money was due to the Public Works Loan Commissioners on account of any loan under that section, the dues payable in respect of the Great Basses Lighthouse and the Little Basses Lighthouse, or the Minicoy Lighthouse should be altered only with the consent of the Commissioners of Her Majesty's Treasury:

And reciting that it was expedient that provision should be made for the payment of such of the said dues as might be payable in India, Ceylon, the Straits Settlements, and Mauritius, including the Seychelles Islands, in the currency of the respective countries in which they are payable:

And reciting that the Lords Commissioners of Her Majesty's Treasury had signified their consent to the dues specified in the two Schedules annexed to the Order now in recital:

And reciting that the several classes of ships therein particularly specified would pass the said Great Basses Lighthouse and the said Little Basses Lighthouse, and would derive benefit therefrom:

in respect of the Great Basses Lighthouse and the Little Basses Lighthouse :

And that from and after the first exhibition of a light from the said Minicoy Lighthouse the dues specified in the Schedule marked B, thereunto annexed, should be levied in respect thereof :

And whereas all advances made by the Public Works Loan Commissioners in respect of the Great Basses Lighthouse, the Little Basses Lighthouse, and the Minicoy Lighthouse have been repaid :

And whereas by an Order in Council, dated the ninth day of May one thousand eight hundred and ninety-two, Her Majesty was pleased to direct that from the time therein mentioned the dues theretofore levied in respect of the said lighthouses under the hereinbefore recited Order of the twenty-second day of May, one thousand eight hundred and eighty-three, should be subject to an abatement or discount of fifty per centum :

And whereas by "The Merchant Shipping Act, 1894," "The Merchant Shipping Act Amendment Act, 1855," has been repealed, but the hereinbefore recited provisions of such last-mentioned Act are re-enacted and continued by the said "Merchant Shipping Act, 1894" :

And whereas it has been made to appear to Her Majesty to be expedient that the amount of the dues specified in the Schedules marked A and B, annexed to the said recited Order of the twenty-second day of May, one thousand eight hundred and eighty-three, as altered by the said recited Order of the ninth day of May, one thousand eight hundred and ninety-two, should be varied by diminishing the same in manner hereinafter mentioned :

"That six weeks and upwards before certifying such enquiry and consent to Your Majesty in Council we caused a copy in writing of the aforesaid representation of the said Lord Bishop to be affixed on the principal outer door of the parish church of each of the said benefices with notice to any person or persons interested that he she or they might within such six weeks show cause in writing under his her or their hand or hands to us the said Archbishop against such union and no such cause has been shown.

"The representation of the said Lord Bishop of Salisbury, our enquiry into the circumstances of the case, the statement of circumstances in reply thereto the consent in writing of the said patron and the copies of the representation and notice before mentioned are hereunto annexed.

"And we do hereby certify the enquiry and consent aforesaid to Your Majesty in Council to the intent that Your Majesty in Council may in case Your Majesty in Council shall think fit so to do make and issue an Order for uniting the said benefices into one benefice with cure of souls for ecclesiastical purposes."

Now therefore Her Majesty in Council, by and with the advice of Her said Council, is pleased to order, as it is hereby ordered, that the vicarage of Longbridge Deverill with Crockerton, situate in the county of Wilts and diocese of Salisbury, and the perpetual curacy of Hill Deverill, situate in the same county and diocese, shall be united into one benefice with cure of souls for ecclesiastical purposes only.

*C. L. Peel.*

AT the Court at Windsor, the 29th day of June, 1896.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her Majesty chapter one hundred and thirteen and of the Act of the seventeenth and eighteenth years of Her Majesty chapter eighty-four duly prepared and laid before Her Majesty in Council a scheme bearing date the seventh day of May, in the year one thousand eight hundred and ninety-six, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Your Majesty chapter one hundred and thirteen and of the Act of the seventeenth and eighteenth years of Your Majesty chapter eighty-four, have prepared and now humbly lay before Your Majesty in Council the following scheme for apportioning the income of the benefice (being a rectory) of Overton, in the county of Southampton, and in the diocese of

Winchester, between that benefice and a certain other benefice namely the benefice (being a vicarage) of Tadley, which said last-named benefice is also situate in the said county of Southampton, and in the said diocese of Winchester.

