Belgrade, 6/19 Juillet, 1901.

Le Ministère Royal des Affaires Etrangères a l'honneur de porter à la connaissance de la Légation de Sa Majesté Britannique que le Département Royal de l'Intérieur, à la suite de la constatation de trois nouveaux cas de Peste à Constantinople a cru bon de donner les instructions suivantes à toutes les prefectures du Royaume.

Par suite de la manifestation de trois nouveaux cas de Peste à Constantinople, il est urgent de prendre des mesures sévères afin de préserver notre pays de la contagion de ce fléau. C'est pour cela que la Turquie est déclarée infestée, et qu'à partir d'aujourd'hui les dispositions de la Circulaire du 14 Novembre, 1899, S No. 11702 (Journal Officiel No. 264, année 1899), devront être appliquées dans toute leur rigueur, avec cette différence que l'entrée des voyageurs venant de Turquie n'est autorisée que par le chemin de fer Sofia-Pirot. Tous les autres passages en Serbie sur la frontière turque sont fermés, y compris celui du chemin de fer à Ristovats.

On recommande à toutes les Autorités de se conformer sévèrement aux prescriptions concernant l'observation Médicale de douze jours des voyageurs dans leur résidence, titre B. Article 2, §§ 2 à 10 de la Circulaire de l'année 1899 S. No. 11702.

Tous cas douteux de maladie des voyageurs venant de Turquie, pendant l'observation médicale au lieu de leur résidence, devra être communiqué par dépêche par la Préfecture, au Département Royal de l'Intérieur.
