

tubes, gas stoves, gas engines, and cooking or other apparatus, and also to manufacture, purchase, sell, deal in, and contract for doing works in connection with fittings, tubes, meters, pipes, engines, chandeliers, apparatus, stoves, engines, and machines for the production of motive power for domestic, agricultural, manufacturing, and other purposes by means of heating apparatus; and all other articles, apparatus, and things in any way connected with gas or necessary for or incidental to any of the purposes for which gas is applicable.

To authorise the Company to acquire, hold, and use patent rights and licences in relation to the manufacture and distribution or use of gas, and the manufacture, utilisation, and conversion of residual products obtainable therefrom, and to exercise and use such rights and to carry on the business usually carried on by Gas Companies.

To authorise the Company to construct, maintain, alter, improve, repair, take up, remove, renew mains, pipes, pillars, and other works, and for those purposes to alter, cross, break up, open, or interfere with, as the case may require, the soil and pavement of any streets, roads, footpaths, and other highways, bridges, canals, towing-paths, railways, tramways, sewers, drains, mains, pipes, mill streams, watercourses, passages, and other places within the limits of supply.

To enable the Company to supply water or gas in bulk to any Corporation, District Council, or any other public authority, company, person or persons, either within or beyond the Company's limits of supply aforesaid, and to enable the Company on the one hand, and any Corporation, District Council, or other public authority, persons or person, company or body on the other hand, to make, carry into effect, alter or rescind contracts, agreements, and arrangements for or with respect to the supply of water or gas in bulk or otherwise, for trading or other purposes, and to authorise any such Corporation, District Council, or any other public authority, company, body, person or persons to apply their respective funds, and to raise further moneys for the purposes of such contract or agreement already made, or which, prior to the passing of the Act, may be made with respect to the matters in this paragraph referred to or any of them.

To enable the Company to supply water or gas by meter, and to authorise them to provide and sell meters or let them on hire.

To authorise and empower the Company to demand, take, and recover rates, rents, and charges for the supply of water and gas, coke, and other residual products, and for the hire of meters, and to vary, alter, or extinguish exemptions from the payments of rates, rents, and charges.

The Bill will make special provision for the protection of the works, property, and water supply of the Company, and for defining and regulating their supply, and for preventing contamination, fraud, or misuse and abuses of their supply, and for imposing penalties in respect of all or any such matters.

The Bill will incorporate, with or without variations, all or some of the provisions of the Companies' Clauses Acts, 1845, 1863, and 1869; the Lands Clauses Acts; the Waterworks Clauses Acts, 1847 and 1863; the Gasworks Clauses Acts, 1847 and 1871; and also such parts of the Railway Clauses Consolidation Act, 1845, as relates to roads and the temporary occupation of lands.

The Bill will vary and extinguish all rights and privileges which would in any manner impede or interfere with its objects, and will confer other exemptions, rights, and privileges, and will continue all such provisions as may be necessary or incidental to its objects.

Duplicate plans and sections describing the lines, situation, and levels of the proposed works, and of the lands, houses, and other property which may be taken for other purposes under the powers of the Bill, together with a book of reference to such plans containing the names of the owners and lessees or reputed owners and lessees and occupiers of such lands, houses, and other property, and also a copy of this notice as published in the London Gazette will, on or before the 30th day of November instant, be deposited for public inspection with the Clerk of the Peace for the county of Pembroke at his office at Haverfordwest in that county, and on or before the same day a copy of so much of the said plans, sections, and book of reference as relates to the city of St. David's, with the Town Clerk or other Clerk of the city; and as relates to each parish or extra parochial place in or through which the intended works will be made, or in which any lands, houses, or other property are intended to be taken, and a copy of this notice as published in the London Gazette will be deposited, in the case of each parish having a Parish Council, with the Clerk of the Parish Council at his office or residence as the case may be, or if there is no Clerk, with the Chairman of that Council at his residence; and in the case of each parish or extra parochial place as is comprised in a rural district not having a Parish Council, with the Clerk of the District Council at his office.

Printed copies of the Bill will be deposited in the Private Bill Office of the House of Commons on or before the 21st day of December next.

Dated this 10th day of November, 1898.