"Whereas the Bishop of the said diocese of Winchester is the patron, in right of his See, of the said benefice of Overton and also of the said benefice of Tadley.

"And whereas it has been made to appear to us that the said benefice of Tadley is at present insufficiently endowed and that the said benefice of Overton has endowments of such an amount as that after the charge hereinafter recommended and proposed to be made shall have been placed upon the same endowments the said benefice of Overton will still be sufficiently endowed.

"And whereas the Right Reverend Randall Thomas Bishop of the said diocese of Winchester has represented to us, and we are of opinion that it is desirable that additional provision should be made for the cure of souls within the parish of Tadley aforesaid by means of that apportionment of the income of the said benefice of Overton which is hereinafter recommended and proposed.

"And whereas out of the income of the said Rectory of Overton there is now payable to the Reverend Thomas Floud, Clerk in Holy Orders late Rector or Incumbent of the same rectory, a pension under the provisions of 'The Incumbents Resignation Act 1871.'

"And whereas the said benefice of Overton is now full of a Clerk and the Rector or Incumbent thereof the Reverend George Covey Stenning, Clerk in Holy Orders, is willing that the said apportionment shall be made accordingly and has executed this scheme in token of such his willingness.

"Now therefore with the consent of the Right Honourable and Most Reverend Edward White

Archbishop of Canterbury, acting as Archbishop of the Province within which each of the said two benefices is situate and with the consent of the said Randall Thomas Bishop of the said diocese of Winchester, acting as such Bishop, and also as the patron in right of his See of each of the said two benefices as aforesaid and with the consent of the said George Covey Stenning, acting as such Rector or Incumbent as aforesaid of the said benefice of Overton (in testimony whereof they the said consenting parties have respectively signed and sealed this scheme) we, the said Ecclesiastical Commissioners, humbly recommend and propose that without any conveyance or assurance in the law other than this scheme and any duly gazetted Order of Your Majesty in Council ratifying the same and as from the day of the date on which the pension so payable as hereinbefore mentioned to the said Thomas Floud shall cease and determine from whatsoever cause all the tithe rent charges glebe lands and all (if any) other the endowments which shall at the lastly-mentioned date or which may thereafter belong to the same benefice shall be charged and for ever thereafter chargeable in favour of the Incumbent for the time being of the said benefice of Tadley with the annual sum or yearly charge hereinafter mentioned that is to say a clear annual sum or yearly charge of one hundred pounds the same annual sum or yearly charge of one hundred pounds to be as from the day aforesaid due and payable to the Incumbent of the said benefice of Tadley and the same annual sum or yearly charge to be apportionable between any outgoing Incumbent of the benefice of Tadley or his representatives on the one hand and his successor in the same incumbency on the other hand and to be receivable by the Incumbent in whose favour it is charged as aforesaid by equal half-yearly payments on the first day of May and the first day of November in every year.

“And we the said Ecclesiastical Commissioners for England, further recommend and propose that the Incumbent for the time being of the said benefice of Tadley shall have the following powers for recovering the said rent charge of one hundred pounds per annum hereby proposed to be created in favour of the benefice of which he is Incumbent as aforesaid (that is to say) power if and whenever any part of the said rent charge shall at any time be unpaid for twenty-one days after any of the times appointed for the payment thereof (although there shall not have been any legal demand made thereof) to enter into the receipt of the endowments charged therewith or any part thereof and to receive and take the same until he shall thereby or otherwise be paid and satisfied the same rent charge and the arrears thereof due at the time of such entry or afterwards to become due during his being in possession of the same premises together with all costs and expenses occasioned by the non-payment thereof and for the purpose of collecting receiving and recovering such endowments or any of them to use exercise and enjoy all such powers and remedies for collecting recovering and enforcing payment thereof and of the annual sums payable for or towards the raising or making up the same as may be statutorily exercised or exercisable by him under the law then in force.

“Provided always that if at any time the Incumbent for the time being of the said benefice of Overton shall by any deed duly executed by him under his hand and seal in accordance with the provisions of any Statute in that behalf enabling him, grant convey and annex to the said

benefice of Tadley any part or parts of the rectorial endowments belonging to the said benefice of Overton which shall, in the opinion of the Bishop of Winchester for the time being, be a just and fair equivalent or not less than an equivalent for the yearly charge of one hundred pounds hereby proposed to be created as aforesaid then the same annual sum or yearly charge of one hundred pounds shall thereupon and thenceforth cease and determine and be no longer payable as hereinbefore recommended and proposed.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.”

And whereas the said scheme has been approved by Her Majesty in Council: Now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the registrar of the said diocese of Winchester.

*C. L. Peel.*

AT the Court at Windsor, the 29th day of June, 1896.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the eighth and ninth years of Her Majesty, chapter seventy; of the Act of the fourteenth and fifteenth years of Her Majesty, chapter ninety-seven; of the Act of the nineteenth and twentieth years of Her Majesty, chapter fifty-five; and of the Act of the thirty-fourth and thirty-fifth years of Her Majesty, chapter eighty-two; duly prepared and laid before Her Majesty in Council a representation, bearing date the twenty-first day of May, in the year one thousand eight hundred and ninety-six, in the words and figures following; that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the eighth and ninth years of Your Majesty, chapter seventy, of the Act of the fourteenth and fifteenth years of Your Majesty, chapter ninety-seven, of the Act of the nineteenth and twentieth years of Your Majesty, chapter fifty-five, and of the Act of the thirty-fourth and thirty-fifth years of Your Majesty, chapter eighty-two, have prepared, and now humbly lay before Your Majesty in Council the following representation as to the assignment of a consolidated chapelry to the consecrated church of Saint Christopher, situate at Ellistown within the limits of the parish of Hugglescote-with-Donington in the county of Leicester and in the diocese of Peterborough.

“And whereas it appears to us to be expedient that certain contiguous portions (being the por-

tions containing the population aforesaid) of the said parish of Hugglescote-with-Donington and of the parish of Ibstock aforesaid should be formed into a consolidated chapelry for all ecclesiastical purposes, and that the same should be assigned to the said church of Saint Christopher situate as aforesaid.

"Now, therefore, with the consent of the Right Reverend Mandell, Bishop of Peterborough as such Bishop and also as the patron in right of his See of the vicarage of the said parish of Hugglescote-with-Donington and of the rectory of the said parish of Ibstock (in testimony whereof he the said Bishop has signed and sealed this representation), we, the said Ecclesiastical Commissioners for England, humbly represent, that it would, in our opinion, be expedient that all those contiguous portions of the said parish of Hugglescote-with-Donington, and of the parish of Ibstock aforesaid which are described in the schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, should be united and formed into one consolidated chapelry for the said church of Saint Christopher situate as aforesaid, and that the same should be named 'The Consolidated Chapelry of Saint Christopher Ellistown.'

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal consideration, and to make such Order in respect thereto as to Your Majesty in Your Royal wisdom shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The consolidated chapelry of Saint Christopher, Ellistown, comprising:—

"1. All that portion of the parish of Hugglescote-with-Donington in the county of Leicester and in the diocese of Peterborough which is bounded upon part of the west by the parish of Ibstock in the said county and diocese upon the south partly by the last-named parish and partly by the chapelry of Stanton-under-Bardon in the parish of Thornton in the county and diocese aforesaid and upon all other sides that is to say upon the east upon the north-east upon the north-west and upon the remaining part of the west by an imaginary line commencing upon the boundary which divides the said chapelry of Stanton-under-Bardon from the parish of Hugglescote-with-Donington aforesaid at a point in the middle of the Leicester and Burton Branch Line of the Midland Railway where it is crossed by the footpath leading from Ellistown Farm towards Beveridge-lane and extending thence northward along the middle of the said branch line of railway for a distance of eleven chains or thereabouts to a point to the east of the house called or known as Little Battleflat Farm in the middle of the footbridge which carries the footpath leading from Clotts Farm to Hugglescote over the same branch line of railway and extending thence first westward then generally north-westward along the middle of the last-described footpath for a distance of one mile and ten chains or thereabouts to the point in the middle of the bridge which carries the line of the Ashby and Nuneaton Joint Railway over the same footpath and extending thence south-westward along the middle of the last-named line of railway for a distance of thirty-four chains or thereabouts to a point in the middle of the footbridge which carries the footpath leading from Donington-le-Heath to Nailstone Wiggs Farm over the same line of railway and extending thence south-eastward along the last-mentioned

footpath for a distance of thirty-three chains or thereabouts to the point where it crosses the middle of the road leading from Ibstock to Whitehill upon the boundary which divides the said parish of Hugglescote-with-Donington from the parish of Ibstock aforesaid.

"2. And also all that contiguous portion of the said parish of Ibstock which is bounded upon the south by the parish of Nailstone in the county and diocese aforesaid upon the south-east by the chapelry of Bagworth in the parish of Thornton aforesaid upon the east by the chapelry of Stanton-under-Bardon aforesaid upon the north by the above-described portion of the parish of Hugglescote-with-Donington and upon the remaining side that is to say upon the west by an imaginary line commencing upon the boundary which divides the said parish of Hugglescote-with-Donington from the parish of Ibstock aforesaid at the above-mentioned point where the road leading from Ibstock to Whitehill as aforesaid is crossed by the footpath leading from Donington-le-Heath to Nailstone Wiggs Farm as aforesaid and extending thence generally southward along the middle of the last-mentioned footpath for a distance of one mile and fifty-two chains or thereabouts to the boundary a little to the north of the farmhouse called or known as Nailstone Wiggs as aforesaid which boundary divides the said parish of Ibstock from the parish of Nailstone aforesaid."

And whereas the said representation has been approved by Her Majesty in Council: now, therefore, Her Majesty, by and with the advice of Her said Council, is pleased hereby to ratify the said representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts; and Her Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Peterborough.

## NOTICE TO MARINERS.

(No. 334 of the year 1896.)

[The bearings are magnetic, and those concerning the visibility of lights are given from seaward.]

No. 324.—AUSTRALIA—EAST COAST.

*Inner Route—Amended Position of Pearn Reef.*

WITH reference to Notice to Mariners, No. 195 of 1895:—

Telegraphic information has been received from Lieutenant and Commander W. V. Howard, Her Majesty's ship "Dart," dated 23rd June, 1896, that he has found a pinnacle rock with a depth of 10 feet on it at low water and 12 fathoms close around, in a position with the centre of Halfway Island bearing N. 27° E., distant  $3\frac{1}{10}$  miles.

Approximate position, lat. 11° 25' 39" S., long. 142° 56' 2" E.

This is most probably the shoal reported by Captain Pearn in 1876, which has hitherto been

searched for in vain in the position assigned to it and also the patch on which the steam-vessel "Duke of Buckingham" touched in 1895, marked "reported 1895" on Admiralty Chart.

NOTE.—The "track recommended" has been expunged from the Admiralty chart in the vicinity of Pearn Reef, pending the receipt of further information.

This Notice affects the following Admiralty Charts:—Cape Grenville to Booby Island, No. 2354; Cape Grenville to Cape York, No. 2919. Also, Australia Directory, Vol. II, 1889, page 388.
